[Back to Contents](#)

First Tranche Private Placement

Pursuant to the Private Placement Agreement, RTIH agreed to subscribe for and purchase from the Company, and the Company agreed to issue and sell to RTIH 37,089,883 Shares (the [First Tranche Private Placement Shares](#)), representing upon completion, 9.95 per cent of the Company's outstanding Shares, at an issue price of \$8.18 per First Tranche Private Placement Share for an aggregate subscription price of \$303,395,242.94 in cash, at a closing that occurred on October 27, 2006 (the [First Closing Date](#)).

The funds for the subscription price for the First Tranche Private Placement Shares were obtained by RTIH from the working capital of Rio Tinto.

Pursuant to the Private Placement Agreement, RTIH agreed to subscribe for and purchase from the Company, and the Company agreed to issue and sell to RTIH, immediately after the issue of the First Tranche Private Placement Shares:

(i) non-transferable share purchase warrants (the [Series A Warrants](#)), exercisable, subject to the prior approval of the Company's shareholders, to purchase an additional 46,026,522 Shares, and

(ii) non-transferable share purchase warrants (the [Series B Warrants](#)), exercisable, subject to the prior approval of the Company's shareholders, to purchase an additional 46,026,522 Shares,

for an aggregate subscription price of \$1,000 in cash.

The Series A Warrants and the Series B Warrants were issued to RTIH at a closing that occurred on the First Closing Date.

The funds for the subscription price for the Series A Warrants and the Series B Warrants were obtained by RTIH from the working capital of Rio Tinto.

Second Tranche Private Placement

Pursuant to the Private Placement Agreement, RTIH agreed to subscribe for and purchase from the Company, and the Company agreed to issue and sell to RTIH, an additional 46,304,473 Shares (the [Basic Second Tranche Private Placement Shares](#)), representing, upon completion, an additional 9.95 per cent of the Company's outstanding Shares, at a price of \$8.38 per Basic Second Tranche Private Placement Share for an aggregate subscription price of \$388,031,483.74 in cash, at a closing to occur on the earlier of:

(i) the 20th business day following the date upon which the Company, or a subsidiary of the Company, enters into an investment agreement with the Government of Mongolia in respect of the Company's Oyu Tolgoi copper and gold mineral development project (the [OT Project](#)) in Mongolia's South Gobi region that is mutually acceptable to

[Back to Contents](#)

the Company and RTIH (an [Approved OT Investment Contract](#)),¹ provided such Approved Investment Contract is entered into within three years of the First Closing Date and

(ii) the 10th business day following the date upon which RTIH gives notice to the Company of its election to complete the Second Tranche Private Placement in the absence of an Approved OT Investment Contract (provided that such notice is given at any time prior to the third anniversary of the First Closing Date),

or such later date as RTIH and the Company may agree in writing.

RTIH's obligation (but not its right) to complete the Second Tranche Private Placement will terminate if the prior approval of the Company's shareholders for RTIH's right to exercise the Series A Warrants and the Series B Warrants (the [Company Shareholder Approval Matter](#)) is not obtained within 60 days of the First Closing Date.

If, upon issuance, the Basic Second Tranche Private Placement Shares would represent less than 9.95 per cent of the total number of Shares then issued and outstanding, RTIH will also have the option (the [Top Up Option](#)), exercisable prior to the closing of the Second Tranche Private Placement, to purchase up to that number of additional Shares, if any (the [Top Up Private Placement Shares](#)) that, when aggregated with the Basic Second Tranche Private Placement Shares, represent upon issuance 9.95 per cent of the total number of Shares then issued and outstanding. The issue price will be \$8.38 per Top Up Private Placement Share unless, during the period commencing on the First Closing Date and ending on the date RTIH gives notice to the Company of its intention to exercise its Top Up Option, RTIH has fully exercised its pre-emptive and anti-dilution rights under the Private Placement Agreement, in which case the issue price will be equal to the lesser of (i) \$8.38 and (ii) the closing market price of the Shares on the Toronto Stock Exchange on the date RTIH gives notice to the Company of its intention to exercise the Top Up Option.

RTIH expects to obtain the funds for the subscription price for the Basic Second Tranche Private Placement Shares and the Top Up Private Placement Shares, if any, from the working capital of Rio Tinto.

