

CARBON ENERGY CORP
Form 425
March 31, 2003

QuickLinks -- Click here to rapidly navigate through this document

Filed Pursuant to Rule 425
Filing Person: Evergreen Resources, Inc.
(001-13171)
Subject Company: Carbon Energy Corporation
(1-15639)

Four slides included in a presentation by Mark Sexton, President and Chief Executive Officer of Evergreen Resources, Inc., to Hibernia Southcoast Capital on March 31, 2003 related to Evergreen's proposed acquisition of Carbon Energy Corporation. These slides may also be included in subsequent presentations by Mr. Sexton or other officers of Evergreen.

The first slide graphically depicts the location of Carbon Energy's U. S. assets in the Uintah Basin of Colorado and Utah and the Piceance Basin in Colorado.

The second slide graphically depicts the location of Carbon Energy's Canadian assets in three locations in the Western Canadian Sedimentary Basin (Rowley, Carbon and Hoffer).

The third and fourth slides are set forth below:
