PROXY STATEMENT

SELECTION OF PROXIES

This proxy statement is being furnished to shareholders of Digital Angel Corporation, a Delaware corporation (the "Company"), in connection with the solicitation of proxies by and on behalf of the Board of Directors of the Company for use at the Annual Meeting of Stockholders ("Annual Meeting") to be held on May 8, 2003 and any adjournment thereof. This proxy statement and the accompanying form of proxy are being mailed to stockholders beginning on or about April 17, 2003.

Information in this proxy statement reflects the completion of the March 27, 2002 merger of the former Digital Angel Corporation, a former subsidiary of Applied Digital Solutions, Inc. ("ADS") (Nasdaq: ADSX), with a wholly-owned subsidiary of the Company, then known as Medical Advisory Systems, Inc. In the merger, ADS received shares of the Company such that, immediately after the merger, ADS owned approximately 77% of the Company's outstanding shares of common stock. In the merger, Digital Angel Corporation became a wholly-owned subsidiary of the Company and changed its name to "Digital Angel Technology Corporation." Also in connection with the merger, the Company changed its name from "Medical Advisory Systems, Inc." to "Digital Angel Corporation." The Company also changed the last day of its fiscal year end from October 31 to December 31. Before the year ended December 31, 2002, the Company's last fiscal year was the year ended October 31, 2001. This Proxy Statement and the accompanying Annual Report to Stockholders is for the year ended December 31, 2002.

The expense of the solicitation of proxies for the Annual Meeting, including the cost of mailing, has been or will be borne by the Company. Arrangements will be made with brokerage houses and other custodian nominees and fiduciaries to send proxies and proxy materials to their principals, and the Company will reimburse them for their expense in so doing. In addition to solicitation by mail, proxies may be solicited by telephone, telegraph or personally.

VOTING AND REVOCATION OF PROXY

Only holders of record of the Company's Common Stock, par value \$0.005 per share, at the close of business on April 8, 2003, the record date for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting. On the record date, 26,767,889 shares of the Company's common stock were outstanding. Each share of common stock entitles the holder thereof to one vote upon each matter to be presented at the Annual Meeting. A quorum, consisting of a majority of the shares of the Company's common stock entitled to vote at the Annual Meeting, must be present in person or by proxy before action may be taken at the Annual Meeting. Shares represented by a proxy with instructions to abstain on any matter and any proxy that indicates that the broker does not have discretionary authority to vote on one or

more proposals (that is, broker non-votes) will be counted for the purpose of determining the presence of a quorum at the Annual Meeting.

Each proxy returned to the Company will be voted according to the instructions indicated on the proxy. If no instructions are indicated, the shares will be voted (i) *for* the election of the nominees for the Board of Directors named in this proxy statement and (ii) *for* the ratification of the appointment of Eisner LLP as independent auditors for the fiscal year ending December 31, 2003. While the Board of Directors knows of no other matters to be presented at the Annual Meeting or any adjournment thereof, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxy holders.

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

Instead of submitting a signed proxy card, stockholders may submit their proxies by telephone or through the Internet using the control number and instructions on the proxy card. Telephone and Internet proxies must be used in conjunction with, and will be subject to, the information and terms contained on the proxy card. These procedures may not be available to stockholders who hold their shares through a broker, nominee, fiduciary or other custodian.

The election of the directors set forth in Proposal 1 requires a plurality of the votes of the shares of common stock present in person or represented by proxy at the Annual Meeting. If a quorum is present, those nominees receiving a plurality of the votes cast will be elected. With respect to Proposal 2, if a quorum is present, the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting is required to approve such matter. If a proxy is returned and the stockholder has abstained from voting on any matter, the shares represented by such proxy will be included in the number of votes present and entitled to vote and will be treated as "no" votes with respect to that matter. Broker non-votes with respect to any matter are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the annual meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary voting power to vote such shares.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by:

giving written notice of such revocation to the Secretary of the Company before or at the Annual Meeting before a vote is taken;

delivering another written proxy bearing a later date; or

attending the Annual Meeting *and* voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy).

PROPOSAL 1 ELECTION OF DIRECTORS

The business and affairs of the Company are managed under the direction of its Board of Directors. The Company's Bylaws provide that the Board of Directors shall consist of at least three members. The Board of Directors currently consists of five members. Each Director is elected to serve until the next annual meeting of stockholders and until their successors are elected and qualified or until their earlier resignation, death or removal.