1 For purposes of the Private Placement Agreement, an [Approved OT Investment Contract](#) is a legally binding and unconditional investment agreement with the Government of Mongolia pursuant to the applicable laws of Mongolia that:

- (i) includes terms granting legal, administrative and tax stability to the stakeholders of the OT Project for a certain period of time and guaranteeing that the legal, administrative and/or tax framework in force in Mongolia when the investment contract is entered into will remain unmodified for the term of the investment contract notwithstanding any modification, either introduced by law or regulations, enacted after the execution of the investment contract;
- (ii) has, to the extent required by applicable Mongolian law, been approved, ratified, consented to or otherwise authorized by all relevant Mongolian governmental authorities;
- (iii) has been approved by the Company's board of directors, and
- (iv) is mutually acceptable to the Company and RTIH, acting reasonably.

[Back to Contents](#)

Series A Warrants and Series B Warrants

The Series A Warrants and the Series B Warrants will not be exercisable unless and until the Company Shareholder Approval Matter has been (i) approved at a special meeting of the Company's shareholders to be held within 45 days of, but in any event no later than 60 days after, the date of the Private Placement Agreement (the [Special Meeting](#)),² by a majority of votes cast by holders of Shares (other than RTIH) present in person or by proxy (the [Company Shareholder Approval](#)) and (ii) approved, to the extent required in the reasonable opinion of RTIH, under the *Investment Canada Act* (Canada).

The Series A Warrants and the Series B Warrants will automatically terminate if the Company Shareholder Approval Matter does not receive Company Shareholder Approval at the Special Meeting.

If the Company Shareholder Approval Matter does receive Company Shareholder Approval at the Special Meeting, the Series A Warrants will be exercisable by RTIH at any time thereafter until the 365th day following the date (the [Warrant Determination Date](#)) which is the earlier of:

- (i) the date upon which the Company, or a subsidiary of the Company, enters into an Approved OT Investment Contract; and
- (ii) the third anniversary of the First Closing Date,

and the Series B Warrants will be exercisable by RTIH at any time after obtaining Company Shareholder Approval until the 725th day following the Warrant Determination Date.

After receipt of the Company Shareholder Approval, each Series A Warrant will, subject to adjustment in accordance with its terms, be exercisable to purchase one Share at a price of:

- (i) \$8.38 until the 180th day following the Warrant Determination Date, and
- (ii) \$8.54 after the 180th day until the 365th day following the Warrant Determination Date.

After receipt of the Company Shareholder Approval, each Series B Warrant will, subject to adjustment in accordance with its terms, be exercisable to purchase one Share at a price of:

- (i) \$8.38 until the 180th day following the Warrant Determination Date
- (ii) \$8.54 after the 180th day until the 365th day following the Warrant Determination Date,

² The Company has announced that the Special Meeting will be held on November 30, 2006.

[Back to Contents](#)

- (iii) \$8.88 after the 365th day until the 545th day following the Warrant Determination Date, and
- (iv) \$9.02 after the 545th day until the 725th day following the Warrant Determination Date.

If all of the Series A Warrants and Series B Warrants were to be exercised, the aggregate purchase price payable by RTIH would be between \$771 million and \$808 million, depending upon the timing of the exercise of such warrants.

RTIH expects to obtain the funds for the purchase price payable upon the exercise of the Series A Warrants and the Series B Warrants from the working capital of Rio Tinto.

The Series A Warrants and the Series B Warrants are non-transferable by RTIH except to other members of the Rio Tinto group.

Preemptive and Anti-Dilution Rights

Pursuant to the Private Placement Agreement, RTIH has the right to acquire additional securities and participate in future financings by the Company, so as to maintain its proportional equity interest in the Company. RTIH is also entitled to anti-dilution rights in respect of the Series A Warrants and the Series B Warrants.

Item 4. Purpose of Transaction.

The information set forth in Items 3 and 6 is hereby incorporated by reference in this Item 4.

RTIH has entered into the Private Placement Agreement to acquire a strategic stake in the Company in order to jointly develop and operate the OT project.

Board of Directors

Pursuant to the Private Placement Agreement, at all times, the board of directors of the Company will consist of at least ten (10) directors.

