GENERAL INFORMATION

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Enterprise Bancorp, Inc. (the "Company"), the parent holding company of Enterprise Bank and Trust Company (the "Bank"), for the 2016 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), to be held on Tuesday, May 3, 2016, at 3:30 p.m. local time, at the UMass Lowell Inn and Conference Center, 50 Warren Street, Lowell, Massachusetts 01852 and at any adjournments or postponements thereof. This Proxy Statement, the accompanying Notice of Annual Meeting and the accompanying proxy card are first being mailed to stockholders on or about March 31, 2016.

The Annual Meeting has been called for the following purposes: (1) to elect seven Directors of the Company, each to serve for a three-year term ("Proposal One"); (2) to approve and adopt the Company's 2016 Stock Incentive Plan ("Proposal Two"); (3) to vote on the ratification of the Audit Committee's appointment of RSM US LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016 ("Proposal Three"); and (4) to transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Company is a Massachusetts corporation and a registered bank holding company. All of the Company's material business activities are conducted through the Bank.

Record Date

The Board of Directors has fixed the close of business on March 4, 2016 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof (the "Record Date"). Only holders of record of the Company's common stock (the "Common Stock") at the close of business on the Record Date will be entitled to vote. At the close of business on the Record Date, there were 10,409,989 shares of the Common Stock issued and outstanding. The holders of shares of the Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held of record upon each matter that may properly come before the Annual Meeting or any adjournments or postponements thereof.

Proxies

You may vote at the Annual Meeting in person or by proxy. Proxies may be delivered electronically via the Internet, by telephone, or in writing by mail. If you intend to deliver a proxy electronically or by phone, you may do so by following the instructions included with your proxy card. If you hold your shares in "street name," such as in a stock brokerage account or through a bank or other nominee, you need to check your proxy card or contact your broker or nominee to determine whether electronic or telephonic proxy delivery is available to you. If you intend to deliver a proxy by mail, we request that you complete, date, sign and promptly return the accompanying proxy card in the enclosed envelope, which requires no postage if mailed in the United States.

If you vote electronically or by telephone and you properly follow the instructions included with your proxy card for doing so by no later than the deadline indicated in such instructions or if you vote by mail and you return the enclosed proxy card properly executed to the Company in time to be voted at the Annual Meeting, then the shares represented by your proxy, regardless of the method of delivery, will be voted in accordance with your voting instructions, unless you subsequently revoke your proxy as further explained below.

If you properly deliver your proxy without including any instructions as to how your proxy should be voted, then your proxy will be voted as follows: (1) FOR the election of George L. Duncan, Eric W. Hanson, Jacqueline F. Moloney, Luis M. Pedroso, Michael T. Putziger, Carol L. Reid and Michael A. Spinelli, as the seven nominees of the Board of Directors, as Directors of the Company; (2) FOR the approval and adoption of the Company's 2016 Stock Incentive Plan; (3) FOR the ratification of the Audit Committee's appointment of RSM US LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016; and (4) in such manner as management's proxy-holders shall decide on such other matters as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The presence of a stockholder at the Annual Meeting will not automatically revoke a stockholder's proxy. A stockholder may, however, revoke a proxy at any time before the Annual Meeting is called to order by filing with the Secretary of the Company a written notice of revocation, or by delivering to the Company a duly executed proxy bearing a later date, or by properly delivering a proxy electronically or by telephone at a later date. All written notices of revocation and other written communications with respect to revocation of proxies in connection with the Annual Meeting should be addressed as follows: Enterprise Bancorp, Inc., 222 Merrimack Street, Lowell, Massachusetts 01852, Attention: Michael A. Spinelli, Secretary.

It is not anticipated that any matters other than those set forth in proposals One, Two, and Three will be brought before the Annual Meeting. Please see the additional information under the heading "Stockholder Proposals" on page 46 of this Proxy Statement for a description of the requirements that must be satisfied in order for any Director nomination or other stockholder proposal, which is not otherwise included in this Proxy Statement, to be presented by any stockholder at the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters in their discretion in accordance with their best judgment.

In addition to use of the mails, proxies may be solicited personally or by telephone, fax or e-mail by officers, Directors and employees of the Company, none of whom will be specially compensated for such solicitation activities.

Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of shares held of record by such persons, and the Company will reimburse such persons for their reasonable out of pocket expenses incurred in that connection. The cost of soliciting proxies will be borne by the Company.

Quorum; Vote Required

The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of the Common Stock is necessary to constitute a quorum at the Annual Meeting for the transaction of business. Abstentions, withheld votes and shares held by a bank, broker or other nominee that are voted on any matter will be counted as present for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. The number of affirmative votes required for approval of the matters to be considered at the Annual Meeting is as follows:

•Proposal One - Election of Class of Directors

Each Director is required to be elected by a majority of the votes cast by stockholders present, in person or by proxy, at the Annual Meeting. At the Annual Meeting, the maximum number of Directors to be elected is seven.

•Proposal Two - Approval of 2016 Stock Incentive Plan

The approval and adoption of the Company's 2016 Stock Incentive Plan requires a majority of the votes cast by stockholders present, in person or by proxy, at the Annual Meeting.

•Proposal Three - Ratification of Appointment of Independent Registered Public Accounting Firm

The ratification, on a non-binding, advisory basis, of the appointment of RSM US LLP as our independent registered public accounting firm for 2016 requires a majority of the votes cast by stockholders present, in person or by proxy, at the Annual Meeting.

In voting for the election of Directors, you may vote "FOR" all nominees or "WITHHOLD" your vote from all nominees or from only certain specified nominees. Withholding a vote from all or some of the nominees is effectively a vote against such nominee(s), but will not prevent the election of such nominee(s) so long as such nominee(s) receive a majority of the votes cast at the Annual Meeting.

In voting for the approval and adoption of the Company's 2016 Stock Incentive Plan, you may vote "FOR" or "AGAINST" such approval and adoption or you may "ABSTAIN" from voting on the matter. Under Massachusetts law, an abstention is not considered a vote cast at a meeting and, consequently, abstentions will have no effect on the voting for this proposal.

In voting for the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for 2016, you may vote "FOR" or "AGAINST" such ratification or you may "ABSTAIN" from voting on the matter. Under Massachusetts law, an abstention is not considered a vote cast at a meeting and, consequently, abstentions will have no effect on the voting for this proposal.

Under existing stock exchange rules, banks, brokers, or other nominees may vote shares held for a customer in street name on matters that are considered to be "routine" even if they have not received voting instructions from

their clients. A broker "non-vote" occurs when a bank, broker, or other nominee has not received voting instructions from a customer and does not vote the customer's shares either because the matter is not considered routine or because the bank, broker or other nominee does not exercise its prerogative to vote even if the matter is considered routine. The election of Directors (Proposal One) and the approval and adoption of the 2016 stock incentive plan (Proposal Two), are not considered "routine" matters which means that if your shares are held in street name, your bank, broker, or other nominee may not vote your shares on this matter unless you provide timely instructions for such voting. The ratification of the appointment of the independent registered public accounting firm (Proposal Three), is considered a "routine" matter, which means that if your shares are held in street name your bank, broker, or other nominee may vote your shares on this matter in its sole discretion if you do not provide timely instructions for voting your shares. The Directors and executive officers of the Company have indicated that they intend to vote all shares of the Common Stock that they are entitled to vote in favor of each of Proposals One, Two and Three. On the Record Date, the Directors and executive officers of the Company in the aggregate had the right to vote 2,170,680 shares of the Common Stock, representing approximately 20.85% of the outstanding shares of the Common Stock as of such date.

PROPOSAL ONE

ELECTION OF CLASS OF DIRECTORS

The Company's Amended and Restated By-Laws (the "By-Laws") provide that the number of Directors shall be set by a majority vote of the entire Board of Directors. Currently, the number of Directors for the Company has been set at 18 through the date of the Annual Meeting. Under the Company's Restated Articles of Organization and By-Laws, this number is divided into three classes, as nearly equal in number as possible, with the Directors in each class serving a term of three years and until their respective successors are duly elected and qualified, or until his or her earlier resignation, death or removal. As the term of one class expires, a successor class is elected at the annual meeting of stockholders for that year.

On January 19, 2016, Arnold S. Lerner, former Vice Chairman and Lead Director, retired from the Board of Directors. On January 19, 2016, Joseph C. Lerner, his son, was appointed as a director for the Company and the Bank to serve until the 2017 Annual Meeting of Stockholders.

At the Annual Meeting, there are seven Directors to be elected to serve until the 2019 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified, or until his or her earlier resignation, death or removal. The Board of Directors has nominated, upon the recommendation of the Board's Corporate Governance/Nominating Committee, each of George L. Duncan, Eric W. Hanson, Jacqueline F. Moloney, Luis M. Pedroso, Michael T. Putziger, Carol L. Reid and Michael A. Spinelli, for election as a Director for a three-year term. The Board of Directors believes that all of the nominees will stand for election and will serve as a Director if elected. However, if any person nominated by the Board of Directors fails to stand for election or is unable or refuses to accept election, the proxies will be voted for the election of such other person or persons as the Board of Directors may recommend. However, in lieu of designating a substitute, the Board of Directors may reduce the number of Directors.

PROPOSAL TWO

APPROVAL OF 2016 STOCK INCENTIVE PLAN

Description of 2016 Stock Incentive Plan

On January 19, 2016, the Board of Directors unanimously approved and adopted the Enterprise Bancorp, Inc. 2016 Stock Incentive Plan (the "Stock Incentive Plan" or the "Plan") and directed that the Stock Incentive Plan be submitted to the Company's stockholders for their consideration and approval.

Purpose, Participants, Effective Date and Duration. The purpose of the Stock Incentive Plan is to encourage and enable the officers, employees, non-employee directors and consultants of the Company and its subsidiaries (including without limitation the Bank) upon whose judgment, initiative and efforts the Company largely depends for the successful conduct of its business to acquire a proprietary interest in the Company. The Stock Incentive Plan allows for the granting of shares of Common Stock, options to acquire Common Stock ("Options"), shares of Common Stock subject to restrictions ("Restricted Stock"), rights based on the value of the Common Stock ("Restricted Stock Units" or "RSUs") and rights based on future appreciation in the value of the Common Stock ("Stock Appreciation Rights" or "SARs"). Grants of Common Stock, Options, Restricted Stock, RSUs and/or SARs are referred to collectively in this summary as "Awards."

The majority of the shares of Common Stock reserved for issuance pursuant to the Company's Amended and Restated 2009 Stock Incentive Plan are subject to previously granted and currently outstanding Options and shares of Restricted Stock. The remaining shares under the Company's Amended and Restated 2009 Stock Incentive Plan will remain available for future grants. Consequently, the Board of Directors believes that the adoption of the Stock Incentive Plan is necessary to enable the Company to continue in the future to attract and retain the high caliber of employees and directors required for the Company's continuing growth and success.

As of the date of this Proxy Statement, there are 15 non-employee Directors, 14 executive officers (including three employee Directors) and approximately 460 other employees, including other officers, who would be eligible participants under the Stock Incentive Plan. The Stock Incentive Plan allows Awards to others, including consultants and advisers. As of the date of this Proxy Statement, there are 29 individuals on Bank Advisory Boards who would be eligible participants under the Stock Incentive Plan.

The Stock Incentive Plan remains subject to approval by the Company's stockholders. If the Stock Incentive Plan is approved by stockholders at the Annual Meeting or any subsequent meeting held no later than January 19, 2017, then the Plan will remain in effect through January 19, 2026, unless earlier terminated by the Board of Directors. Any early termination of the Stock Incentive Plan by the Board of Directors will not affect Awards granted prior to such termination, but no additional Awards may be granted after any termination of the Plan.

Shares Subject to the Stock Incentive Plan. The total number of shares of Common Stock that may be subject to Awards under the Stock Incentive Plan may not exceed 350,000 (the "Reserved Shares"), which equals approximately 3.4% of the number of shares of Common Stock outstanding on the Record Date. These shares may be authorized but unissued shares or treasury shares. In the event of any change in the number or kind of Common Stock outstanding pursuant to a reorganization, recapitalization, exchange of shares, stock dividend or split or combination of shares, appropriate adjustments to the number of Reserved Shares and the number of shares subject to outstanding Awards, in the exercise price per share of outstanding Options and in the kind of shares which may be distributed under the Stock Incentive Plan will be made. The total amount of Reserved Shares that may be granted to any single employee under the Stock Incentive Plan may not exceed in the aggregate 120,000 shares. Shares will be deemed issued under the Stock Incentive Plan only to the extent actually issued pursuant to an Award. To the extent that an Award under the Stock Incentive Plan lapses or is forfeited, any shares subject to such Award will again become available for grant under the terms of the Stock Incentive Plan.

Administration. The Stock Incentive Plan may be administered by the Board of Directors' Compensation Committee, which must consist of at least three members of the Board who are not employees of the Company or any of its subsidiaries, or by the Board of Directors itself. References to the "Compensation Committee" in this summary are intended to refer to the Compensation Committee or the full Board of Directors, as the case may be, unless the context requires otherwise. For so long as Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is applicable to the Company, each member of the Compensation Committee must be a "non-employee director" or the equivalent within the meaning of the SEC's Rule 16b-3 promulgated under the Exchange Act. For so long as Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), is applicable to the Company, each such member of the Compensation Committee must also be an "outside director" within the meaning of Section 162 of the Code and the regulation thereunder. With respect to persons subject to Section 16 of the Exchange Act (generally, executive officers, directors and any 10% stockholders), all transactions under the Stock Incentive Plan are intended to comply with all applicable conditions of the SEC's Rule 16b-3 or any successor regulation.

Subject to the terms of the Stock Incentive Plan, the Compensation Committee has authority to: (i) select the persons to whom Awards shall be granted; (ii) determine the number or value and the terms and conditions of Awards granted to each such person, including the price per share to be paid upon exercise of any Option and the period within which each such Option may be exercised; and (iii) interpret the Stock Incentive Plan and prescribe rules and regulations for the administration thereof. Unless otherwise provided or prohibited by law, all determinations and decisions made by the Company pursuant to the Plan shall be final, binding and conclusive on all parties. Notwithstanding the Compensation Committee's general authority to grant Awards and administer the Plan, the full Board of Directors must approve all grants of Awards to all executive officers and any directors of the Company.

Stock Grants. Subject to the terms and provisions of the Plan and applicable law, the Administrator may, at any time and from time to time, make grants of Stock without receiving cash consideration therefor. Unless otherwise determined by the Administrator, grants of Stock shall be fully vested upon delivery of shares to the grantee either in certificate or electronic form. Each grant of Stock hereunder may be evidenced by an Award Agreement that shall specify the number of shares of Stock granted, any conditions which must be satisfied, and such other provisions as the Administrator shall determine.

Stock Options. In granting Options under the Plan, the Compensation Committee will determine the number of shares of Common Stock subject to the Option, the exercise price of the Option, the manner and time of exercise of the Option and whether the Option is intended to qualify as an incentive stock option ("ISO") within the meaning

of Section 422 of the Code. Options that are not intended to qualify as ISOs are referred to as nonqualified stock options (“NSOs”). In the case of an ISO, the exercise price may not be less than the “fair market value” of the Common Stock on the date the Option is granted; provided, however, that in the case of an employee who owns (or is considered to own under Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its subsidiaries, the price at which Common Stock may be purchased pursuant to an ISO may not be less than 110% of the fair market value of the Common Stock on the date the ISO is granted.

The duration of the ISOs and NSOs granted under the Stock Incentive Plan may be specified pursuant to each respective stock option agreement, but in no event can any ISO be exercisable after the expiration of 10 years after the date of grant. In the case of any employee who owns (or is considered under Section 424(d) of the Code as owning) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its subsidiaries, no ISO shall be exercisable after the expiration of five years from its date of grant. The Compensation Committee, in its discretion, may provide that any Option is exercisable during its entire duration or any lesser period of time.

The option exercise price may be paid in cash, in shares of Common Stock owned by the optionee (subject to certain limitations specified in the Stock Incentive Plan), or by means of a “cashless exercise” procedure in which a third-party designee transmits funds to the Company in accordance with procedures specified in the Plan.

Restricted Stock. The Compensation Committee may grant to participants a number of shares of Common Stock determined in its discretion, subject to terms and conditions so determined by it, including conditions that may require the holder to forfeit the Common Stock in the event that the holder ceases to provide services to the Company or a subsidiary before a stated time. Unlike holders of Options, a holder of Restricted Stock has the rights of a stockholder of the Company to vote the shares and, depending upon the terms of the grant, may also be entitled to receive payments of dividends on the Restricted Stock.

Restricted Stock Units and Stock Appreciation Rights. The granting of RSUs and SARs involve rights based on the value and the appreciation in value, if any, of the Common Stock, respectively, and do not involve in either instance the issuance of any shares at the time of grant. The terms and conditions of any RSUs and SARs that may be granted under the Plan will be determined in the sole discretion of the Compensation Committee at the time of grant, including vesting requirements and whether vested benefits may be settled in cash and/or shares of Common Stock.

Effect of Certain Corporate Transactions. If while unexercised or otherwise unvested Awards remain outstanding under the Stock Incentive Plan the Company is subject to a Change in Control (as such term is defined in the Stock Incentive Plan) or is liquidated, then, except as otherwise specifically provided to the contrary in any applicable agreement, (i) each such Option outstanding immediately prior to the effective time of such Change of Control or liquidation shall become immediately exercisable upon such effective time with respect to all of the Reserved Shares subject to such Option, whether or not the participant’s rights under such Option would otherwise have been so fully exercisable at such time, and (ii) each holder of shares of Restricted Stock, RSUs and/or SARs outstanding immediately prior to the effective time of such Change in Control or liquidation shall become fully vested upon such effective time with respect to such holder’s ownership of such shares or rights under such RSUs and/or SARs, whether or not such holder would otherwise have been so fully vested with respect to such shares or rights at such time.

Amendments to Stock Incentive Plan. The Board of Directors may amend or discontinue the Plan at any time and the Board of Directors or the Compensation Committee, as the case may be, may also amend or cancel any outstanding Award at any time for the purpose of satisfying any changes in law or for any other lawful purpose, except that no such amendment, discontinuation or cancellation of the Plan or of any Awards may adversely affect the rights of any holder of an outstanding Award without the holder’s consent. Any amendment to the Plan will require the approval of the Company’s stockholders if and to the extent required under the rules of any stock exchange

or market system on which the Common Stock is listed, or required to ensure that any outstanding ISOs granted under the Plan remain qualified under Section 422 of the Code, or to ensure that compensation earned under Awards qualifies as performance-based compensation under Section 162(m) of the Code, or required to ensure the availability to the Plan of the protections of Section 16(b) of the Exchange Act or as may otherwise be required for any other reason under applicable law.

The following description of the federal income tax consequences of Options, Restricted Stock, Restricted Stock Units and Stock Appreciation Rights is general and does not purport to be complete.

Tax Treatment of Options. A participant realizes no taxable income when an NSO is granted. Instead, the difference between the fair market value of the Common Stock subject to the NSO and the exercise price paid is taxed as ordinary compensation income when the NSO is exercised. The difference is measured and taxed as of the date of exercise, if the stock is not subject to a “substantial risk of forfeiture,” or as of the date or dates on which the risk terminates in other cases. A participant may elect to be taxed on the difference between the exercise price and the fair market value of the Common Stock on the date of exercise, even though some or all of the Common Stock acquired is subject to a substantial risk of forfeiture. Gain on the subsequent sale of the Common Stock is taxed as a capital gain. The Company receives no tax deduction on the grant of a NSO, but is entitled to a tax deduction when the participant recognizes taxable income on or after exercise of the NSO, in the same amount as the income recognized by the participant.

Generally, a participant incurs no federal income tax liability on either the grant or the exercise of an ISO, although a participant will generally have taxable income for alternative minimum tax purposes at the time of exercise equal to the excess of the fair market value of the stock subject to an ISO over the exercise price. Provided that the shares of Common Stock are held for at least one year after the date of exercise of the related ISO and at least two years after its date of grant, any gain realized on the subsequent sale of the stock will be taxed as long-term capital gain. If the stock is disposed of within a shorter period of time, the participant will be taxed as if the participant had then received ordinary compensation income in an amount equal to the difference between the fair market value of the stock on the date of exercise of the ISO and its fair market value on its date of grant. The Company receives no tax deduction on the grant or exercise of an ISO, but is entitled to a tax deduction if the participant recognizes taxable income on account of a premature disposition of ISO stock, in the same amount and at the same time as the participant’s recognition of income.

Tax Treatment of Restricted Stock. A person who receives a grant of Common Stock subject to restrictions generally will not recognize taxable income at the time the award is received, but will recognize ordinary compensation income when any restrictions constituting a substantial risk of forfeiture lapse. The amount of imputed income will be equal to the excess of the aggregate fair market value, as of the date the restrictions lapse, over the amount (if any) paid by the holder for the Restricted Stock. Alternatively, a recipient of Restricted Stock may elect to be taxed on the excess of the fair market value of the Restricted Stock at the time of grant over the amount (if any) paid for the Restricted Stock, notwithstanding the restrictions on the stock. Outright grants of Common Stock (i.e., grants without any restrictions) will result in ordinary compensation income to the participant. All such taxable amounts are deductible by the Company at the time and in the amount of the ordinary compensation income recognized by the participant.

Tax Treatment of Restricted Stock Units and Stock Appreciation Rights. A participant incurs no imputed income upon the grant of an RSU or SAR, but upon its exercise realizes ordinary compensation income in an amount equal to the cash and/or fair market value of the Common Stock (if the RSU or SAR is settled in whole or in part in shares of Common Stock) that the participant receives at that time. All such taxable amounts are deductible by the Company at the time and in the amount of the ordinary compensation income recognized by the participant. This description assumes that the terms of the RSU or SAR require that the participant exercise the RSU or SAR at the time it vests and that the participant’s receipt of payment cannot be deferred beyond the “short term deferral” period permissible under Section 409A of the Code and the final U.S. Treasury regulations thereunder.

Parachute Payments. Under certain circumstances, an accelerated vesting or granting of Awards in connection with a Change in Control of the Company may give rise to a “excess parachute payment” for purposes of the golden parachute tax provisions of Section 280G of the Code. To the extent it is so considered, a participant may be subject to a 20% nondeductible federal excise tax and the Company may be denied an income tax deduction.

Based upon the closing price of the Common Stock as reported on the Nasdaq Global Market on March 15, 2016, the current fair market value of the Common Stock is \$21.86 per share.

No Awards have been granted under the Stock Incentive Plan that are contingent upon stockholder approval of the Plan.

The summary above is qualified in its entirety by reference to the 2016 Stock Incentive Plan, a copy of which is attached as an annex to the electronic copy of this proxy statement filed with the Securities and Exchange Commission and may be accessed from the Securities and Exchange Commission’s website at www.sec.gov.

The committee will periodically review management's strategic planning initiatives and direction for the investment advisory services provided under the Enterprise Investment Advisors label and is also responsible for the oversight of the sale of non-deposit investment (i.e., brokerage) products through Enterprise Investment Services using an independent third-party broker.

Loan Committee. The Loan Committee reviews information and reports relating to the composition, status, delinquency and classification of consumer, construction and commercial loans within the Bank's loan portfolio as well as any non-performing and past due loans and/or OREO assets (i.e., foreclosed property held by the Bank). The committee also reviews certain larger construction lending projects and relationships and reviews stress testing to determine potential risk exposure(s) related to the commercial real estate portion of the loan portfolio. The overall mission of the committee is to monitor the trends in asset and credit quality of the Bank's loan portfolio as well as various other internal and external factors and controls that may impact loan quality, concentration risk and overall credit risk exposure. In addition to these duties, the committee is responsible for reviewing the results of third party loan review engagements, monitoring non-performing past due loans and the adequacy of the allowance for loan losses, including the methodology applied to calculate the level of the allowance for loan losses. The committee not only identifies and informs the Board of any unfavorable trends that it may detect in the Bank's loan portfolio, but also recommends actions that may be taken to mitigate portfolio risk reviewing and approving charge-offs. The committee regularly reviews and makes recommendations on the allowance for loan losses. The Loan Committee will assume the responsibility for approving large loans following the elimination of the Executive Committee.