Stockholders will be asked at the Annual Meeting to elect five Directors. The Board has nominated the five individuals named below to serve as Directors of the Company. The nominees

2

comprise the entire Board, and all nominees now serve as Directors of the Company. Immediately following the merger described above, the Company's Board of Directors changed the number of Directors serving on the board from seven to five members, and each of the Directors serving as a Director immediately before the merger, with the exception of Richard J. Sullivan, resigned from office and simultaneously appointed their successors.

All nominees have indicated a willingness to serve, if elected. If any nominee becomes unable to serve before the Annual Meeting, the proxies received in response to this solicitation will be voted for a replacement nominee selected in accordance with the best judgment of the proxy holders named in the proxy.

The following sets forth certain information as of March 31, 2003 regarding the nominees for the Board of Directors:

Board Actions and Committees

It is the Company's understanding that from January 1, 2002 until March 27, 2002, the Board held no formal meetings and adopted resolutions by written action five times. From March 27, 2002 until December 31, 2002, the Board had three formal meetings and adopted resolutions by written action six times. The Board has an Audit Committee and a Compensation Committee but no nominating committee.

Audit Committee

From January 1, 2002 until March 27, 2002, the Company's Audit Committee consisted of Messrs. Robert C. Goodwin, Jr. and Richard F. Seelig. Messrs. Goodwin and Seelig were "independent" members of the Audit Committee, as the term "independent" is defined as Section 121(A) of the Listing Standards of The American Stock Exchange. Effective March 27, 2002, Messrs. Goodwin and Seelig resigned from the Board and the Audit Committee, and Messrs. Richard S. Friedland and Kenneth D. Larson were appointed to the Audit Committee. In August 2002, the Board appointed Howard S. Weintraub, Ph.D. to the Audit Committee. Messrs. Friedland and Larson and Dr. Weintraub are "independent" members of the Audit Committee within the meaning of Section 121(A) of The American Stock Exchange Listing Standards. It is the Company's understanding that the Audit Committee did not meet during the period from January 1, 2002 until March 27, 2002. From March 27, 2002 through December 31, 2002, the Audit Committee met five times, and all members of the Audit Committee attended each meeting.

The Audit Committee recommends annually to the Board of Directors the engagement of independent auditors, approves professional services provided by the independent auditors, considers the range of audit and any non-audit fees, and reviews the adequacy of the Company's internal accounting controls and major accounting or financial reporting matters. The Audit Committee also reviews all reports and financial information submitted to the United States Securities and Exchange Commission and any significant disagreements between management and the independent auditors in connection with the preparation of the Company's financial statements. The Committee reviews with the Company's legal counsel all legal and regulatory matters which may have a significant impact on the Company's financial statements. The Audit Committee determined that the provision of non-audit services by the independent auditors in 2002 was compatible with maintaining the independent auditors' independence.

5

Compensation Committee

From January 1, 2002 until March 27, 2002, the Compensation Committee consisted of Messrs. Robert C. Goodwin, Jr. and Paul R. Sanberg. Effective March 27, 2002, Messrs. Goodwin and Sanberg resigned from the Board and the Compensation Committee, and the Board of Directors appointed Mr. Kenneth D. Larson and Howard S. Weintraub, Ph.D. to the Compensation Committee. The Compensation Committee determines compensation for senior management, advises the Board of Directors on the adoption and administration of employee benefit and compensation plans and administers the March 1998 Amended and Restated Employee and Directors Stock Plan (the "1998 Stock Plan") and the Amended and Restated Digital Angel Corporation Transition Stock Option Plan approved by the Board and the Company's stockholders in 2002 (the "2002 Stock Plan"). It is the Company's understanding that the Compensation Committee did not meet during the period from January 1, 2002 until March 27, 2002. The Compensation Committee did not meet during the period from March 27, 2002 through December 31, 2002.

Directors' Compensation

From January 1, 2002 until April 1, 2002, the Company reimbursed non-management directors for costs and expenses they incurred in connection with their attendance and participation at meetings of the Board of Directors and for other travel expenses incurred on the Company's behalf. During this three-month period, the Company compensated each non-management Director \$1,000 for each meeting of the Board and \$500 for each meeting of the Audit Committee and the Compensation Committee attended by such Director.