From and after the First Closing Date, RTIH will be entitled (but not obliged) to nominate a number of qualified individuals (each, a Rio Tinto Representative) for appointment or election, from time to time, to the board of directors of the Company, as a proportion of the board of directors of the Company (the Proportionate Number of Directors), as is equal to the percentage of issued and outstanding Shares held by RTIH and its affiliates at that time (disregarding any unissued Shares underlying any unexercised Series A Warrants or Series B Warrants). Where such calculation results in the Proportionate Number of Directors not being a whole number, such Proportionate Number of Directors will be rounded up to the nearest whole number where such calculation ends with a figure .5 or greater and will be rounded down to the nearest whole number where such calculation ends with a figure less than .5.

[Back to Contents](#)

At all times, RTIH will be entitled to nominate as one of its Rio Tinto Representatives an individual who is not qualified as an independent director (defined as a director who is independent within the meaning of Multilateral Instrument 52-110 Audit Committees of the Canadian securities regulatory authorities, as amended, and who meets the equivalent independence criteria prescribed under U.S. securities laws and the listing or marketplace rules of the New York Stock Exchange or Nasdaq, to the extent applicable to the Company). If at any time RTIH is entitled to nominate more than one Rio Tinto Representative, then not less than one half of such Rio Tinto Representatives must qualify as independent directors.

In addition, for as long as RTIH remains entitled to nominate at least one Rio Tinto Representative to the Company's board of directors, RTIH will be entitled to nominate a Rio Tinto Representative selected by RTIH to the Company's audit committee provided that such Rio Tinto Representative is an independent director and financially literate.

Preemptive Rights

Pursuant to the Private Placement Agreement, if, at any time after the First Closing Date, the Company proposes, or becomes obliged, to issue any Shares (other than the issuance of Shares pursuant to certain exempt transactions) (Dilutive Issuer Shares), RTIH will have the right to purchase a number of additional Shares (the Anti-Dilution Shares) so as to maintain its proportional equity interest in the Company.

Pursuant to the Private Placement Agreement, if, at any time prior to the exercise or expiry of all of the Series A Warrants and Series B Warrants, RTIH exercises its right to purchase all of the Anti-Dilution Shares to which it is entitled, RTIH will also be entitled to receive, for no additional consideration, a number of additional share purchase warrants (the Anti-Dilution Warrants) that would result in RTIH having the right to acquire, pursuant to the exercise of all outstanding Series A Warrants, Series B Warrants and Anti-Dilution Warrants, a number of Shares that, upon issuance, would allow RTIH to maintain its proportional equity interest in the Company.

If, at any time on or after the fifth anniversary of the First Closing Date, RTIH and its affiliates beneficially own, in the aggregate, a number of Shares representing less than 7.5 per cent of the total number of Shares issued and outstanding at such time, all of RTIH's preemptive rights will immediately terminate and be of no further force or effect.

Restrictions on Share Acquisitions and Dispositions

Pursuant to the Private Placement Agreement, RTIH has agreed that, until the fifth anniversary of the date of such Agreement, the Rio Tinto group will not, except with the prior approval of the Company:

- (i) engage in any Specified Activity,³

³ For purposes of the Private Placement Agreement, Specified Activity is defined to mean, in respect of the Company and, except as specifically contemplated or permitted by the terms of the Private Placement Agreement, any actions by a member of the Rio Tinto group to:

[Back to Contents](#)

(ii) prior to having fully exercised all of the Series A Warrants and the Series B Warrants, directly or indirectly acquire, any Shares or any securities convertible into or exchangeable for Shares (Convertible Securities) (other than the Shares, the Series A Warrants and the Series B Warrants issued pursuant to the Private Placement Agreement, Anti-Dilution Shares, Anti-Dilution Warrants and any Shares issued pursuant to the exercise of Anti-Dilution Warrants, Shares acquired pursuant to the exercise of the Series A Warrants and the Series B Warrants, the Top Up Option, the Top Up Private Placement Shares or Shares or Convertible Securities acquired through an issuance made to all holders of Shares on a pro rata basis) representing, in the aggregate, more than 6.65 per cent of the then issued and outstanding Shares from time to time, or

(iii) after having fully exercised all of the Series A Warrants and the Series B Warrants, directly or indirectly acquire, any Shares or Convertible Securities if, following such acquisition, the Rio Tinto group and all persons with whom the Rio Tinto group is acting jointly or in concert, would beneficially own or exercise control or direction, or be deemed, under applicable law, to beneficially own, or exercise control or direction over, more than 40 per cent of the then issued and outstanding Shares.