The Strategic Planning Committee oversees strategic planning activities in the areas of: geographic branch expansion, opportunities to diversify revenue streams, the potential acquisition of expansion of business lines, and the critical analysis of existing business lines. Working with management, outside consultants and banking industry experts, the committee assesses market and industry conditions in an effort to identify future opportunities, risks, necessary evolution and changes for the Company and the Bank. DIRECTOR COMPENSATION

All members of the Board of Directors are Directors of the Company and of the Bank. In 2015, non-employee Directors were paid \$350 for attendance at each of the Board of Directors meetings and all other committee meetings, excluding Executive Committee meetings and Audit Committee meetings, for which they were paid \$450 per meeting, and the Board's annual strategic meeting, for which they were paid \$1,000. In addition to these per meeting fees, in 2015, non-employee Directors were also paid annual retainers for their membership on the Board of Directors and for their additional services in various Board-related and other corporate capacities as detailed in the following table:

	Annual Retainer
Board of Directors	\$18,001 (1)
Lead Director	\$4,000
Executive Committee members	\$2,400
Audit Committee Chairperson	\$7,500
Asset-Liability Committee Chairperson	\$6,000
Compensation Committee Chairperson	\$6,000
Corporate Governance/ Nominating Committee Chairperson	\$6,000
Corporate Governance/ Nominating Committee Vice-Chairperson	\$3,000 (2)
Banking Technology Steering Committee Chairperson	\$6,000
Enterprise Investment Advisors Committee Chairperson	\$6,000
Enterprise Investment Advisors Committee Vice-Chairperson	\$3,000
Loan Committee Chairperson	\$6,000
Loan Committee Vice-Chairperson	\$3,000
Marketing and Business Development Committee Chairperson	\$6,000
Strategic Planning Committee Chairperson	\$6,000
Secretary	\$500

Cash retainers for membership on the Board of Directors and on the Executive Committee were paid in equal monthly installments. All other cash retainers were paid in equal quarterly installments.

¹. This amount reflects the annual cash retainer and awards of 7,276 shares of restricted stock with a grant date value of \$9,001 per non-employee Director. The shares of restricted stock generally vest over a two-year period.

2. The Corporate Governance/Nominating Committee Vice-Chairperson role was established as of May 5, 2015.

Directors who are also full-time salaried officers of the Bank were not paid for attending Board of Directors or committee meetings in 2015 and did not receive retainers of any kind for their services in any capacity as Directors.

For the year 2015, non-employee Directors had the option to make an irrevocable election (by December 31, 2014) to receive shares of Common Stock in lieu of receiving all or a portion of cash fees. The number of shares issued to non-employee Directors pursuant to this election was based on the closing price of the Common Stock on the NASDAQ Global Market on January 2, 2015. For the year 2015, the Company issued a total of 10,657 shares

of Common Stock to twelve non-employee Directors at a per share issuance price of \$23.86. These shares were issued in January 2016. For the year 2016, non-employee Directors have the same option to receive shares of Common Stock in lieu of cash fees at a per share issuance price of \$22.04, which reflects the value of the Common Stock on January 4, 2016, based on the closing price of the Common Stock on the NASDAQ Global Market on that date.

The Company believes that giving non-employee Directors the option to receive stock in lieu of cash fees and granting to them restricted stock awards with vesting requirements further aligns such Directors' interests with those of the Company's stockholders.

The following table details the total compensation paid to each non-employee Director for the year ended December 31, 2015.

Name	Fees earned or paid in cash or stock (\$) (1)	Stock Awards (\$) (2) (3)	Total (\$)

Carol L. Reid	\$37,050	\$9,001	\$46,051
Michael A. Spinelli	\$18,550	\$9,001	\$27,551

All non-employee Directors, excluding Messrs. Grady, Lerner, Spinelli, Dr. Moloney and Ms. King, elected to receive all or a portion of their 2015 Directors fees in the form of shares of Common Stock, which were issued in (1) January 2016. The value of the restricted stock awards is based on the fair market value of the Common Stock on the date of grant, which was March 17, 2015. The fair market value was calculated as the closing price of the Common Stock on the NASDAQ Global Market on the date of grant, which was \$21.03 per share.

(2) None of the above listed non-employee Directors held any outstanding stock options as of December 31, 2015.

As of December 31, 2015, each of the above listed non-employee Directors, excluding Ms. King, Mr. Pedroso, Ms. Flynn and Mr. Harrington, had 650 shares of unvested restricted stock. As of December 31, 2015, Ms. King and (3) Mr. Pedroso had 428 shares of unvested restricted stock. COMPENSATION DISCUSSION AND ANALYSIS

Overview

This section details the Company's executive compensation philosophy and contains a discussion of each material element of the Company's executive officer compensation program as it relates to the following "named executive officers" (the "Named Executive Officers") whose compensation information is detailed below:

George L. Duncan Executive Chairman
 John P. Clancy, Jr. Chief Executive Officer
 Richard W. Main President
 James A. Marcotte Chief Financial Officer and Treasurer
 Stephen J. Irish Chief Operating Officer

Objectives and Design

The Company's core compensation philosophy provides that total annual compensation levels should: (1) reflect compensation levels of those found in other banking organizations of comparable asset size and performance; (2) reflect individual responsibilities, contribution, leadership, experience, skill set and performance; and (3) provide

incentive to achieve business and financial objectives within reasonable risk parameters. The Company believes that this compensation philosophy is necessary to attract, motivate and retain highly qualified executives, who are essential to achieving the financial goals set by the Board of Directors and enhancing long-term value for shareholders, while operating the Company in a safe and sound manner.

Consistent with this philosophy, the Compensation Committee regularly obtains information regarding compensation levels in the Company's industry through various sources, including compensation surveys conducted by banking industry associations and independent compensation consultants. The Compensation Committee also reviews the responsibilities and performance of the Company's executive officers. Elements of compensation are established with the goal of rewarding the executive officers for individual performance and organizational short- and long-term goals.

Under the Compensation Committee Charter, the Compensation Committee follows the process outlined under the "Role of the Compensation Committee" as described further under Compensation Committee Matters on page 30 below.

The Company at least annually assesses total compensation paid to its executive officers. As part of this process, the Compensation Committee assesses and evaluates the elements of total compensation listed below under 2015 Executive Compensation Program paid to executive officers as a group and individually.

Elements and Rationale

Executive compensation may include the following components in addition to an executive's base salary: incentive cash compensation, equity compensation, supplemental retirement benefit, supplemental life insurance benefit, income protection following a termination of employment under various circumstances, including following a change in control of the Company, and automobiles and club memberships for business development purposes. Each of these components is reviewed, both separately and from a total compensation perspective, and approved by the Compensation Committee and the independent members of the Board of Directors on at least an annual basis. The Company believes that by using a combination of these elements it is best able to find an effective balance in motivating each executive to achieve long-term and short-term goals without taking unnecessary or excessive risks that could threaten the Company's financial condition or prospects, thereby enhancing long-term shareholder value. In establishing the components of compensation for each individual executive officer, the Compensation Committee considers the performance and responsibilities of the individual, the executive's designation or role within the Company, the cost to the Company of the various components of compensation to be provided, and the support received from stockholders in 2014 on the "Say on Pay" advisory vote.

The Compensation Committee annually engages a compensation consulting firm to review the elements of the Company's executive compensation and to provide comparative market information on total compensation for the Compensation Committee's review. The Company engaged McLagan, an Aon Hewitt Company to conduct a comparative market review of the Company's executive annual total compensation programs for 2015 and 2016. The scope of this comparative market review included, in addition to survey data, the development of a peer group of publicly traded banks within the Northeast region of the United States, excluding New York City metro area, with similar asset size and performance results to the Company and with lending balances substantially consisting of commercial loans. At the time the peer group was selected, the Company was positioned at approximately 48% of the peer group in terms of total assets, with asset size ranging from \$1.2 billion to under \$4 billion. The information was not gathered to benchmark executive compensation to particular levels within the peer and survey group, rather, it was reviewed to assess the competitiveness of total executive compensation.

The Compensation Committee selected the following peer group:

Century Bancorp, Inc.	Bryn Mawr Bank Corp.
Washington Trust Bancorp, Inc.	Bar Harbor Bankshares
Financial Institutions, Inc.	SI Financial Group Inc.
Meridian Interstate Bancorp, Inc. (MHC)	Chemung Financial Corporation
Camden National Corporation	Hingham Institution for Savings
Metro Bancorp, Inc.	Westfield Financial, Inc.
First of Long Island Corp.	Lake Sunapee Bank Grp
First Connecticut Bancorp, Inc.	Citizens & Northern Corp.
Peapack-Gladstone Financial	BSB Bancorp Inc.
Merchants Bancshares, Inc.	Penns Woods Bancorp Inc.

2015 Executive Compensation Program

Base Salary

Based upon the comprehensive reviews and comparative assessments performed by McLagan, an Aon Hewitt Company, and various other factors, including a review of each executive's responsibilities, experience in his role, leadership, contributions, overall performance, and a review of the various components of compensation provided to the individual executive, for 2015, the Compensation Committee determined that the base salaries for Messrs. Duncan, Main, Clancy, Marcotte, and Irish would increase from 2014 levels, in part, to maintain alignment with the competitive range of base salaries for their positions found in the above peer group. The base salary increases for 2015 were as follows: Mr. Marcotte from \$205,632 to \$231,336, Mr. Irish from \$205,632 to \$231,336, Mr. Main from \$271,862 to \$300,000, and Mr. Duncan from \$367,500 to \$400,000. Mr. Clancy's base salary remained at its 2014 level of \$475,000.

For 2016, the Compensation Committee reviewed the various components of the compensation provided to each executive, assessed each executive's responsibilities, leadership, overall performance, and contributions, and reviewed the comparative assessment provided by McLagan, an Aon Hewitt Company. The Compensation Committee determined that the base salaries for Messrs. Duncan, Main, Clancy, Marcotte, and Irish would increase from 2015 levels, in part, to maintain alignment with the competitive range of base salaries for their positions found in the above peer group. The base salary increases for 2016 are as follows: Mr. Marcotte from \$231,336 to \$246,373, Mr. Irish from \$231,336 to \$246,373, Mr. Clancy from \$475,000 to \$489,250, Mr. Main from \$300,000 to \$309,000 and Mr. Duncan from \$400,000 to \$412,000.

Incentive Compensation (Cash)

The terms of incentive cash compensation for executive officers are established by the Compensation Committee, subject to approval by the independent members of the Board of Directors, on a year-to-year basis. Certain senior officers, including the Named Executive Officers, are eligible for incentive cash compensation through the Company's Variable Compensation Incentive Plan. Payments for executives under the Variable Compensation Incentive Plan for 2015 were determined by various weighted elements of the Company's short- and long-term performance, including net income, deposit growth, loan growth, loan quality, and non-interest revenue. Additionally,

to focus executives on managing salary and benefits expense, the Plan included a multiplier for executives that reduced or increased their overall payout based on performance compared to specific targets for this area. Additionally, for Mr. Marcotte and Mr. Irish, multipliers based on customer experience and employment engagement metrics were included to increase their overall payout based on performance compared to specific, stretch targets for these factors. Target incentive payout percentages for Messrs. Duncan and Main were 40% and for Mr. Clancy 45% of their annual regular earnings and the target payout percentages for Messrs. Marcotte and Irish were 32.5%. Performance factors and their relative weighting as well as the performance for each factor under the plan are shown in the table below.