Effective April 1, 2002, the Board determined to pay to each member of the Company's Board of Directors who is not an employee or officer of the Company or an "affiliate" of the Company (as the term "affiliate" is defined in the Company's 2002 Stock Plan) \$5,000 per quarter, plus \$1,000 each calendar quarter for each Committee of the Board on which the Director serves, plus \$1,000 for each meeting of the Board of Directors that a Board member attends that is not a regularly-scheduled Board meeting. The Company also reimburses such directors for reasonable expenses incurred by them in rendering their duties as directors of the Company, subject to such reimbursement practices and procedures as the Company reasonably imposes.

Under these arrangements, the following non-employee Directors received the following amounts during 2002: Robert C. Goodwin, Jr. (\$1,000), Richard F. Seelig (\$500), Paul R. Sanberg (\$1,500), George E. Harris, IV (\$0), Richard J. Sullivan (\$0), Richard S. Friedland (\$20,500), Kenneth D. Larson (\$23,500), and Howard S. Weintraub, Ph.D. (\$22,500). In addition, on June 27, 2002, options to purchase the following number of shares were granted to the following non-employee directors of the Company under the 2002 Stock Plan: Richard J. Sullivan (1,000,000 shares), Richard S. Friedland (250,000 shares), Kenneth D. Larson (250,000 shares) and Howard S. Weintraub, Ph.D. (250,000 shares). The exercise price of the options is \$3.39 per share, which was equal to the fair market value on the date of grant. These options have a term of ten (10) years, vest as to 100% of the shares subject to the options on June 26, 2003 but only if such Directors are then Directors of the Company, and are not "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986 ("Code"). The Company's stockholders approved the grant of these options at the annual meeting held on October 22, 2002.

401(k) Profit Sharing Plan and Trust

The Company maintains a 401(k) profit sharing plan for the benefit of eligible employees and their beneficiaries in which executive officers participate on the same basis as all other employees, subject to certain overall and specific anti-discrimination restrictions. An employee is eligible to participate in the 401(k) plan after completing 60 days of service. The plan is a defined contribution profit sharing plan designed to be funded with both Company and employee contributions. Employees may voluntarily contribute up to 15% of their annual pay into the plan, not to exceed an annual dollar limitation, which was \$11,000 in 2002. Employees may make contributions by payroll deductions. The Company has the option to make matching contributions each year for eligible employees. The amount of any matching contribution by the Company is determined by the Company. Distributions from the 401(k) plan are available only after reaching the age of 59½ years (for salary deferral accounts) or termination of employment.

No amounts were paid or distributed during 2002 by the 401(k) plan to the Named Executive Officers. The Company contributed no benefit amounts under the plan for the Named Executive Officers or any other employees during 2002, 2001 or 2000.

2002 Stock Plan

The following is a summary of the terms of the 2002 Stock Plan and is qualified in its entirety by reference to the 2002 Stock Plan.

Effective April 11, 2002, the Company's Board of Directors adopted the 2002 Stock Plan, subject to approval by the stockholders of the Company, and reserved 5,195,312 shares of Common Stock for issuance under the 2002 Stock Plan. On October 22, 2002, the Company's stockholders approved the 2002 Stock Plan and approved amendments to the 2002 Stock Plan increasing the number of shares reserved for issuance to 11,195,312 shares and allowing the Company's Board to designate participants in the 2002 Stock Plan. As of March 10, 2003, 11,195,312 shares of common stock were reserved for issuance under the 2002 Stock Plan, awards consisting of options to purchase 6,183,780 shares of common stock were outstanding under the 2002 Stock Plan, and there were no other awards outstanding. The Board of Directors and the Board's Compensation Committee, currently consisting of Mr. Kenneth D. Larson and Howard S. Weintraub, Ph.D., administer the 2002 Stock Plan. Benefits under the 2002 Stock Plan may be granted to only employees and directors of the Company and its affiliates, consisting of approximately 250 individuals. The participants are those persons who are selected by the Board or the Committee.

The 2002 Stock Plan permits the Board or the Committee to grant benefits in the form of stock options, stock appreciation rights, restricted stock, cash awards, performance-based awards or any combination thereof. Any of such awards may, as determined by the Board or the Committee, be granted in a manner such that they qualify for the performance-based compensation exemption of Section 162(m) of the Code.

