PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR or the transition report or portion thereof could not be filed within the prescribed time period.

It is not possible for the Registrant to file its March 31, 2001 Form 10-K within the prescribed time period for the following reasons:

1. On October 31, 2000 (the "Petition Date"), Universal Broadband Networks, Inc. and four of its wholly-owned subsidiaries (collectively the "Company") filed a petition for relief (the "Petition") under Chapter 11 of the United States Bankruptcy Code.
2. Since the Petition Date, the Company has conducted limited activities as a debtor-in-possession under the Bankruptcy Code and retains only a limited number of key personnel. Due to such reduced staff, the Registrant was unable to complete timely its financial statements without unreasonable effort or expense.
3. As a result of the filing of the Petition, the Company's former independent certified public accounting firm resigned and a new independent certified public accounting firm (the "New Accounting Firm") was retained in December 2000. In conjunction with SEC regulations, the Company needs to obtain the manually signed audit reports from the prior accountants, and is presently coordinating with the former accounting firm to approve the March 31, 2001 10-K and obtain the necessary signatures. Such approval and signature could not be obtained without unreasonable effort or expense.