Performance Factor	Weight	Threshold	Target						Stretch	Level for	Weighted Results
		0.5	0.75	1	1.25	1.5	1.75	2	2015

Overall Result Payable to Target: 1.1125

Salaries and benefits expense and customer experience and employee engagement metrics were in the targeted range and did not impact the overall results.

For 2015, Messrs. Duncan and Main received an actual payout of 44.5%, which resulted in the following cash payments: \$180,952 for Mr. Duncan and \$129,615 for Mr. Main. Mr. Clancy received an actual payout of 50.06%, which resulted in a cash payment of \$246,942. Mr. Marcotte and Mr. Irish received an actual payout of 36.16%, which resulted in a cash payment of \$84,357 to each of Mr. Marcotte and Mr. Irish.

On March 15, 2016, the Board approved the Company's 2016 Variable Compensation Incentive Plan. The 2016 plan applies to all of the Named Executive Officers. The Board approved specific performance factors, performance targets and percentage payout amounts for 2016 for each of the Named Executive Officers. The target payout percentage for Messrs. Duncan, Main, Clancy, Marcotte, and Irish remained unchanged from 2015 levels and were as follows: Mr. Clancy at 45%; Messrs. Duncan and Main at 40%; and Messrs. Marcotte and Irish at 32.5% of their annual regular earnings. As in 2015, payments for participants under the 2016 Variable Compensation Incentive Plan will be determined by various elements of Company performance and individual performance.

Long-Term Incentive (Equity) Compensation

The Company attempts to align the interests of its executives with the long-term interests of stockholders through the granting of equity-based compensation awards, which have been in the form of stock options and restricted stock, granted in all cases at current fair market value. The Company's current long-term equity program is intended to (1) enhance management's sense of ownership and commitment to the long-term success of the Company, (2) encourage and reward management performance that increases the long-term success and shareholder value of the Company, and (3) attract and retain the senior leadership and management talent the Company needs to be successful. At this time, the Compensation Committee anticipates that restricted stock as well as stock options will continue to serve as the primary vehicles to be used to achieve these objectives.

In connection with its compensation program, the Company evaluates the issuance of equity grants to employees on an annual basis. Equity grants to executive officers have been considered and granted at the same time that equity grants have been granted for employees during the first quarter of each year. The total number of options or restricted stock granted to all employees is determined after considering various factors including measures on shareholder dilution, such as overhang and run rate. The number of options or value of restricted stock awards granted to individual employees, including executives, is also based upon various factors, but is primarily based upon an employee's level of responsibility and individual performance and contribution, and, with respect to the Named

Executive Officers and other senior management, the desired mix of compensation. Stock options and

27

restricted stock grants for employees other than executive officers are recommended by the Chief Executive Officer and the total grant is subject to the approval of the Compensation Committee and Board of Directors. In addition to the recommendation of the Chief Executive Officer and Compensation Committee approval, stock options and restricted stock awards granted to executive officers must also be approved by independent members of the Board of Directors. In all cases, the exercise price of the stock option and the value of the restricted stock is established based on the market price of the Company's stock on the date of the grant.

On March 17, 2015, the Company granted to employees a total of 27,115 stock options at an exercise price of \$21.03 per share (the market price of the Company's Common Stock on the date of the grant) and 47,443 shares of restricted stock. For the Named Executive Officers and other specific senior employees, restricted stock grants will vest based on the Company reaching specific targets in earnings per share cumulative totals (as outlined on page 34.) Specific incremental targets were set to align executive management with shareholder interests by requiring earnings targets be met for awards to vest rather than incremental time based vesting. If such targets are not met by December 31, 2019 unvested shares will be forfeited. For all other employees restricted stock grants will vest 25% per year. Stock option grants to both Named Executive Officers and other employees will vest 50% at year two and 50% at year four. The equity grant vesting schedules are aligned with the Company's long-term performance goals.

The amounts granted to the Named Executive Officers in 2015 were as follows: 2,873 options and 6,588 shares of restricted stock to Mr. Duncan; 2,780 options and 6,377 shares of restricted stock to Mr. Clancy; 1,534 options and 3,516 shares of restricted stock to Mr. Main; 969 options and 2,223 shares of restricted stock to Mr. Marcotte; and 969 options and 2,223 shares of restricted stock to Mr. Irish. The number of options and shares of restricted stock granted to the Named Executive Officers for 2015 were considered to be within competitive ranges for executive management, and the Compensation Committee believes such equity grants meet the Company's objective of executive employee participation in the Company's equity compensation program aligning the executives' interests with those of the stockholders.

On March 15, 2016, the Company granted to employees a total of 30,613 nonqualified options, at an exercise price of \$21.86 per share (which reflected the market price of the Company's common stock on the date of the grant), and 52,524 shares of restricted stock. For the Named Executive Officers and certain other specific senior employees, restricted stock grants will vest based on the Company reaching specific targets in earnings per share cumulative totals. For all other employees restricted stock grants will vest 25% per year. Stock option grants to both Named Executive Officers and other employees will vest 50% at year two and 50% at year four. The equity grant vesting schedules are aligned with the Company's long term performance goals.

The amounts granted to the Named Executive Officers in 2016 were as follows: 3,095 options and 6,338 shares of restricted stock to Mr. Duncan; 2,997 options and 6,134 shares of restricted stock to Mr. Clancy; 1,651 options and 3,383 shares of restricted stock to Mr. Main; 1,045 options and 2,138 shares of restricted stock to Mr. Marcotte; and 1,045 options and 2,138 shares of restricted stock to Mr. Irish. The number of options and shares of restricted stock granted to the Named Executive Officers for 2016 were considered to be within competitive ranges for executive management, and the Compensation Committee believes such equity grants meet the Company's objective of executive employee participation in the Company's equity compensation program aligning the executives' interests with those of the stockholders.

Supplemental Retirement Benefit and Supplemental Life Insurance Benefit

The Compensation Committee believes that providing a supplemental retirement benefit, which is implemented through salary continuation agreements, and supplemental life insurance benefits serve as a long-term retention tool, as well as providing a reward component to the executive.

The Bank is party to salary continuation and supplemental life insurance agreements with each of Messrs. Duncan and Main. The terms of these salary continuation agreements, and the annual amounts payable to the executives

thereunder, are described further at page 40 below. The annual expense incurred by the Company in

28

maintaining this supplemental retirement benefit for each executive equals the annual increase of the present value of the accumulated benefit to be paid to the executive. This amount is included for each of the executives in the Summary Compensation Table at page 32 below under the heading “Change in Pension Value and Nonqualified Deferred Compensation Earnings.”

The supplemental life insurance benefits that are payable to Messrs. Duncan and Main are included in the amounts shown as payable in the event of death in the table at page 40 below and are specifically referenced in footnote 3 to the table.

In 2006 and 2015, the Company initiated a supplemental life insurance benefit plan for a number of its employees in management positions. Under these plans, the Company has provided supplemental life insurance benefits to the employees, subject to certain restrictions. Messrs. Clancy, Marcotte and Irish participate in both the 2006 and 2015 plans. The amounts of their supplemental life insurance benefits are included in the amounts shown as payable in the event of death in the table at page 40 below and are specifically referenced in footnote 3 to the table.

Income Protection and Non-Compete

In addition to the above noted elements of compensation, Messrs. Duncan, Main and Clancy have employment agreements with the Company, which include non-competition restrictions, and Mr. Irish and Mr. Marcotte have change in control/non-competition agreements with the Company. These agreements provide the executive with income protection in the event of a termination of his employment under certain circumstances, including following a change in control of the Company. The Compensation Committee believes these agreements are an important tool in retaining key executives while providing protection to the Company by restricting the executive’s ability to compete in the Company’s marketplace if he were to leave prior to any change in control. The terms of these agreements are described at pages 37-39 below and the amounts payable thereunder to the executives under various termination scenarios are included in the table at page 40 below. The Compensation Committee believes that the non-competition protection afforded by these agreements is critical in the Company’s competitive marketplace and that the payment amounts and related conditions thereto contained in the agreements are consistent with reasonable industry standards. The maximum amounts that may be paid to any executive under any of these agreements are limited by automatic “cutback” provisions that ensure payments will not exceed the limits specified under Section 280G of the Code.

Perquisites

In addition to their participation in the Company’s general employee benefit plans, as described in footnote 5 of the Summary Compensation Table at page 32 below, the Company provides company-owned vehicles for the use of Messrs. Duncan, Main and Clancy. The Company also pays dues related to club memberships for business development purposes for Messrs. Duncan, Main, and Clancy. The Compensation Committee believes that the cost of these additional perquisites is modest for the size of the Company and that providing them is consistent with maintaining a competitive total compensation and benefits package for senior management and for business development purposes.

Conclusion

In determining the Named Executive Officers’ total 2015 compensation (including base salary, incentive cash compensation, equity compensation, supplemental retirement benefits and other perquisites), the Compensation Committee considered the support received from the Company’s stockholders in 2014 on the “Say on Pay” advisory vote. Accordingly, the Compensation Committee did not change its approach in 2015 and applied rationale similar to that used in the prior year. The Compensation Committee will continue to consider the outcome of the Company’s “Say on Pay” vote when making future compensation decisions for the Named Executive Officers.

In 2015, the Compensation Committee continued to place greater emphasis on incentive cash compensation as an element of total compensation for particular Named Executive Officers to reward for performance objectives in alignment with shareholder interests. Additionally, base salary compensation increases were a focus, in part, to maintain alignment with the competitive range of base salaries for their positions and reward and retain Named Executive Officers for their contributions and performance. Equity compensation continues to be an important element of total compensation for the Named Executive Officers to enhance the executive's ownership interest in the Company and to further align management's interest with shareholder interest.

Each Named Executive Officer's total compensation in 2015 reflected the Compensation Committee's assessment of his responsibilities, performance and contributions as well as the comparative market data provided by McLagan, an Aon Hewitt Company. In referring to such comparative data, the Compensation Committee sought to confirm that its compensation decision for each individual executive was reasonable.

The Company believes that its 2015 executive compensation program successfully linked executive compensation to the Company's financial performance.

COMPENSATION COMMITTEE MATTERS

Role of the Compensation Committee

The Compensation Committee of the Board of Directors is comprised of five members, all of whom are currently deemed to be independent. In determining the independence of the members, the Board of Directors has used the definition of independence contained in Rule 5605(d)(2)(A) of the Marketplace Rules of the NASDAQ Stock Market and has applied this definition consistently to all members of the Compensation Committee. It is the responsibility of the Compensation Committee to review the performance of the Executive Chairman and recommend his compensation to the independent members of the Board of Directors for review and approval. The Executive Chairman and Compensation Committee review the performance of the Chief Executive Officer and President and recommend their compensation to the independent members of the Board of Directors for review and approval. The Company's Chief Executive Officer evaluates the performance of the remaining executive officers and recommends their compensation to the Compensation Committee. The Compensation Committee reviews the Chief Executive Officer's recommendations and submits its recommendation to the independent members of the Board of Directors for approval. During 2015, the independent members of the Board of Directors approved all recommendations presented by the Compensation Committee.

The Compensation Committee has the authority to retain or obtain advice from independent advisors, such as outside legal counsel and consulting firms, as it deems necessary to perform its role. After taking into consideration the factors set forth in NASDAQ Marketplace Rule 5605(d)(3)(D), the Compensation Committee obtained the services of McLagan, an Aon Hewitt Company in 2015 and 2016 to provide market assessment information to the Compensation Committee, which is discussed in further detail in the Company's Compensation Discussion and Analysis at pages 24-30 above. McLagan was paid \$33,565 for these services in 2015. The Compensation Committee confirmed that McLagan did not have any potential or actual conflicts of interest with the Board of Directors or the Company.

The Compensation Committee operates under a written charter, a copy of which can be found on the Company's website (www.enterprisebanking.com). The Compensation Committee annually reviews its charter and recommends any changes to the full board of directors. The charter requires the Compensation Committee to meet at least four times every year. In 2015, the Compensation Committee met six times.