Options granted under the 2002 Stock Plan may be either "incentive stock options" which satisfy the requirements of Section 422 of the Code or "non-qualified stock options" which are not intended to meet such requirements. Incentive stock options may be granted only to participants who are employees of the Company or its affiliates as of the date of grant. The Board or the Committee determines the per share option exercise price subject to the requirements imposed by the Code and the 2002 Stock Plan. The 2002 Stock Plan and the Code provide that the exercise price for shares under any incentive stock option shall not be less than the fair market value of the shares at the time the option is granted. The 2002 Stock Plan provides that the exercise price for shares under non-qualified stock options shall not be less than 85% of the fair market value of the shares at the time the option is granted. Options may be exercised at such time or times and subject to such terms and conditions as are determined by the Board or the Committee. However, incentive stock options may not be exercised more than ten years after the date they are granted.

Unless permitted by the Board or the Committee, each benefit granted under the 2002 Stock Plan is not transferable other than by will or other laws of descent and distribution and is exercisable during the participant's lifetime only by the participant. Unless otherwise determined by the Board or the Committee, in the event of a "change of control" (as that term is defined in the 2002 Stock Plan), all options and other awards then outstanding under the 2002 Stock Plan will become fully vested.

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

The Board of Directors has the sole right and power to amend the 2002 Stock Plan at any time. However, it cannot amend the 2002 Stock Plan without approval of the Company's stockholders in a manner which would cause options which are intended to qualify as incentive stock options to fail to qualify as such, in a manner which would cause the 2002 Stock Plan to fail to meet the requirements of Rule 16b-3 under the Securities Exchange Act of 1934, or in a manner which would violate applicable law. The plan has no specific term and will continue in full force and effect until terminated. The 2002 Stock Plan may be terminated at any time by the Board.

1998 Stock Plan

Effective March 1, 1998, the Board of Directors of Medical Advisory Systems, Inc. adopted the Amended and Restated Employee and Director Stock Option Plan ("1998 Stock Plan"). The 1998 Stock Plan and the Board's amendments to the 1998 Stock Plan were not submitted to the Company's stockholders for their approval. Only options that are not incentive stock options may be granted under the 1998 Stock Plan. The exercise price per share of common stock under each option granted under the 1998 Stock Plan must not be less than the fair market value of the common stock at the close of business on the date the option is granted. Under the 1998 Stock Plan, "fair market value" is the average of the highest and lowest price for a share of common stock as quoted on The American Stock Exchange on the last trading date immediately before the date of the grant. The exercise price of an option may be paid with cash or a certified check, or with the surrender of shares of common stock having a fair market value on the date of exercise equal to that portion of the purchase price for which payment in cash or by certified check is not made.

Upon termination of employment except by death or in connection with a "change of control," an employee has three months after cessation of employment to exercise his options under the 1998 Stock Plan to the extent that such employee is entitled to exercise them on the date of cessation of employment. Upon a "change of control," all vested options immediately vest and are exercisable. The merger of the former Digital Angel Corporation with the wholly-owned subsidiary of the Company on March 27, 2002 triggered the vesting of options to purchase 600,000 shares under the 1998 Stock Plan. Upon an option holder's death while employed by the Company, or within three months after having retired with the consent of the Company, the employee's executors or administrators or the legatees or heirs of his estate have the right to exercise the options that are vested and not exercised to the extent that the deceased

12

employee was entitled to exercise the options on the date of his death. However, no options are exercisable more than 10 years from the date they are granted. The plan expires on March 1, 2008. Under the 1998 Stock Plan, options may be granted to officers, directors, employees, advisors and consultants who render services to the Company. As of March 10, 2003, 1,650,000 shares of common stock were reserved for issuance under the 1998 Stock Plan, and options to purchase 1,044,820 shares were outstanding under the 1998 Stock Plan.

Employment Agreements

Employment Agreements with Former Executive Officers of Medical Advisory Systems, Inc.