The foregoing restrictions will not apply to the acquisition by RTIH of any Shares that Robert M. Friedland beneficially owns, directly or indirectly, pursuant to any rights of first refusal in favour of RTIH arising under the Shareholders' Agreement between Robert M. Friedland and RTIH, dated October 18, 2006 (the Shareholders' Agreement), a copy of which is attached as Exhibit C hereto, by reason of any proposed sale or disposition of Shares by Robert M. Friedland or any of his affiliates to any person who is not an institutional investor who meets certain prescribed criteria under the Private Placement Agreement.

If, at any time, a person or persons jointly or in concert (other than a member of the Rio Tinto group or a person that is not at arm's length to the Rio Tinto group), publicly announces its intention to commence a transaction which would result, if consummated, in any person, or group of persons acting jointly or in concert, acquiring beneficial ownership of more than 50 per cent of the outstanding Shares (a Change of Control and such transaction, a Company Control Transaction), or the Company publicly announces that its board of directors has approved an agreement which contemplates a Company Control Transaction, the Rio Tinto group will be immediately released from the foregoing restrictions but only for the limited purpose of giving the Rio Tinto group a reasonable opportunity to propose to the Company and/or commence an alternative Company Control Transaction. Unless a Company

-
- (i) make a takeover bid or a tender offer or participate as a bidder in any takeover bid or tender offer for any or all issued and outstanding Shares or Convertible Securities,
 - (ii) otherwise acquire, directly or indirectly, any Shares or Convertible Securities or any rights or options to acquire any Shares or Convertible Securities,
 - (iii) propose any merger, statutory arrangement or business combination between the Company and any member of the Rio Tinto group,
 - (iv) make any solicitation of proxies to vote any Shares, or
 - (v) form, join or in any way participate in a "group" within the meaning of Section 13(d)(3) of the U.S. Exchange Act with respect to any of the foregoing.

[Back to Contents](#)

Control Transaction results in an Change of Control within 75 days after the Rio Tinto group is released from the foregoing restrictions or, after the end of such period, RTIH or any of its affiliates is actively pursuing an alternative Company Control Transaction that was commenced during such period, such restrictions will be deemed to have been re-imposed as of the later of the end of such 75 day period and the date that RTIH or any such affiliate completes or ceases actively pursuing its alternative Company Control Transaction, pending their expiry or the public announcement of another Company Control Transaction as contemplated above. For the purposes of the foregoing:

(i) RTIH or any of its affiliates will be deemed to be actively pursuing an alternative Company Control Transaction at a particular time if, at that time, RTIH or any such affiliate has made a "formal bid" (as defined under Canadian securities laws) that has not expired for a sufficient number of Shares to effect a Change of Control or RTIH or any such affiliate is engaged in active negotiations with the Company with respect to such alternative Company Control Transaction, and

(ii) nothing in the Shareholders' Agreement will be construed as creating a non-arm's length relationship between the parties to the Shareholders' Agreement or their respective affiliates.

Pursuant to the Private Placement Agreement, until the first anniversary of the First Closing Date, RTIH has agreed that the Rio Tinto group will not, except (i) pursuant to a Company Control Transaction, (ii) with the prior written consent of the Company, or (iii) to any person who is a member of the Rio Tinto group, directly or indirectly, offer, sell, contract to sell, grant any option or right to purchase, make any short sale, transfer, assign, gift, enter into any derivative transaction in respect of, or otherwise dispose of, alienate or create any encumbrance in respect of (or announce any intention to effect the foregoing) (any of the foregoing, a "Transfer") any Shares or Convertible Securities (or any voting rights or other rights attributable thereto) beneficially owned, directly or indirectly, by the Rio Tinto group, whether presently owned or subsequently acquired, or in respect of which the Rio Tinto group exercises control or direction.

Thereafter, until the fifth anniversary of the date of the Private Placement Agreement, if RTIH intends to Transfer Shares representing 5 per cent or more of the total number of Shares then issued and outstanding to any person other than (i) a member of the Rio Tinto group, or (ii) an institutional investor who meets certain prescribed criteria under the Private Placement Agreement, and the proposed Transfer is not being made pursuant to a Company Control Transaction, the Company will have the right, for a period of not less than 60 days, to arrange for the sale of such Shares to a third party selected by the Company in its absolute discretion and reasonably acceptable to RTIH, on the same terms upon which RTIH intended to sell such Shares, failing which RTIH will be free to sell such Shares.