(1) The 2015 salary includes 27 pay periods versus 26 pay periods in both years 2014 and 2013.

(2) The value of the stock awards is based on the fair market value of the Common Stock on the date of grant. The fair market value was calculated as the closing price of the Common Stock on the NASDAQ Global Market on the date of grant, March 17, 2015, which equals \$21.03 per share.

(3) The value of the option awards is based on the fair market value of the awards as calculated using the Black-Scholes option valuation model. For assumptions used in calculating the value of option awards and the accounting treatment of the awards, refer to footnote 11 at page 116 of the Company's Annual Report on Form 10-K, which is incorporated herein by reference. For information on vesting, refer to the table "Outstanding Equity Awards at Fiscal Year-End" and the associated footnote 1 at page 36 below.

(4) For each of Messrs. Duncan and Main this amount is equal to the increase in 2015, 2014 and 2013 of the present value of the accumulated benefit attributable to the executive's supplemental retirement plan, excluding the impact of the decrease in the liability from the change in discount rate in 2013 and 2015. The amounts shown in 2015, 2014 and 2013 take into account payments received by Mr. Duncan and Mr. Main through his supplemental retirement plan in each of those years. In 2015, the discount rate used to determine the present value of the accumulated benefit was updated to 4.75% from 4.50% resulting in the value to the employee decreasing \$23,592 and \$18,414 for Messrs. Duncan and Main, respectively. In 2014, the discount rate used to determine the present value of the accumulated benefit was updated to 4.50% from 5.00% resulting in the value to the employee

increasing \$52,179 and \$40,010 for Messrs. Duncan and Main, respectively. In 2013, the discount rate used to determine the present value of the accumulated benefit was updated to 5.00% from 4.25% resulting in the value to the employee decreasing \$66,886 and \$88,375 for Messrs. Duncan and Main, respectively. There were no changes to the terms or amounts of the benefit paid to the employees based on the discount rate change.

- (5) For each of the Named Executive Officers, these amounts include \$1,875 in annual contributions by the Bank for the Bank's Profit Sharing Plan in 2013, and the following:

OPTION EXERCISES AND STOCK VESTED

The following table sets forth information concerning the exercise of stock options and the vesting of restricted stock awards for each of the Named Executive Officers during the year ended December 31, 2015:

Name	Option Awards	Value Realized Upon Exercise (\$) (1)	Stock Awards	Value Realized on Vesting (\$ (2)
	Number of Shares Acquired on Exercise (#)		Number of Shares Acquired on Vesting (#)	
George L. Duncan	—	\$—	6,665	\$141,982
John P. Clancy, Jr.	—	\$—	8,411	\$178,737

Stephen J. Irish	—	\$—	3,285	\$69,669
James A. Marcotte	3,500	\$29,068	3,285	\$69,669

The value realized upon exercise is based upon the difference between the value of the Common Stock on the (1) option exercise date and the per share exercise price of the options. The value on the exercise date was based on the closing market price of the Common Stock on the NASDAQ Global Market on the exercise date.

The value realized on vesting calculation is based upon the value of the Common Stock on the vesting date of the (2) restricted stock. The value on the vesting date was based on the closing market price of the Common Stock on the NASDAQ Global Market on the vesting date.

For options granted in 2011 and 2012 (those expiring in 2018 and 2019), one-fourth of the total number of the options become exercisable on an annual basis on the anniversary date of the original grant date. For options (1) granted after 2012, one-half of the total number of options become exercisable on each of the second and fourth anniversary date of the original grant date. The four most recent option grants were granted on March 20, 2012, March 19, 2013, March 18, 2014, and March 17, 2015.

Restricted stock awards granted in 2011 and 2012 vest over a four-year period, with 25% of the shares vesting on or about the first anniversary of the date of the award and an additional 25% vesting on or about each of the next three subsequent anniversary dates of the date of the award. The restricted shares awarded on March 19, 2013 vest based on attainment of diluted earnings per share cumulative totals. Vesting occurs, in 25% increments, when cumulative diluted earnings per share from January 1, 2013 forward reach \$1.34, \$2.80, \$4.45 and \$6.15. The restricted shares awarded on March 18, 2014 vest based on attainment of diluted earnings per share cumulative totals. Vesting occurs, in 25% increments, when cumulative diluted earnings per share from January 1, 2014 forward reach \$1.40, \$2.87, \$4.47 and \$6.15. The restricted shares awarded on March 17, 2015 vest based on attainment of diluted earnings per share cumulative totals. Vesting occurs, in 25% increments, when cumulative diluted earnings per share from January 1, 2015 forward reach \$1.48, \$2.96, \$4.44 and \$5.92.

The market value of the shares subject to restricted stock awards that have not vested is based upon the value of the Common Stock on December 31, 2015, the last business day of the Company's last completed fiscal year. The closing market price of the stock on the NASDAQ Global Market on December 31, 2015 was \$22.85.

AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

The Company and the Bank are parties to employment agreements with Messrs. Duncan, Main and Clancy and change in control/noncompetition agreements with Messrs. Irish and Marcotte. The Bank is also a party to salary continuation agreements with Messrs. Duncan and Main and supplemental life insurance agreements with Messrs. Duncan, Main, Clancy, Irish and Marcotte.

Each of the employment agreements with Messrs. Duncan, Main and Clancy is for a fixed term of three years, subject to an automatic "rolling" renewal each year, unless either the Company or the executive provides a notice of non-renewal, in which case the agreement will expire at the end of the then-current term. Each of Messrs. Duncan, Main and Clancy is guaranteed a minimum base salary under the terms of his employment agreement: \$400,000 for Mr. Duncan; \$300,000 for Mr. Main; and \$475,000 for Mr. Clancy. At least annually, these amounts are reviewed for increases by the Board. Additionally, Messrs. Duncan, Main, and Clancy are guaranteed minimum target total direct compensation, including base salary, target incentive bonus opportunity, and equity grant value: \$720,000 for Mr. Duncan, \$505,000 for Mr. Main, and \$845,000 for Mr. Clancy. Actual total direct compensation will vary based on the Bank's performance.

The amount of severance payments and benefits, if any, which may be due to any of the Named Executive Officers under any of the agreements referenced above following any form of termination of the executive is summarized generally below and is further quantified in the table at page 40 of this Proxy Statement.

Under the employment agreements with Messrs. Duncan Main and Clancy, if the executive dies or for Messrs. Duncan and Main is terminated at any time as a result of his long term disability (as defined in the agreement), the executive or his beneficiary will be paid a lump sum equal to his highest annual compensation (as defined in the agreement to include the sum of the executive's highest annual base salary and highest annual cash bonus paid at any time prior to the date of termination since January 1, 2004). Upon termination for disability, Messrs. Duncan, Main, and Clancy and his spouse and any other eligible dependents will continue to receive health and welfare benefits at no cost, subject to limitations described in the agreement for a period of 18 months or upon the executive's death, his spouse and any other eligible dependents will continue to receive health and welfare benefits at no cost, subject to limitations described in the agreement; provided, however, that if the executive dies or is terminated as a result of a long-term disability either within three years before or two years after the occurrence of a change in control of the Company (as defined in the agreement), then, in addition to such continuing health and welfare benefits, the executive or executive's beneficiary will be paid a lump sum

equal to three times the executive's previous highest annual compensation (as defined in the agreement) (such lump sum payment being referred to herein as the "Lump Sum Payment"), subject to reduction for any prior lump sum payment that may have been paid following the termination for death or long-term disability of the executive.

In addition to the foregoing death benefits payable to Messrs. Duncan, Main and Clancy under their employment agreements, the beneficiaries of each of the Named Executive Officers will also be paid the death benefits provided under the executive's supplemental life insurance agreement, the amounts of which are included in footnote 3 to the table at page 40 below.

Under the employment agreements with Messrs. Duncan, Main and Clancy, if the executive chooses to terminate his employment at any time without good reason, including on or after a specified retirement age (62 for Mr. Clancy and Mr. Main has met the specified age of 63), he will be entitled to receive any bonus actually awarded or earned for a prior or current year, but not yet paid as of date of termination and continuing health and welfare benefits for 18 months on the same terms as were available to him as an employee, subject to limitations as described in the agreement, unless the executive chooses to terminate his employment without good reason either within three years before or one year after the occurrence of a change in control, in which case the executive will be paid the Lump Sum Payment.

In addition to the rights provided to Messrs. Duncan and Main under their employment agreements, the salary continuation agreements referenced above also provide additional annual compensation benefits payable to Messrs. Duncan and Main, subject to acceleration upon a change in control (as defined in the agreement), and became payable to the executive for a 20-year period upon his reaching a specified age (68 for Mr. Duncan, which he reached on June 8, 2008, and 63 for Mr. Main, which he reached on April 3, 2010), whether or not the executive retired or remained employed with the Company. The annual amounts payable to each of Messrs. Duncan and Main under their salary continuation agreements are \$149,500 and \$95,300, respectively.

Under the employment agreements with Messrs. Duncan, Main and Clancy, if the Company (including any successor) terminates the executive at any time for cause, whether before or after the occurrence of a change in control, the executive will be entitled to receive any accrued but unpaid compensation and benefits and will not be entitled to receive any severance payments or benefits. However, if the Company (including any successor) terminates the executive at any time without cause, whether before or after the occurrence of a change in control, then the executive will be paid the Lump Sum Payment, be reimbursed for professional outplacement service, and will be entitled to receive continuing health benefits for 18 months at no cost to the executive, subject to limitations as described in the agreement.

Under the employment agreements with Messrs. Duncan, Main and Clancy, if the executive chooses to terminate his employment at any time for good reason (as defined in the agreement to include, among several other reasons, a 10% reduction in the executive's base salary, annual target incentive, or annual equity grant value or material diminution in his authority, duties or responsibilities), whether before or after the occurrence of a change in control, then the executive will be paid the Lump Sum Payment, be reimbursed for professional outplacement service, and will be entitled to receive continuing health benefits for 18 months at no cost to the executive, subject to limitations as described in the agreement.

Each of the employment agreements with Messrs. Duncan, Main and Clancy also provides that the parties may agree to a flexible work arrangement for the remaining term of the agreement. Under the terms of such arrangement, if executive reduces his work schedule below 80% of full-time status, the parties may agree to modify the executive's position, time and effort, and compensation and the Bank will continue to provide the executive with full benefits, subject to the limitations described in the agreement or equivalent cash compensation taking into account state and federal income taxes.

Under each of the employment agreements with Messrs. Duncan, Main and Clancy, the executive is subject to confidentiality, non-compete and non-solicitation restrictions for up to one year after the termination of his employment for any reason if the termination occurs before a change in control. The non-compete restrictions

38

do not apply following any termination of the executive's employment that occurs after a change in control, and any non-compete restrictions that may be in effect at the time of a change in control automatically expire upon such change in control. If the executive breaches any applicable confidentiality, non-compete or non-solicitation covenants, then the Company may enforce a right to recoup prior severance payments made to the executive.

Under the terms of the change in control/noncompetition agreement with Messrs. Irish and Marcotte, the executive will be paid a lump sum equal to 1.5 times his previous highest annual compensation (as defined in the agreement to include the sum of the executive's highest annual base salary and highest annual cash bonus paid within the most recent three years prior to the date of termination), together with certain other specified payments and benefits, including continuation of health and welfare benefits for 18 months on the same terms as were available to the executive as of the date of termination or, if more favorable, as of the date of the change in control, if the executive's employment is terminated for any reason, whether at the initiative of the Company or of the executive and whether or not for cause, within two years after the date of a change in control of the Company. If Mr. Irish's or Mr. Marcotte's employment is terminated for any reason within one year prior to the occurrence of a change in control, other than for cause, then he is entitled to receive all of the payments and benefits that he would have been entitled to receive if such termination had occurred within two years after the date of such change in control.