Before March 27, 2002, the effective date of the merger, the Company entered into employment agreements with Ronald W. Pickett and Thomas M. Hall, M.D. On October 26, 2001, the Company signed amendments to the employment agreements with each of Mr. Pickett and Dr. Hall that reflected both certain prior oral amendments to the employment agreements and additional amendments. The amendments confirmed the extension of the term of each of Mr. Pickett's and Dr. Hall's employment agreement through October 31, 2006 and established that Mr. Pickett would receive an annual salary of at least \$180,000 and Dr. Hall would receive an annual salary of at least \$260,000 throughout the term of their employment agreements. The amendments also provide that if Mr. Pickett's or Dr. Hall's employment was terminated or they resigned at any time following a "change of control" of the Company, each of Mr. Pickett and Dr. Hall would be entitled to a \$250,000 payment, plus an amount equal to all salary and other benefits that would have been paid under the employment agreement for the remainder of the term of their agreements as though no termination or resignation occurred, plus an amount equal to the value of the fringe benefits, such as medical and dental insurance and use of an automobile, to which Mr. Pickett and Dr. Hall otherwise would have been entitled under their employment agreements for the remainder of the term, plus participation in any profit sharing, stock option or similar plans. These payments are due 30 days after termination of employment. The definition of change of control in the employment agreements also was amended to include any consolidation, merger or share exchange, regardless of whether the Company was the surviving corporation, in which any or affiliated person acquires in excess of 20.0% of the combined voting power of the then-outstanding securities of the Company.

Under the amended employment agreements, the merger of the Company's wholly-owned subsidiary with the former Digital Angel Corporation constituted a change of control. Therefore, each of Mr. Pickett and Dr. Hall is entitled to a \$250,000 payment from the Company plus the salaries and other benefits for the remaining term of their employment agreements upon the termination of their employment with the Company. Mr. Pickett resigned his position with the Company on March 27, 2002, and the Company paid to him the \$250,000 amount due under his agreement and accrued for but did not pay the additional amounts due under his agreement. Because Dr. Hall remains an employee of the Company, the Company accrued for but did not pay the amounts that would be due to him under his agreement when his employment with the Company is terminated. These accrued and paid amounts are included in the Summary Compensation Table under "All Other

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

Compensation." The Company is negotiating with Dr. Hall and Mr. Pickett regarding the payment of the accrued amounts.

Employment Agreements with the Company's Current Executive Officers

The Company entered into an employment agreement with Randolph K. Geissler, the Company's President and Chief Executive Officer, dated as of March 8, 2002. The term of the employment agreement is five years, ending on March 7, 2007. On each anniversary date of the employment agreement, unless either party notifies the other at least 30 days before such an anniversary date, the term of the agreement automatically renews for successive additional one-year terms, which are added at the

13

end of the then-existing term. The agreement provides that the Company will pay to Mr. Geissler an annual salary of not less than \$250,000 and an annual bonus of not less than \$50,000, plus such bonuses, incentive compensation and other compensation, if any, as the Company's Board or committee of the Board shall determine. In addition, under the agreement, the Company is to pay to Mr. Geissler monthly payments of \$5,000 as a flexible perquisite allowance to be used by Mr. Geissler for such purposes as he shall determine. Upon a "change in control," as defined in the employment agreement, Mr. Geissler may terminate his employment at any time within one year after such change of control upon 15 days' notice. In that case, the Company must pay to Mr. Geissler a severance payment equal to three times the base amount as defined in Section 280G(b)(3) of the Internal Revenue Code of 1986, minus \$1.00 (currently a total of approximately \$750,000). Also upon a change of control, all outstanding stock options held by Mr. Geissler would become fully exercisable. The employment agreement with Mr. Geissler also provides that upon the occurrence of a change in control, the Company is to pay to him \$4,000,000 within 10 days of the effective date of the change in control. The Company may pay such amount in cash, with the Company's common stock or with a combination of cash and common stock. Under the agreement, Mr. Geissler may make an election at least 10 days before each March 8 that the agreement is in effect to select the amount or percentage, if any, of his salary for the 12-month period beginning on such March 8 that he wants to be paid in common stock of the Company. If he makes no election, his salary is paid in cash. The employment agreement also includes confidentiality, non-compete and assignment of invention clauses.