Divestiture of Non-Core Assets

Pursuant to the Private Placement Agreement, the Company has agreed to dispose of its entire interest in the Monywa Copper Project, a joint venture between the Company's wholly owned subsidiary, Ivanhoe Myanmar Holdings Ltd., and Mining Enterprise No. 1, an entity

[Back to Contents](#)

wholly-owned by the Government of the Union of Myanmar, and any other rights, interests or investments held, directly or indirectly, by the Company in the Union of Myanmar (collectively, the Myanmar Assets), by no later than February 1, 2007. If such disposition does not occur by that date, RTIH has the right to cause the Company to transfer all of the Myanmar Assets to a trust of which none of the Company, RTIH, Robert M. Friedland, their respective affiliates, any person related to any of them or any person that is a resident of Myanmar or controlled by a resident of Myanmar are trustees or beneficiaries. In consideration of such transfer, the Company would receive a promissory note issued by the trust in an amount not less than \$40 million plus 50 per cent of the cash receivable from the Myanmar Assets at the time of their sale to the trust. The Company would be entitled to additional compensation from any future sale of the Myanmar Assets by the trust in an amount to be determined but not less than 50 per cent of the amount by which such sale proceeds exceed the amount outstanding under the promissory note.

The Company has also agreed to consult with RTIH in good faith and to use its best efforts to formulate timetables and strategies for the orderly disposition of all of its non-core assets situated outside of Mongolia as soon as reasonably practicable, having regard to the best interests of the holder of Shares as a whole. The Company has agreed to use its best efforts to divest itself of such other non-core assets in accordance with such timetables and strategies, provided that the precise timing and terms of any such disposition by Company will be subject to the prior approval of the Company board of directors in its absolute and exclusive discretion, acting reasonably and in good faith.

Shareholders' Agreement

Pursuant to the Shareholders' Agreement, Robert M. Friedland has agreed for a period of five years from the First Closing Date to vote or cause to be voted all of securities of the Company, including all Shares and Convertible Securities, held directly or indirectly by him and any of his affiliates (the Owned Securities), and, so long as they are held by Goldamere Holdings SRL, an additional 4,071,093 Shares, in favour of (i) the right of RTIH to exercise the Series A Warrants and the Series B Warrants, and (ii) any other transaction contemplated by the Private Placement Agreement for which the approval of the Company's shareholders is required.

Robert M. Friedland has agreed that he will not, and will procure that each of his affiliates will not, except as expressly permitted by the Shareholders' Agreement, directly or indirectly, Transfer any of his Owned Securities without the express prior written consent of RTIH, subject to certain limited exceptions, including a Transfer to a permitted transferee or pursuant to a Company Control Transaction.

Robert M. Friedland has also agreed to grant RTIH a right of first refusal and/or rights of placement with third parties, in respect of the Transfer by him of his Owned Securities to a third party, subject to certain limited exceptions, including a Transfer to a permitted transferee or pursuant to a Company Control Transaction.

The Shareholders' Agreement will terminate on the earlier of (i) the date Robert M. Friedland holds no Owned Securities and (ii) the fifth anniversary of the First Closing Date.

The description of the Shareholders' Agreement contained herein is qualified in its entirety by reference to Exhibit C, which is incorporated herein by reference.

Registration Rights Agreement

On the First Closing Date, the Company and RTIH entered into a Registration Rights Agreement (the "[Registration Rights Agreement](#)"), a copy of which is attached as Exhibit D hereto, pursuant to which the Company has agreed to provide RTIH with certain registration rights in respect of the Shares held by RTIH.

At any time after the first anniversary of the First Closing Date, RTIH may request that the Company file a registration statement with the SEC relating to all of the Shares in respect of which RTIH has requested registration (a "[Demand Registration](#)"). RTIH is entitled to demand up to five Demand Registrations provided that (i) the aggregate sales price of any Shares to be registered pursuant to a Demand Registration must be equal or greater than \$35 million, (ii) no more than two Demand Registrations may be requested in any twelve month period, and (iii) no request for a Demand Registration may be made within 90 days of the date of effectiveness of any other registration statement filed by the Company pursuant to the Registration Rights Agreement.

