Telephone number, including area code, of agent for service:
(913) 794-1513

EXPLANATORY NOTE

This Registration Statement as originally filed related to the offering of 6,558,436 shares of Sprint Common Stock ("Sprint Common Stock") issuable under the 1990 Stock Option Plan, which was adopted as a subsidiary plan under and pursuant to the 1997 Long-Term Stock Incentive Program (the "1997 Program"), which had been approved by Sprint's shareholders. No shares were issued before the reclassification of Sprint Common Stock into FON Common Stock and PCS Common Stock in November 1998. The 6,558,436 shares were reclassified into 6,558,436 shares of FON Common Stock and 3,279,218 shares of PCS Common Stock. No shares of FON Common Stock were issued before the two-for-one split of the FON Common

Edgar Filing: SPRINT CORP - Form S-8 POS

Stock in the 1999 second quarter, leaving all 6,558,436 shares of FON Common Stock. The two-for-one split of the FON Common Stock increased the number of shares of FON Common Stock remaining under the Registration Statement to 13,116,872 shares of FON Common Stock. No shares of PCS Common Stock were issued before the two-for-one split of the PCS Common Stock in the 2000 first quarter, leaving all 3,279,218 shares of PCS Common Stock. The two-for-one split of the PCS Common Stock increased the number of shares of PCS Common Stock remaining under the Registration Statement to 6,558,436 shares of PCS Common Stock. As previously reported, Sprint's Board of Directors combined the 1990 Stock Option Plan with and into the 1997 Program to form a single plan (the "Plan Combination"). The shares of FON Common Stock covered by this Registration Statement and not previously issued in connection with the exercise of stock options granted under the 1990 Stock Option Plan before the Plan Combination will be issued in connection with the exercise of options granted under the 1997 Program.

On February 28, 2004, Sprint's Board of Directors approved the recombination of the PCS Common Stock and the FON Common Stock, effective on April 23, 2004 (the "Conversion Date). Options for 4,697,546 shares of PCS Common Stock were exercised before the Conversion Date, leaving 1,860,890 shares of PCS Common Stock. Following the recombination of the PCS Common Stock and the FON Common Stock, no shares of PCS Common Stock may be issued. Accordingly, the purpose of this Post-Effective Amendment No. 3 is to deregister the remaining 1,860,890 shares of PCS Common Stock covered by this Registration Statement.