Messrs. Irish and Marcotte are also subject to confidentiality, non-compete and non-solicitation restrictions for one year following a termination of employment for any reason prior to a change in control (and assuming a change in control does not occur within this one-year period). If Mr. Irish's or Mr. Marcotte's termination in the absence of any change in control is initiated by the Company for any reason other than for cause, then he will be paid a lump sum equal to 75% of the sum of his then-current annual base salary and the amount of any annual incentive or other bonus paid to him with respect to the most recently completed fiscal year prior to the date of termination, subject to recoupment by the Company if he breaches any of the applicable confidentiality, non-compete and non-solicitation covenants.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

The following table summarizes the estimated payments and benefits to be provided to the Named Executive Officers, as of December 31, 2015, under the various termination scenarios referenced in the table for each of the Named Executive Officers. The estimates shown below factor in base salary and incentive compensation payments, the value realized from accelerated vesting of stock options and restricted stock, the value realized from accelerated vesting of supplemental retirement benefits and other benefits and payments to be paid to the Named Executive Officers under the terms of any agreement or plan that is not generally available to all employees. The following calculations were made without giving consideration to any possible "cutback" or other reduction of payments or benefits that could be required under an executive's employment or other contract:

Name	Change in Control (1)	Voluntary Termination (Includes Early Retirement) (2)	Involuntary Cause Termination by Company or, if Applicable, Good Reason Termination by Employee	Not for Cause Termination	Normal Retirement (2)	Death (2)(3)	Disability
George L. Duncan (4)	\$2,243,655	\$197,997	\$1,757,740	\$180,952	\$197,997	\$2,684,049	\$1,040,853
John P. Clancy, Jr.	\$2,802,064	\$277,760	\$2,194,486	\$246,943	\$277,760	\$1,728,218	\$722,627
Richard W. Main (4)	\$1,580,641	\$146,660	\$1,303,729	\$129,615	\$146,660	\$1,604,864	\$686,242
Stephen J. Irish	\$755,796	\$—	\$236,770	\$—	\$—	\$519,249	\$240,560
James A. Marcotte	\$761,276	\$—	\$236,770	\$—	\$—	\$509,183	\$240,560

With respect to each of Messrs. Duncan, Clancy, Main, Irish and Marcotte the amount shown includes the amount payable, including the estimated expense of continuing benefits, under various termination scenarios either (1) preceding or following a change in control under the executive's employment agreement or, in the case of Messrs.

Irish and Marcotte, their change in control/noncompetition agreement, which are described in further detail under the heading "Agreements With Named Executive Officers" at pages 37-39 above.

The amounts shown also include the present value attributable to accelerated vesting of death benefit payable under the Bank's executive supplemental life insurance plan, which is \$65,372 for Mr. Clancy, \$58,143 for Mr. Irish and \$61,423 for Mr. Marcotte, and the value attributable to the accelerated vesting of outstanding stock options and unvested restricted stock, which is \$483,754 for Mr. Duncan, \$505,775 for Mr. Clancy, \$274,751 for Mr. Main, \$168,029 for Mr. Irish and \$168,029 for Mr. Marcotte. The value of any outstanding stock options and unvested restricted stock is based upon the value of the Common Stock on December 31, 2015, which equals \$22.85 per share, the closing market price of the stock on the NASDAQ Global Market on that date.

With respect to each of Messrs. Duncan, Clancy, Main, Irish and Marcotte assumes that termination has not (2) occurred within the time periods before or after a change in control specified in his employment agreement or change in control/noncompetition agreement as applicable.

Includes amounts payable under supplemental life insurance benefits, which equal the following amounts for each (3) of the executives: \$1,556,056 for Mr. Duncan; \$289,726 for Mr. Clancy; \$791,496 for Mr. Main; \$278,689 for Mr. Irish; and \$268,623 for Mr. Marcotte.

In addition to the amounts payable to Messrs. Duncan and Main under the various scenarios shown in the table above, each of the executives has a fully vested right to receive annual amounts payable over a 20 year period under the executive's salary continuation agreement. These annual amounts, payable in monthly installments, are (4) paid to the executive regardless of his employment status, unless the executive is terminated for cause, in which case he would forfeit his right to receive any further payments following the date of termination. In 2015, both Messrs. Duncan and Main were eligible to receive payments under their salary continuation agreements, and each received the full annual amount to which he is entitled, detailed in the table below.

PENSION BENEFITS

The following table sets forth additional information concerning the supplemental retirement benefits as of December 31, 2015:

Name	Plan Name	Number of Years of Credited Service (#)	Present Value of Accumulated Benefit (\$)(1)	Payments During Last Fiscal Year (\$)
George L. Duncan	Supplemental Employee Retirement Plan	27	\$1,388,609	\$149,500
Richard W. Main	Supplemental Employee Retirement Plan	27	\$977,934	\$95,300

The present value of accumulated benefit was valued at the established present value of the payments to be (1) received by the executives upon reaching the specified ages noted above at a discount rate of 4.75%. The annual benefit will be payable in twelve monthly installments.

DIRECTOR NOMINATIONS AND STOCKHOLDER COMMUNICATIONS

Proposed director nominees are recommended to the Board of Directors for its approval by the Company's Corporate Governance/Nominating Committee ("CGNC"). The CGNC is comprised of five independent Directors. In determining the independence of the CGNC members, the Board of Directors has used the definition of independence contained in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market and has applied this definition consistently to all members of the CGNC.

A copy of the CGNC's Charter and the Company's Corporate Governance Guidelines can be found on the Company's website (www.enterprisebanking.com/investor-relations.html). The Charter and Guidelines outline director qualifications, appointment to and removal from the Board of Directors and its various committees, structure and operations of the Board of Directors and its various committees and the CGNC's reporting function to the Board of Directors.

In evaluating candidates, the CGNC considers independence, experience relevant to the needs of the Company, leadership qualities and the ability to represent the broad interests of stockholders. In selecting new Directors, consideration is given to both the personal qualities and abilities of individual candidates and the existing collective skills and aptitudes of the Board of Directors as a whole.

Although it does not have a formal diversity policy, in addition to the criteria described above, the Board and the CGNC also consider professional, personal and geographic diversity in their review of candidates. Overall, candidates are selected based on a review of qualifications that are considered in the best interest of the stockholders.

Nominees for election to the Board of Directors may be identified and submitted to the CGNC for its consideration by Directors, stockholders and/or management. The CGNC may also retain a professional search firm to assist with the identification of qualified candidates.

The Chairman of the CGNC and the Chairman of the Board of Directors shall extend an invitation to join the Board of Directors, subject to election by the Company's stockholders, to those nominees who are recommended by the CGNC and approved by the Board of Directors. The Board of Directors also retains the right, as outlined in the Company's By-Laws, to appoint Directors as needed throughout the year.

Directors are required to attend the Company's annual meeting. Absences will be allowed for serious personal or business obligations that cannot be rescheduled. All of the Company's Directors, with the exception of Mr. Grady attended the 2015 annual meeting. Mr. Grady had a previously scheduled business matter that caused him not to attend.

Stockholders may submit nominations for candidates for election to the Board of Directors in accordance with the applicable requirements contained in the Company's By-Laws to the attention of the Company's Secretary at the Company's principal office located at 222 Merrimack Street, Lowell, Massachusetts 01852. Stockholders may also communicate directly with members of the Board of Directors by sending such communications to a specified director or group of Directors or to the Board of Directors in its entirety, addressed c/o the Secretary of the Company at the Company's principal office at the foregoing address.

In determining the independence of the Audit Committee members, the Board of Directors has used, as required for a company with shares listed on the NASDAQ Global Market, the definition of independence contained in Section 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market as well as the additional independence requirements contained in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended, and Rule 10A-3(b)(1) of the Commission, and has applied such definition and additional criteria consistently to all members of the Audit Committee.

Management is responsible for the Company's internal controls, the financial reporting process and compliance by the Company with legal and regulatory requirements. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for auditing whether the Company maintained, in all material respects, effective internal controls over financial reporting and for issuing reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee's responsibilities also include resolving any disagreements that may arise between management and the Company's independent registered public accounting firm. auditing matters and the confidential, anonymous submission by employees of the Company of any concerns that may arise regarding questionable accounting or auditing matters.

The Audit Committee has met and held discussions with management and the Company's independent registered public accounting firm. Management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the Company's independent registered public accounting firm. The Audit Committee has discussed with the Company's independent registered public accounting firm the matters required to be discussed under the professional standards of the AICPA and Public Company Accounting Oversight Board.

Based upon the Audit Committee's discussions with management and the Company's independent registered public accounting firm, and the Audit Committee's review of the representation of management and the reports of the Company's independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 as filed with the SEC.

The Committee and the Board of Directors have also recommended, subject to shareholder ratification, the selection of RSM LLP, as the Company's independent registered public accounting firm for the year ending December 31, 2016. - (vi) to waive the forfeiture of, or extend the date upon which a forfeiture would be effective with respect to, all or any portion of any Award;
- (vii) subject to the provisions of Section 5(c), to extend at any time the period in which Stock Options may be exercised; and
- (viii) at any time to adopt, alter or repeal such rules, guidelines and practices for administration of the Plan and for its own acts and proceedings as it shall deem advisable; to interpret the terms and provisions of the Plan and any Award (including related written instruments); to make all determinations it deems advisable for the administration of the Plan; to decide all disputes arising in connection with the Plan; and to otherwise supervise the administration of the Plan.

Notwithstanding any other provision contained in the Plan to the contrary, the terms and conditions of each and every Award granted to the Company's chairman, president, and chief executive officer, to all other executive officers of the Company or any Subsidiary, which shall include all officers who are subject to the provisions of Section 16 of the Exchange Act and any other additional officers as may be determined by the Board, and to any director of the Company, shall be approved by the Board. All decisions and interpretations of the Administrator shall be binding on all persons, including the Company and Plan grantees.

- (c) Delegation of Authority to Grant Awards. Subject to applicable law, the Administrator, in its discretion, may delegate to the chief executive officer of the Company all or part of the Administrator's authority and duties with respect to the granting of Awards to persons other than the chairman, the president, and the chief executive officer of the Company, any other executive officer of the Company or any Subsidiary (as determined pursuant to the penultimate sentence of Section 2(b) above), and any director of the Company. Any such delegation by the Administrator shall include a limitation as to the amount or value of Awards that may be granted during the period of the delegation and shall contain guidelines as to the determination of any applicable exercise price and the vesting criteria. The Administrator may revoke or amend the terms of a delegation at any time, but such action shall not invalidate any prior actions of the Administrator's delegate or delegates that were consistent with the terms of the Plan.
- (d) Award Agreement. Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award, which may include, without limitation, the term of an Award, the provisions applicable in the event employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.
- (e) Indemnification. Neither the Board nor the Administrator, nor any member of either or any delegate thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan, and the members of the Board and the Administrator (and any delegate thereof) shall be entitled in all cases to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, reasonable attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under the Company's articles of organization or bylaws, each as amended, or any directors' and officers' liability insurance coverage which may be in effect from time to time and/or any indemnification agreement between such individual and the Company.
- (f) Binding Effect. Unless otherwise expressly provided herein or prohibited by law, all determinations and decisions made by the Administrator pursuant to the provisions of the Plan shall be final, binding and conclusive on all parties.

SECTION 3. STOCK ISSUABLE UNDER THE PLAN; MERGERS; SUBSTITUTION

(a) **Stock Issuable.** The maximum number of shares of Stock reserved and available for issuance under the Plan, subject to adjustment as provided in Section 3(d), shall be 350,000 shares. For purposes of this limitation, the shares of Stock underlying any Awards that are forfeited, canceled, held back upon exercise of an Option or settlement of an Award to cover the exercise price or tax withholding, reacquired by the Company prior to vesting, satisfied without the issuance of Stock or otherwise terminated (other than by exercise) shall be added back to the shares of Stock available for issuance under the Plan. The shares available for issuance under the Plan may be authorized but unissued shares of Stock or shares of Stock reacquired by the Company.