If, at any time, the Company files a registration statement with the SEC, RTIH will be entitled, subject to certain exceptions, to exercise "[piggyback](#)" registration rights requiring the Company to include in any such registration that number of Shares held by RTIH as RTIH may request, subject only to certain prescribed limitations provided in the Registration Rights Agreement.

The Company may, on a limited number of occasions, and in certain prescribed circumstances, delay the filing or effectiveness of any registration statement required to be filed pursuant to the Registration Rights Agreement.

The description of the Registration Rights Agreement contained herein is qualified in its entirety by reference to Exhibit D, which is incorporated herein by reference.

Although Rio Tinto and RTIH have no present intention to acquire securities of the Company other than pursuant to the Private Placement Agreement or the Shareholders' Agreement, they intend to review their investment on a regular basis and, as a result thereof and subject to the terms and conditions of the Private Placement Agreement, may at any time or from time to time determine, either alone or as part of a group, (i) to acquire additional securities of the Company, through open market purchases, privately negotiated transactions or otherwise, (ii) to dispose of all or a portion of the securities of the Company owned by them in the open market, in privately negotiated transactions or otherwise, or (iii) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in the next paragraph of this Item 4. Any such acquisition or disposition or other transaction would be made in compliance with all applicable laws and regulations. Item 5. Interest in Securities of the Issuer.

The responses of Rio Tinto and RTIH to Rows (11) through (13) of the cover pages of this Schedule 13D and the information set forth in Item 3 is hereby incorporated by reference in this Item 5.

Pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired 37,089,883 Shares, representing upon completion 9.95 per cent of the Company's outstanding Shares. RTIH has also agreed to subscribe for an additional 46,304,473 Shares (and has the right to subscribe for Top Up Placement Shares if necessary), representing upon completion 9.95 per cent of the Company's then outstanding Shares, upon the Company entering into an Approved OT Investment Contract as set forth in Item 3.

On the First Closing Date, RTIH also acquired the Series A Warrants and the Series B Warrants which are exercisable, subject to the prior approval of the Company's shareholders, to purchase an additional 92,053,044 Shares.

Each of Rio Tinto and RTIH is deemed to beneficially own 175,447,400 Shares which, assuming the subscription by RTIH for an additional 46,304,473 Shares (and any Top Up Placement Shares if necessary) and the exercise of all the Series A Warrants and the Series B Warrants in addition to the 37,089,883 Shares acquired by RTIH on the First Closing Date, would represent 33.35 per cent of Company's outstanding Shares on a fully diluted basis.

In addition, the Shares deemed beneficially owned by each of Rio Tinto and RTIH with respect to which such person (i) has sole voting power, (ii) shares voting power, (iii) has sole dispositive power and (iv) shares dispositive power are listed in the responses to Items 7, 8, 9 and 10, respectively, of the cover page of this Schedule 13D relating to such person.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, beneficially owns any Shares or has the right to acquire any Shares.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the Shares which they may be deemed to beneficially own.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, has effected any transaction in the Shares during the past 60 days.

To the best knowledge of Rio Tinto and RTIH, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares beneficially owned by Rio Tinto and RTIH.

Item Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the 6. Issuer.

The information set forth in Items 3 and 4 is hereby incorporated by reference in this Item 6.

Use of Proceeds

Pursuant to the Private Placement Agreement, the Company has agreed that it will use not less than 90 per cent of the proceeds received from the issuance of the Shares to RTIH under the Private Placement Agreement and from the exercise of the Series A Warrants and the Series B Warrants to fund expenditures in respect of the development of the OT Project.

OT Project Right of First Refusal

Pursuant to the Private Placement Agreement, RTIH has been granted a right of first refusal in respect of the Company's interests in the OT project that is exercisable for a period of 60 days, subject to certain limited exceptions, if the Company intends to dispose of any interest in the OT Project to a third party. In respect of any such proposed disposition, the Company must first offer such interests to RTIH at an equivalent price and on equivalent terms and conditions to those available to the third party to whom such proposed disposition is to be made and from whom the Company has received an offer on bona fide arm's length terms. RTIH's right of first refusal is inoperative unless, at the time the Company proposes to make any such disposition, the Rio Tinto group owns (disregarding any unissued Shares underlying unexercised Series A Warrants or Series B Warrants) a number of Shares at least equal to the number of First Tranche Private Placement Shares and Basic Second Tranche Private Placement Shares.

