Securities Exchange Act of 1934, as amended.

PRESS RELEASE

NUTRACEA RECEIVES PERMIT FROM THE CALIFORNIA DEPARTMENT OF CORPORATIONS APPROVING THE PROPOSED MERGER WITH RICEX

FOR IMMEDIATE RELEASE

EL DORADO HILLS, CALIF., JULY 13, 2005 -- NutraCea (OTC BULLETIN BOARD: NTRZ) announced today that at a hearing held on July 12, 2005, the California Department of Corporations approved the issuance of NutraCea securities in the proposed merger between NutraCea and The RiceX Company (OTC BULLETIN BOARD: RICX), determined that the terms of the merger were fair, and issued a permit under the California securities laws to NutraCea covering the issuance of securities in the merger. The approval of the merger by the Department of Corporations allows the securities of NutraCea to be issued in connection with the merger to be exempt from registration under the United States Securities Act of 1933.

"We obtained a permit after a public hearing in which the Department of Corporation determined that the terms of the merger of NutraCea and RiceX were fair, which is one of the major conditions to be satisfied prior to completing the merger," stated Bradley Edson, President of NutraCea. "It is our combined intention to file all proxy material and distribute it to the shareholders of both companies as quickly as possible in order to have shareholder meetings to vote on the merger," Edson added.

Ike Lynch commented, "We are happy to have the state of California approve our merger with NutraCea and look forward to accomplishing our goal of combining the resources and strengths of both companies."

About NutraCea(R)

NutraCea is a leader in stabilized rice bran nutrient research and dietary supplement development. The Company has developed intellectual property to create a range of proprietary product formulations, delivery systems and whole food nutrition products. NutraCea's proprietary technology enables the creation of food and nutrition products from rice bran, normally a waste by-product of standard rice processing. In addition to its whole foods products, NutraCea develops families of health-promoting "nutraceuticals," including natural arthritic relief and cholesterol-lowering products, and all-natural "cosmeceutical" beauty aids. More information can be found in the company's filings with the SEC and on NutraCea web site <http://www.NutraCea.com>.

About RiceX

The RiceX Company manufactures and distributes nutritionally dense foods and food ingredients made from rice bran stabilized through the company's proprietary technology and processes.

RiceX delivers all natural, nutritionally dense stabilized rice bran products with the shelf life and nutritional profile demanded by most commercial users.

Forward-Looking Statements

This release contains statements that are forward looking. These statements are