(b) **Limitations on Size of Grants.** The total number of shares of Stock with respect to which Options and Restricted Stock Awards and any RSUs and/or SARs that may by their terms be settled in whole or in part in shares of Stock may be granted under the Plan to any single person, whether an employee of the Company or otherwise, shall not exceed in the aggregate 120,000 (subject to adjustment pursuant to Section 3(d) below).

(c) **Changes in Capital Stock.** If, as a result of any reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in the Company's capital stock, the outstanding shares of Stock are increased or decreased or are exchanged for a different number or kind of shares or other securities of the Company, or additional shares or new or different shares or other securities of the Company are distributed with respect to such shares of Stock, the Administrator shall make an appropriate or proportionate adjustment in (i) the maximum number of shares reserved for issuance under the Plan, including the limitation set forth in Section 3(b) above), (ii) the number and kind of shares or other securities subject to any then outstanding Awards under the Plan, (iii) the repurchase price, if any, per share subject to each outstanding Restricted Stock Award, and (iv) the exercise price for each share subject to any then outstanding Stock Options under the Plan, without changing the aggregate exercise price (i.e., the exercise price multiplied by the number of shares subject to such outstanding Stock Options) as to which such Stock Options remain exercisable; provided, however, that no adjustment shall be made hereunder with respect to any Incentive Stock Option that would constitute a modification as defined under Section 424 of the Code. Any adjustment by the Administrator hereunder shall be final, binding and conclusive. No fractional shares of Stock shall be issued under the Plan resulting from any such adjustment, but the Administrator in its discretion may make a cash payment in lieu of fractional shares. No adjustment shall be made under the foregoing sentence in connection with any sale of shares of Stock at their full fair market value, paid in cash or in property, as determined by the Administrator. If the Administrator determines that events not specified above in this Section affect the Common Stock in a manner comparable to one or more of such events, the Administrator may, in its discretion, may make adjustments to any or all of the items specified in clauses (i)-(iv) above; provided, however, no adjustment shall be made if the increase or decrease in the number of issued shares of Stock does not amount to at least 5% of the number of such shares outstanding at any time during the calendar year under consideration. No adjustment under this paragraph may be made if it would result in an Award becoming subject to Section 409A or ceasing to be an Incentive Stock Option.

(d) **Change in Control or Liquidation.** Except as the Administrator may otherwise specify with respect to particular Awards in the relevant Award documentation, in the case of and subject to the consummation of a Change in Control or a liquidation of the Company, all Options that are not exercisable immediately prior to the effective time of the Change in Control or liquidation shall become fully exercisable as of such effective time and all Restricted Stock Awards, RSUs and SARs shall become fully vested and nonforfeitable as of such effective time. Upon the effective time of a Change in Control or liquidation of the Company, the Plan and all outstanding Options granted hereunder shall terminate, to the extent that, in the case of a Change in Control, provision is made in connection with the Change in Control in the sole discretion of the parties thereto for the assumption or continuation of Options theretofore granted by the successor entity, or the substitution of such Options with new stock options of the successor entity or parent thereof, with appropriate adjustment as to the number and kind of shares and, if appropriate, the per share exercise prices, as such parties shall agree (after taking into account any acceleration hereunder). In the event of such prospective termination of outstanding Options, the Company shall have the option in its sole discretion to either (i) make or provide for a cash payment to the holders of such Options, in exchange for the cancellation thereof, in an amount equal to the difference between (A) the value on a per share basis as determined by the Administrator of the consideration payable or otherwise to be received by the Company's shareholders in such Change in Control

or liquidation multiplied by the number of shares of Stock subject to such Options (to the extent then exercisable (after taking into account any acceleration hereunder) at prices not in excess of such value) and (B) the aggregate exercise price of all such Options or (ii) permit the holders of such Options, within a specified period of time prior to the consummation of the Change in Control or liquidation as determined by the Administrator, to exercise the Options.

(e) **Substitute Awards.** The Administrator may grant Awards under the Plan in substitution for stock and stock based awards held by employees, directors or other key persons of another corporation in connection with the merger or consolidation of the employing corporation with the Company or a Subsidiary or the acquisition by the Company or a Subsidiary of property or stock of the employing corporation. The Administrator may direct that the substitute Awards be granted on such terms and conditions as the Administrator considers appropriate in the circumstances. Any substitute Awards granted under the Plan shall not count against the share limitation set forth in Sections 3(a) and 3(b). In any individual event, the number of incentive stock options granted will be limited so that it does not exceed the total number of shares available for grant at that time.

(f) **Interpretation.** Except as expressly provided to the contrary in this Section 3, the issuance by the Company of shares of capital stock of any class for cash or property or for services, either upon direct sale or upon the exercise of rights or warrants, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect the number, class or price of shares of Stock then subject to outstanding Options or Restricted Stock Awards.

SECTION 4. ELIGIBILITY

The persons who shall be eligible to receive an Award under the Plan shall be those employees, directors, consultants, contractors, advisers, agents and other persons who perform services for the Company or for a Subsidiary of the Company, as well as other key persons (including prospective service providers),. Notwithstanding the foregoing, only employees of the Company or its Subsidiaries may receive Incentive Stock Options.

SECTION 5. STOCK OPTIONS

(a) **Stock Option Grants.** Any Stock Option granted under the Plan shall be in such form as the Administrator may from time to time approve. Stock Options granted under the Plan may be either Incentive Stock Options or Non-Qualified Stock Options. Incentive Stock Options may be granted only to employees of the Company or any Subsidiary. To the extent that any Option does not qualify as an Incentive Stock Option, it shall be deemed a Non-Qualified Stock Option. Stock Options granted pursuant to this Section 5(a) shall be subject to the following terms and conditions contained in this Section 5 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable.

(b) **Exercise Price.** The exercise price per share for the Stock covered by a Stock Option granted pursuant to Section 5(a) shall be determined by the Administrator at the time of grant, but shall not be less than 100 percent of the Fair Market Value on the date of grant. In the case of an Incentive Stock Option that is granted to a Ten Percent Owner, the option price of such Incentive Stock Option shall be not less than 110 percent of the Fair Market Value on the grant date.

(c) **Option Term.** The term of each Stock Option shall be fixed by the Administrator, but no Stock Option shall be exercisable more than ten years after the date the Stock Option is granted. In the case of an Incentive Stock Option that is granted to a Ten Percent Owner, the term of such Stock Option shall be no more than five years from the date of grant.

(d) **Exercisability; Rights of a Stockholder.** Stock Options shall become exercisable at such time or times, whether or not in installments, as shall be determined by the Administrator at the time of grant and set forth in the applicable Option Award Agreement. The Administrator may accelerate the exercisability of all or any portion of any Stock Option. A grantee of a Stock Option shall have the rights of a stockholder only as to shares acquired upon the exercise of the Stock Option and not as to any unexercised portion of the Stock Option.

Unless otherwise specified in the agreement, if the relationship between the Company and the Optionee terminates by reason of the Optionee's permanent and total disability (as determined by the Compensation Committee or the full Board of Directors, as the case may be, on the basis of medical advice satisfactory to it) or death, the

vested Option must be exercised within twelve months of the Optionee's death or disability, or by the normal expiration date of the Option, whichever is earlier. All Options that are unvested as of the date of termination will be forfeited as of the termination date.

(e) Method of Exercise. Stock Options may be exercised in whole or in part by giving written or electronic notice of exercise to the Company or to such third-party service provider as may be designated by the Company for such purpose, specifying the number of shares to be purchased and the method of payment of the purchase price and any applicable taxes. Payment of the purchase price and applicable taxes may be made by one or more of the following methods to the extent provided in the Option Award Agreement:

(i) In cash, by certified or bank check or other instrument acceptable to the Administrator;

(ii) Through the delivery (or attestation to the ownership) of shares of Stock that have been purchased by the optionee on the open market or that are beneficially owned by the optionee and are not then subject to restrictions under any Company plan. Such surrendered shares shall be valued at Fair Market Value on the exercise date. To the extent required to avoid variable accounting treatment under FAS 123R or other applicable accounting rules, such surrendered shares shall have been owned by the optionee for at least six months; or

(iii) By the optionee delivering to the Company or its third-party designee a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company cash or a check payable and acceptable to the Company for the purchase price and applicable taxes; provided that in the event the optionee chooses to pay the purchase price as so provided, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Administrator shall prescribe as a condition of such payment procedure.

Payment instruments will be received subject to collection. The transfer to the optionee on the records of the Company or of the Company's transfer agent of the shares of Stock to be purchased pursuant to the exercise of a Stock Option will be contingent upon receipt from the optionee (or a purchaser acting in his or her stead in accordance with the provisions of the Stock Option) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Option Award Agreement or applicable provisions of laws (including the satisfaction of any withholding taxes that the Company is obligated to withhold with respect to the optionee). In the event an optionee chooses to pay the purchase price by previously-owned shares of Stock through the attestation method, the number of shares of Stock transferred to the optionee upon the exercise of the Stock Option shall be net of the number of attested shares. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Stock Options, such as a system using an internet website or interactive voice response, then the paperless exercise of Stock Options may be permitted through the use of such an automated system.

(f) Annual Limit on Incentive Stock Options. To the extent required for "incentive stock option" treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the shares of Stock with respect to which Incentive Stock Options granted under this Plan and any other plan of the Company or of its parent corporation or any Subsidiary become exercisable for the first time by an optionee during any calendar year shall not exceed \$100,000. To the extent that any Stock Option exceeds this limit, it shall constitute a Non-Qualified Stock Option.

SECTION 6. RESTRICTED STOCK AWARDS

(a) Nature of Restricted Stock Awards. The Administrator shall determine the restrictions and conditions applicable to each Restricted Stock Award at the time of grant. Conditions may be based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives. The grant of a Restricted Stock Award is contingent on the grantee executing a Restricted Stock Award Agreement. The terms and conditions of each such Restricted Stock Award Agreement shall be determined by the Administrator, and such terms and conditions may differ among individual Awards and grantees.

(b) Rights as a Stockholder. Upon execution of a Restricted Stock Award Agreement and payment of any applicable purchase price, a grantee shall have the rights of a stockholder with respect to the Restricted Stock,

subject to such conditions contained in the Restricted Stock Award Agreement. Unless the Administrator shall otherwise determine, (i) uncertificated Restricted Stock shall be accompanied by a notation on the records of the Company or the Company's transfer agent to the effect that they are subject to forfeiture until such Restricted Stock are vested as provided in Section 6(d) below, and (ii) certificated Restricted Stock shall remain in the possession of the Company until such Restricted Stock is vested as provided in Section 6(d) below, and the grantee shall be required, as a condition of the grant, to deliver to the Company such instruments of transfer as the Administrator may prescribe.

(c) **Restrictions.** Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein or in the applicable Restricted Stock Award Agreement. Except in the case of a Change in Control or liquidation of the Company or upon the death or Disability of the grantee, if a grantee's employment (or other service relationship) with the Company and its Subsidiaries terminates for any reason, any Restricted Stock that has not vested at the time of termination shall automatically and without any requirement of notice to such grantee from, or other action by or on behalf of, the Company be deemed to have been reacquired by the Company at its original purchase price (if any) from such grantee or such grantee's legal representative simultaneously with such termination of employment (or other service relationship), and thereafter shall cease to represent any ownership of the Company by the grantee or rights of the grantee as a stockholder. Following such deemed reacquisition of shares of unvested Restricted Stock that are represented by physical certificates, a grantee shall surrender such certificates to the Company upon request without consideration.

(d) **Vesting of Restricted Stock.** The Administrator at the time of grant shall specify and include in the applicable Restricted Stock Award Agreement the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Company's right of repurchase or forfeiture shall lapse. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed "vested". Except to the extent otherwise provided in the Plan in the case of a Change in Control or liquidation of the Company or upon the death or Disability of the grantee, if a grantee terminates employment (or other service relationship) before the date, or attainment of the performance goals, objectives or other conditions, specified in the Award Agreement, such grantee's rights in any shares of Restricted Stock that have not vested shall automatically terminate upon the grantee's termination of employment (or other service relationship) with the Company and its Subsidiaries and such shares shall be subject to the provisions of Section 6(c) above. Upon a grantee's death or disability the Administrator will accelerate the vesting of the Restricted Stock.

