## **Section 1 – Conflict Minerals Disclosure**

### **Item 1.01 Conflict Minerals Disclosure and Report**

Lantronix, Inc. (the “Company”) has evaluated its current product lines and determined that certain of the products that the Company manufactures or contracts to manufacture contain tin, tungsten, tantalum, or gold, which are defined as “conflict minerals” by the Securities and Exchange Commission, and that such conflict minerals are necessary to the functionality or production of the products.

#### *Conflict Minerals Disclosure*

After performing a reasonable country of origin inquiry regarding the sources of the conflict minerals contained in its products, the Company does not currently have sufficient information from its suppliers or other sources to determine the country of origin of the conflict minerals used in the Company’s products or to identify the facilities used to process those conflict minerals. Accordingly, the Company is filing this disclosure along with the Conflict Minerals Report to disclose the measures the Company has taken to determine the origin of the conflict minerals used in its products. A copy of the Company’s Conflict Minerals Report is filed as Exhibit 1.01 hereto and is publicly available at the Company’s website at [www.lantronix.com/pdf/misc/Conflict-Minerals-Report-2013.pdf](http://www.lantronix.com/pdf/misc/Conflict-Minerals-Report-2013.pdf).
