Item 1.01. Entry into a Material Definitive Agreement

On October 21, 2014, Intellicell Biosciences, Inc., a Nevada corporation (the “Company”) executed an Advisory and Consulting Agreement (the “Agreement”) having an effective date of October 7, 2014 (the “Effective Date”) with Dawson James Securities, Inc. (“Dawson James”), pursuant to which Dawson James shall render consulting advice to the Company relating to capital markets and business advisory services as specifically set forth in the Agreement. Such services shall include, but not be limited to, services as a placement agent as well as services related to merger/acquisition matters.

The Agreement provides that, in exchange for the services provided thereunder, the Company shall pay Dawson James a nonrefundable fee paid as preferred stock providing for a future conversion to the number of shares of Company common stock equivalent to ten percent (10%) of the then fully diluted stock of the Company at the time of conversion. The Company’s completion of a minimum of \$15 million of new investor financing, or the acquisition of the Company, shall be the conversion trigger for such preferred stock. Furthermore, Dawson James shall be entitled to a Finder’s Closing Fee (as such term is defined in the Agreement) equal to eight percent (8%) of the aggregate purchase price paid in connection with any transaction consummated in whole or part during the term of the Agreement with any investor introduced to the Company by Dawson James. The Agreement further provides that the Company shall issue Dawson James warrants as additional compensation as more specifically provided therein.

Pursuant to the Agreement, the Company agrees to retain, and Dawson James agrees to act, as the Company’s lead underwriter for the Company of registered securities to be issued by the Company, including shares, and if applicable, warrants to purchase shares of the Company’s common stock in connection with a “best efforts” or “firm commitment” offering to be made pursuant to an effective registration statement to be filed by the Company under the Securities Act of 1933, with said underwriting being completed concurrent with the listing of the Company’s stock on a national exchange.

The Agreement further provides that the Company shall indemnify and hold harmless Dawson James and certain other indemnified parties against certain liabilities incurred. The Agreement may be terminated by the Company only in the event of a material breach by Dawson James of its obligations thereunder, provided such breach remains uncured for a period of fifteen (15) days after written notice of the breach and opportunity to cure having been provided to Dawson James.

The foregoing description of the Agreement is not complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated by reference herein.
