Introduction

On April 28, 2006, SkyLynx Communications, Inc. (the "Company" or "SkyLynx") closed in escrow its Agreement and Plan of Merger dated November 29, 2005 (the "Merger") as amended on February 21, 2006, March 9, 2006 and March 30, 2006 (the "Merger Agreement") between and among the Company, a wholly-owned acquisition subsidiary of the Company SkyLynx Acquisition Corp. ("SAC"), and Vetco Hospitals, Inc., a California corporation ("VETCO").

Under the terms of the Closing Escrow Agreement, the shares of Series A Convertible Preferred Stock issuable on the effective date of the Merger, the Agreement of Merger that is required to be filed with the California Secretary of State and the Statement of Merger that is required to be filed with the Colorado Secretary of State were delivered into escrow pending receipt of confirmation satisfactory to both SkyLynx and Vetco that the Vetco financial statements could be audited in conformity with applicable legal requirements. On May 1, 2006, the parties to the Merger received such confirmation and authorized the release from escrow and filing of the Agreement of Merger and Statement of Merger. We plan to file those documents, all of which have been executed and are ready for filing as of the date of this Report, with the respective Secretaries of State on May 5, 2006, which will be the effective date ("Effective Date") of the Merger.

ITEM 2.01

COMPLETION OF ACQUISITION OF ASSETS

Summary of Transaction

Pursuant to the Merger Agreement, SAC merged with and into VETCO with VETCO as the surviving corporation, and VETCO became a wholly-owned subsidiary of the Company (the "Merger"). The Merger resulted in a change of control of SkyLynx.

Terms of the Merger Agreement

The Merger Agreement provided for consummation of the following principal transactions, all of which will be completed on May 5, 2006:

- * SAC merged with and into VETCO, with VETCO being the surviving corporation and becoming a wholly-owned subsidiary of the Company.
- * Each issued and outstanding share of VETCO common stock was converted automatically into 98.8338 shares of SkyLynx Series A Convertible Preferred Stock ("Series A Preferred") having a Stated Value of \$3.00 per share, or a total of 988,338 shares of Series A Preferred.

2

- * Each share of Series A Preferred is convertible into 38.4316 shares of SkyLynx common stock upon there being sufficient authorized but unissued shares of common stock available to cover the conversion. Further, each share of Series A Preferred grants to the

holder the voting power of 38,4316 shares of common stock.

- * An additional 11,662 shares of SkyLynx Series A Preferred Stock were reserved for issuance pursuant to the conversion of a \$100,000 SkyLynx convertible debenture, which was issued to a Vetco convertible note holder in substitution of a \$100,000 Vetco convertible note.
- * The shares of SkyLynx Series A Preferred issued upon consummation of the Merger represented immediately following the Merger approximately 55% of the total issued and outstanding voting securities of the Company.
- * All shares of Series A Preferred to be issued in the Merger will be held in a closing escrow (the "Closing Escrow") subject to the completion and filing with the Securities and Exchange Commission (the "Commission") of all financial statements and pro forma financial information required by Item 9.01 of Form 8-K and Item 310 of Regulation SB.

Pursuant to the authorization, a Certificate of Designations of Series A Convertible Preferred Stock amending the Company's Certificate of Incorporation was filed with the Delaware Secretary of State on May 1, 2006. The relative rights and preferences of the Series A Preferred can be summarized as follows:

Voting Rights

: Each issued and outstanding share of Series A Preferred shall entitle a holder to vote on any and all matters presented to the shareholders of SkyLynx for approval, including the election of directors, based on the number of shares of Conversion Stock into which the Series A Preferred is then convertible. In addition, the shares of Series A Preferred to be issued hereunder will automatically convert into Conversion Stock upon there being made available for issuance a sufficient number of shares of SkyLynx Common Stock that are not reserved for issuance pursuant to the exercise of outstanding rights to acquire shares of SkyLynx Common Stock.

Liquidation Preference

. \$3.00 per share of Preferred Stock, senior to the rights of holders of Common Stock.

On the Effective Date of the Merger, all outstanding shares of VETCO common stock converted automatically into an aggregate of 988,338 shares of Series A Preferred. The shares were issued to a total of five Vetco shareholders. In addition, SkyLynx entered into a convertible promissory note on April 26, 2006, which may be converted at any time by the holder thereof into a maximum of 11,662 shares of the Series A Preferred. Each of the Vetco shareholders and the holder of the convertible promissory note represented that he qualified as an accredited investor within the meaning of Rule 501(a) of Regulation D. The shares and the note were taken for investment purposes and are subject to restrictions on transfer under federal securities laws. The shares of Series A Preferred and the convertible promissory note were issued without registration under the Securities Act in reliance upon the exemption from the registration requirements of the Securities Act contained in Section 4(2) and Rule 506 of Regulation D.

ITEM 5.01