(e) **Elections under Code Section 83(b).** No grantee of Restricted Stock may make an election under Code section 83(b) with respect to the grant of Restricted Stock without the consent of the Company, which the Company may grant or withhold in its discretion. In any event, it shall be solely the responsibility of the grantee to determine the advisability of making an election under such section and for compliance with the requirements thereof. If an election is made under Code section 83(b), the Company may require the grantee to remit to the Company an amount sufficient to satisfy any federal, state or local withholding tax requirements prior to the issuance of shares of Restricted Stock.

SECTION 7. STOCK GRANTS

Subject to the terms and provisions of the Plan and applicable law, the Administrator may, at any time and from time to time, make grants of Stock without receiving cash consideration therefor. Unless otherwise determined by the Administrator, grants of Stock shall be fully vested upon delivery of shares to the grantee either in certificate or electronic form. Each grant of Stock hereunder may be evidenced by an Award Agreement that shall specify the number of shares of Stock granted, any conditions which must be satisfied, and such other provisions as the Administrator shall determine.

SECTION 8. RESTRICTED STOCK UNITS AND STOCK APPRECIATION RIGHTS

The Administrator may grant RSUs and SARs in respect of such number of shares of Stock subject to the Plan as it shall determine in its sole discretion. The terms and conditions of any such RSUs or SARs shall be contained in an RSU Agreement or SAR Agreement as the case may be.

SECTION 9. TRANSFERABILITY OF AWARDS

(a) **Transferability.** Except as provided in Section 9(b) below, during a grantee's lifetime, his or her Awards shall be exercisable only by the grantee, or by the grantee's legal representative or guardian in the event of the grantee's incapacity. No Awards shall be sold, assigned, transferred or otherwise encumbered or disposed of by a grantee other than by will or by the laws of descent and distribution. No Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind, and any purported transfer in violation hereof shall be null and void.

(b) **Administrator Action.** Notwithstanding Section 9(a), the Administrator, in its discretion, may provide either in the Award Agreement regarding a given Award or by subsequent written approval that the grantee may transfer his or her Awards (other than any Incentive Stock Options) to his or her immediate family members, to trusts for the benefit of such family members, or to partnerships or limited liability companies in which such family members are the only partners or members, provided that the transferee agrees in writing with the Company to be bound by all of the terms and conditions of the Plan and the applicable Award.

(c) **Family Member.** For purposes of Section 9(b), "family member" shall mean a grantee's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the grantee's household (other than a tenant or employee of the grantee), a trust in which these persons (or the grantee) have more than 50 percent of the beneficial interest, a foundation in which these persons (or the grantee) control the management of assets, and any other entity in which these persons (or the grantee) own more than 50 percent of the voting interests.

(d) **Designation of Beneficiary.** Each grantee to whom an Award has been made under the Plan may designate a beneficiary or beneficiaries to exercise any Award or receive any payment under any Award payable on or after the grantee's death. Any such designation shall be on a form provided for that purpose by the Administrator and shall not be effective until received by the Administrator. If no beneficiary has been designated by a deceased grantee, or if the designated beneficiaries have predeceased the grantee, the beneficiary shall be the grantee's estate.

SECTION 10. TAX WITHHOLDING

(a) **Payment by Grantee.** Each grantee shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the grantee for federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Administrator regarding payment of, any federal, state, or local taxes of any kind required by law to be withheld by the Company with respect to such income. The Company and its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the grantee. The Company's obligation to deliver evidence of book entry (or stock certificates) to any grantee is subject to and conditioned on tax withholding obligations being satisfied by the grantee.

(b) **Payment in Stock.** Subject to approval by the Administrator, a grantee may elect to have the Company's minimum required tax withholding obligation (and not more than such amount) satisfied, in whole or in part, by authorizing the Company to withhold from shares of Stock to be issued pursuant to any Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the withholding amount due.

SECTION 11. SECTION 409A AWARDS

To the extent that any Award is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A (a "409A Award"), the Award shall be subject to such additional rules and requirements as specified by the Administrator from time to time in order to comply with Section 409A. In this regard, if any amount under a 409A Award is payable upon a "separation from service" (within the meaning of Section 409A) to a grantee who is then considered a "specified employee" (within the meaning of Section 409A), then no such payment shall be made prior to the date that is the earlier of (i) six months and one day after the grantee's separation from service, or (ii) the grantee's death, but only to the extent such delay is necessary to prevent such payment from being

subject to interest, penalties and/or additional tax imposed pursuant to Section 409A. Further, the settlement of any such Award may not be accelerated except to the extent permitted by Section 409A.

SECTION 12. TRANSFER, LEAVE OF ABSENCE, ETC.

For purposes of the Plan, the following events shall not be deemed a termination of employment: (i) a transfer to the employment of the Company from a Subsidiary or from the Company to a Subsidiary, or from one Subsidiary to another; or (ii) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing.

SECTION 13. AMENDMENTS AND TERMINATION

The Board may, at any time, amend or discontinue the Plan and the Administrator may, at any time, amend or cancel any outstanding Award for the purpose of satisfying changes in law or for any other lawful purpose, but no such action but no action, other than an action required by law or regulation or the requirements of an exchange on which the shares are listed, shall adversely affect rights under any outstanding Award without the holder's consent. To the extent required under the rules of any securities exchange or market system on which the Stock is listed, to the extent determined by the Administrator to be required by the Code to ensure that Incentive Stock Options granted under the Plan are qualified under Section 422 of the Code or to ensure that compensation earned under Awards qualifies as performance-based compensation under Section 162(m) of the Code, or to the extent determined by the Administrator to be required to ensure the availability to the Plan of the protections of Section 16(b) of the Exchange Act or for any other reason under applicable law, Plan amendments shall be subject to the approval of the Company's stockholders entitled to vote at a meeting of stockholders. Nothing in this Section 13 shall limit the Administrator's authority to take any action permitted pursuant to Section 3(d) or 3(d).

SECTION 14. STATUS OF PLAN

With respect to the portion of any Award that has not been exercised and any payments in cash, Stock or other consideration not received by a grantee, a grantee shall have no rights greater than those of a general creditor of the Company unless the Administrator shall otherwise expressly determine in connection with any Award or Awards. In its sole discretion, the Administrator may authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the foregoing sentence.

SECTION 15. GENERAL PROVISIONS

(a) No Distribution. The Administrator may require each person acquiring Stock pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to distribution thereof.

(b) Delivery of Stock Certificates. Stock certificates to grantees under this Plan shall be deemed delivered for all purposes when the Company or a transfer agent of the Company shall have mailed such certificates in the United States mail, addressed to the grantee, at the grantee's last known address on file with the Company. Uncertificated Stock shall be deemed delivered for all purposes when the Company or a transfer agent of the Company shall have given to the grantee by electronic mail (with proof of receipt) or by United States mail, addressed to the grantee, at the grantee's last known address on file with the Company, notice of issuance and recorded the issuance in its records (which may include electronic "book entry" records). Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Administrator has determined, with advice of counsel (to the extent the Administrator deems such advice necessary or advisable), that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed, quoted or traded. All stock certificates delivered pursuant to the Plan shall be subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with federal, state or foreign jurisdiction, securities or other laws, and the rules, regulations and requirements of any stock exchange on which the Stock is listed or traded. The Administrator may place legends

on any stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Administrator may require that an individual make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems necessary or advisable in order to comply with any such laws, rules, regulations or requirements. The Administrator shall have the right to require any individual to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Administrator.

(c) **Stockholder Rights.** Until Stock is deemed delivered in accordance with Section 15(b), no right to vote or receive dividends or any other rights of a stockholder will exist with respect to shares of Stock to be issued in connection with an Award, notwithstanding the exercise of a Stock Option or any other action by the grantee with respect to an Award.

(d) **Other Compensation Arrangements; No Employment Rights.** Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, including trusts, and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of this Plan and the grant of Awards do not confer upon any employee or other person any right to continued employment or other service relationship with the Company or any Subsidiary.

(e) **Insider Trading Policy Restrictions.** Option exercises and other Awards under the Plan shall be subject to the Company's insider trading policy and procedures, as in effect from time to time.

(f) **Forfeiture of Awards under Sarbanes-Oxley Act.** If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the federal securities laws, then any grantee of an Award who is included among the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 shall reimburse the Company for the amount of any Award received by such individual under the Plan during the 12-month period following the first public issuance or filing with the Securities and Exchange Commission, as the case may be, of the financial document embodying such financial reporting requirement.

(g) **Forfeiture of Awards for Dishonesty.** Notwithstanding anything to the contrary in the Plan or in any Award Agreement, if the Administrator determines, after full consideration of the facts presented on behalf of both the Company and a grantee of an Award, that the grantee has been engaged in fraud, embezzlement, theft, commission of a felony or proven dishonesty in the course of his or her employment by or performance of services for the Company or a Subsidiary that has damaged the Company or a Subsidiary in any way, or has disclosed trade secrets or other proprietary information of the Company or a Subsidiary or has otherwise violated the terms of his or her employment by, or any other agreement or understanding with, the Company or any Subsidiary, (i) the grantee shall forfeit all unexercised Options and/or unvested Restricted Stock, RSUs and SARs and all exercised Options and vested Restricted Stock, RSUs and SARs to the extent that the Company has not yet delivered or otherwise released the shares or other payments in question, (ii) the Company shall have the right to repurchase all or any part of the shares of Stock acquired by the grantee upon the earlier exercise of any Option or vesting of Restricted Stock or vesting of any RSU or SAR, at a price equal to the amount, if any, paid to the Company by the grantee upon the exercise of such Option, receipt of such Restricted Stock or vesting of such RSU or SAR, and (iii) the Company shall have the right to recoup the full amount of all cash payments previously paid to the grantee under any vested RSU or SAR and to recoup the full amount of any profit realized by the grantee upon the sale of any Restricted Stock that has previously vested or any shares of Stock acquired upon the grantee's earlier exercise of any Option or vesting of any RSU or SAR, which recoupment shall be reduced by an amount equal to the price, if any, paid to the Company by the grantee upon the earlier issuance of such Restricted Stock, exercise of such Option or vesting of such RSU or SAR. The decision of the Administrator as to the cause of a grantee's discharge and the damage done to the Company or a Subsidiary shall be final, binding and conclusive. No decision of the Administrator, however, shall affect in any manner the finality of the discharge of a grantee by the Company or a Subsidiary.

SECTION 16. EFFECTIVE DATE OF PLAN

The Plan shall become effective on the date on which it is adopted by the Board (the "Effective Date"), but no Award granted under the Plan shall become exercisable unless and until the Plan shall have been approved by the Company's shareholders. If such shareholder approval is not obtained within twelve months after the Effective Date,

the Awards previously granted under the Plan shall not vest and shall terminate and no Awards shall be granted under the Plan thereafter. Amendments to the Plan not requiring shareholder approval shall become effective when adopted by the Board; amendments requiring shareholder approval (as provided in Section 13) shall become effective when adopted by the Board, but no Award granted after the date of such amendment shall become exercisable (to the extent that such amendment to the Plan was required to enable the Company to grant such Award to a particular person) unless and until such amendment shall have been approved by the Company's shareholders. If such shareholder approval is not obtained within twelve months of the Board's adoption of such amendment, any Awards granted on or after the date of such amendment shall terminate to the extent that such amendment was required to enable the Company to grant such Award to a particular grantee. Subject to this limitation, Awards may be granted under the Plan at any time during the period from and including the Effective Date through and including the day next preceding the tenth anniversary of the Effective Date.

SECTION 17. GOVERNING LAW

The Plan and all Awards and actions taken thereunder shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts, applied without regard to conflict of law principles.
