**Part I**

**Item 3. Legal Proceedings**

On August 28, 2006, CitiMortgage, Inc. ("CMI") filed suit in the United States District Court for the Eastern District of Missouri against FPMC, David W. Mann, and Citizens Mortgage Corporation ("CMC"). CMC is a subsidiary of Citizen's State Bank, the president and chief executive officer of which is Mr. Mann and the parent company of which is majority-owned by Mr. Mann and his affiliates. In this litigation CMI makes claims against FPMC based on allegations of default in the repayment to CMI of amounts payable by FPMC under its July 20, 2006 Workout and Forbearance Agreement with CMI and under the underlying loan agreements, as described under "Results of Operations" in Item 6 of Part II of this report. Amounts claimed by CMI to be payable under these agreements total approximately \$3,500,000. CMI also makes claims in this litigation against FPMC, Mr. Mann, and CMC based on allegations that FPMC made transfers to CMC of assets related to its mortgage operations without receiving reasonably equivalent value in exchange. The amount of these claims is not quantified. FPMC has filed an answer in this suit, contesting many of the allegations and claims of CMI. CMC has moved to dismiss the suit for lack of personal jurisdiction and improper venue and Mr. Mann has moved to dismiss the suit for lack of personal jurisdiction. The parties to this suit are now engaged in jurisdictional discovery and the court has not yet ruled on whether the court has personal jurisdiction over CMC and Mr. Mann.

In addition to the foregoing, the Company is involved in routine litigation incidental to its business, both as a plaintiff and a defendant. Management of the Company, after consulting with legal counsel, believes that liability resulting from such litigation, if any, will not have a material effect on the financial position of the Company.

**Part II**

**Item 5. Market for Common Equity and Related Stockholder Matters**

There is no established public trading market for the Company's no par value common stock. On March 31, 2007, the Company had approximately 465 holders of record of its common stock.

The Company did not pay any cash dividends during the last three fiscal years. Except in limited circumstances, the Texas Business Corporation Act would prohibit the Company from paying a dividend if, after giving effect to the dividend, the Company would be insolvent or if the dividend exceeds the Company's surplus.

**Part III**

**Item 9. Directors, Executive Officers, Promoters and Control Persons; Compliance with Section 16(a) of the Exchange Act**

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers, controller, and beneficial owners of more than 10% of the Company's common stock to file certain beneficial ownership reports with the Securities and Exchange Commission. The Company is not aware of the failure by any of such persons to file timely any such report during 2006 or with respect to transactions occurring during 2006.

**Code of Ethics**

The Company has adopted a Code of Ethics applicable to its Chief Executive Officer and senior financial officers, which was filed as Exhibit 14.1 to the 10-KSB for the year ended December 31, 2003, filed with the Securities and Exchange Commission on April 14, 2004.

**Audit Committee**

The Board of Directors has no audit committee, or any other committee performing similar functions. The Board as a whole performs the functions that would otherwise be performed by the audit committee.

In connection with performing its functions as an audit committee, the full Board has determined that David W. Mann qualifies as an "audit committee financial expert," as that term is defined in Item 401(e) of the Securities and Exchange Commission's Regulation S-B. Mr. Mann, because he is an officer and principal owner of the Company, would not be considered "independent" within the meaning of the independence requirements of any national securities exchange or national securities association. It should be noted, however, that, because the Company's securities are not listed on any such exchange or traded on a trading system maintained by any national securities association, no financial expert is required to be on the Company's Board of Directors or to be independent.

**Equity Compensation Plan Information**

The Company does not maintain any compensation plans pursuant to which equity securities of the Company are authorized for issuance.

**Item 12. Certain Relationships and Related Transactions, and Director Independence**

See the Original Report for information regarding certain relationships and related transactions.

**Director Independence**

The Company has not determined whether each member of its Board of Directors will be considered "independent" as that term is defined in the rules of any national securities exchange or securities association that apply to listed companies because, even if the Company were a listed company, many of the rules defining independence would not apply to the Company because the Company's voting securities are controlled by a majority shareholder.