If the Company proposes to dispose of any interest in the OT Project in respect of which Rio Tinto would be entitled to exercise its right of first refusal but for the fact that the Rio Tinto group then owns an insufficient number of Shares, RTIH will nonetheless be entitled to exercise its right of first refusal if it elects to complete the Second Tranche Private Placement in the absence of an Approved OT Investment Contract.

The Private Placement Agreement also provides that the Company and RTIH will consult with one another regarding further opportunities for the Rio Tinto group to participate in the OT Project.

Technical Committee

Pursuant to the Private Placement Agreement, RTIH and the Company have agreed to establish a technical committee (the Technical Committee) to manage all aspects of the engineering, construction, development and operation of the OT Project. The Company and RTIH will, through the Technical Committee, cooperatively oversee and supervise all operations in respect of the OT Project. All material activities and operations in respect of the OT Project must be approved by the Technical Committee before they can be undertaken.

The Technical Committee will consist of two members from the Company, two members from RTIH and a fifth member who will act as the chairman of the Technical

Committee and as the senior manager of the OT Project. The chairman of the Technical Committee will be an individual reasonably acceptable to both the Company and RTIH. The Company has the right to appoint the chairman of the Technical Committee during the first five years following the closing of the First Tranche Private Placement. The Company's President and Chief Executive Officer, John Macken, will serve as the first chairman of the Technical Committee and senior manager of the OT Project. After five years, RTIH will have the right to appoint the chairman of the Technical Committee and senior manager of the OT Project.

RTIH's right to appoint members and be represented on the Technical Committee will terminate if, at any time during the period from the First Closing Date until the earlier of (i) the closing of the Second Tranche Private Placement, and (ii) the third anniversary of the First Closing Date, the Rio Tinto group beneficially owns, in the aggregate, a number of Shares that is less than the number of First Tranche Private Placement Shares. Thereafter, RTIH's right to appoint members and be represented on the Technical Committee will terminate if, at any time, the Rio Tinto group beneficially owns, in the aggregate, a number of Shares that is less than the aggregate number of First Tranche Private Placement Shares and Basic Second Tranche Private Placement Shares.

Any decision of the Technical Committee in respect of which a consensus cannot be reached among its members will be subject to a vote in respect of which each of the five members of the Technical Committee will have one vote.

During the five year period following the First Closing Date, the unanimous consent of all Technical Committee members will be required for matters involving (i) asset or property acquisitions or contractual commitments requiring expenditures exceeding \$100 million, (ii) acquisitions of interests in land or mineralization within the geographical areas comprising the OT Project requiring expenditures exceeding \$10 million, or (iii) any material amendments to the existing OT Project long term mine plan or the adoption of any new long term mine plan.

Technical Assistance

For as long as RTIH is represented on the Technical Committee, the Company may request RTIH's assistance with certain matters pertaining to the development and operation of the OT Project including engineering, mine planning and design, metallurgical and process design, procurement of plant and equipment and environmental planning and management. RTIH will provide such services subject to having the available resources and to the parties negotiating mutually acceptable agreements. During the five year period following the First Closing Date, these services will be provided to the Company at RTIH's out-of-pocket cost and, thereafter, at a cost no less favourable than that charged by any Rio Tinto group member to any other Rio Tinto group member.

OT Investment Contract Negotiations

Pursuant to the Private Placement Agreement, the Company has agreed to keep RTIH fully informed from time to time of the status of the negotiations with the Government of Mongolia for an OT Investment Contract. RTIH, acting reasonably, will have the right to consult with the Company from time to time with respect to all aspects of such negotiations and

will be entitled to appoint at least two individuals acceptable to the Company, acting reasonably, to the group of Company representatives participating in such negotiations.

Except as described above or elsewhere in this Schedule 13D or incorporated by reference in this Schedule 13D, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between Rio Tinto and RTIH or, to the best of their knowledge, any of the persons named in Schedule A hereto or between Rio Tinto or RTIH and any other person or, to the best of their knowledge, any person named in Schedule A hereto and any other person with respect to any securities of the Company, including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
