NARRATIVE

On February 11, 2005, IPIX Corporation ("IPIX") and AdMission Corporation, a privately held Delaware corporation ("AdMission") closed the transactions under the asset purchase agreement dated January 11, 2005 between the parties (the "Asset Purchase Agreement"). Pursuant to the terms of the Asset Purchase Agreement, IPIX sold to AdMission certain of its assets (including certain patent rights and other intellectual property) and contracts relating to its IPIX AdMission business unit. Because of the events leading up to and culminating with the sale of the business unit, the assets and liabilities of the IPIX AdMission business unit were considered held for sale at December 31, 2004, and operations of this business unit will be considered discontinued operations. Accordingly, the operating results of the IPIX AdMission business unit for 2002, 2003 and 2004 must be reclassified to discontinued operations in IPIX's consolidated financial statements. Due to the additional time required to complete the financial statements resulting from, and the presentation of the other data relating to, the sale of these assets, IPIX was unable to complete its Annual Report on Form 10-K for the period ended December 31, 2004 without the expenditure of unreasonable effort and expense by March 16, 2005.
