ITEM 4. DESCRIPTION OF SECURITIES.

Not required.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not required.

ITEM 6. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

Florida corporations are authorized to indemnify against liability any person who is a party to any legal proceeding because such person is a director or officer of the corporation. The officer or director must act in good faith and in a manner reasonably believed to be in the best interests of the corporation and, with respect to any criminal action or proceeding, have no reasonable cause to believe the conduct was unlawful. Florida law does not allow indemnification for an act or omission that involves intentional misconduct or a knowing violation of a law. In the case of an action by or on behalf of a corporation, indemnification may not be made if the person seeking indemnification is found liable, unless the court in which such action was brought determines such person is fairly and reasonably entitled to indemnification. Indemnification is required if a director or officer has been successful on the merits.

The indemnification authorized under Florida law is not exclusive and is in addition to any other rights granted to officers and directors. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any officer or director.

Our article of incorporation provide for the indemnification of directors and executive officers to the maximum extent permitted by Florida law. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or controlling persons pursuant to the foregoing provisions or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents where indemnification would be required or permitted. We are not aware of any threatened litigation or proceeding that would result in a claim for such indemnification.

ITEM 9. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

4

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: VIEW SYSTEMS INC - Form S-8

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