Effective as of April 1, 2002, the Company entered into an employment agreement with Mr. James P. Santelli, its Vice President, Finance and Chief Financial Officer. The agreement has a term of three years. The term is automatically renewed for successive one-year terms on each anniversary date of the agreement, which is added at the end of the then existing term, unless either party notifies the other at least 60 days prior to such an anniversary date. The agreement provides that the Company shall pay to Mr. Santelli a base salary of \$175,000 per year and that he is entitled to participate in any of the Company's benefit and deferred compensation plans or programs as are from time to time available to officers of the Company. The agreement contains confidentiality, non-compete and assignment of invention clauses. The agreement also provides that if the Board of Directors terminates Mr. Santelli's employment with the Company because of his willful and material misconduct or because he has breached the agreement in any material respect, or if Mr. Santelli terminates his employment other than for "Good Reason" (as that term is defined in the agreement), he is entitled to salary and benefits accrued through the date of termination of employment. If Mr. Santelli dies or becomes disabled (as disabled is determined under the agreement), if the Company terminates his employment for reasons other than his misconduct or his breach of the agreement, or if he terminates his employment for Good Reason, the Company must pay him his accrued compensation and benefits for the remaining term of the agreement, including any extensions. The employment agreement provides that upon a change of control, Mr. Santelli may terminate his employment at any time within one year after the change of control upon 15 days' notice. Upon such termination, the Company must pay to Mr. Santelli a severance payment equal to the base amount as defined in Section 280G(b)(3) of the Internal Revenue Code minus \$1.00. Upon a change of control, all outstanding stock options held by Mr. Santelli would become fully exercisable.

Dale L. Hutchins, Ph.D. has an employment agreement with the Company effective as of November 1, 1999 which expires on October 31, 2003. After that date, it renews automatically for successive one-year terms, subject to the right of either party to terminate the agreement upon 180 days' prior written notice to the other party. The agreement provides that the Company will pay to Dr. Hutchins an annual salary of \$140,000 for the first year of the term of the agreement and at least \$140,000 per year thereafter, with the Board of Directors having the power to increase such salary. The agreement provides that Dr. Hutchins shall be entitled to participate in any and all fringe benefit plans, programs and practices sponsored by the Company for the benefit of its executive employees. If Dr. Hutchins becomes

14

"disabled" within the meaning of that term as defined in his employment agreement, for a period of six months thereafter, he would be entitled to receive the salary to which he otherwise would have been entitled were he not disabled. Under the employment agreement, if Dr. Hutchins' employment terminates for any reason (including death, disability or involuntary resignation) other than voluntary resignation, or termination "for cause" under the agreement, Dr. Hutchins (or, in the event of his death, his estate) is entitled to receive from the Company a severance payment equal to 50% of Dr. Hutchins' annual salary in effect on the date of his termination of employment; the monetary value of all accrued, unused vacation time; and, for 180 days following the date of his termination, an amount equal to the value of incentive compensation under the

plans and policies then in effect plus an amount equal to the value of the employee benefits to which he would have been entitled if he had remained in the employ of the Company. Dr. Hutchins' employment agreement contains confidentiality and non-compete clauses.

The Company has an employment agreement with Kevin L. Nieuwsma effective as of October 1, 2000. The initial term of the agreement is one year, and the term is automatically extended for successive one-year periods unless either party gives written notice to the other party no later than 60 days before the expiration of each term. The agreement provides that the Company will pay to Mr. Nieuwsma a base salary of \$125,000 per year and that he is entitled to participate in any of the Company's benefit and deferred compensation plans or programs that are available to its officers. The agreement contains confidentiality, non-compete and assignment of inventions clauses. The agreement also provides that if the Board of Directors terminates Mr. Nieuwsma's employment with the Company because of his willful and material misconduct or because he has breached the agreement in any material respect, or if Mr. Nieuwsma terminates his employment other than for "Good Reason" (as that term is defined in the agreement), he is entitled to salary and benefits accrued through the date of termination of employment. If Mr. Nieuwsma dies or becomes disabled (as disabled is determined under the agreement), if the Company terminates his employment for reasons other than his misconduct or his breach of the agreement, or if he terminates his employment for Good Reason, the Company must pay him his accrued compensation and benefits through the date of termination, pay him compensation for 24 months after such date and provide him benefits for a period of 12 months after such date.

The Company has an employment agreement with Amro Albanna effective as of July 1, 2000. Subject to earlier termination under the terms of the agreement, the term of the agreement is from July 1, 2000 to June 30, 2003. The employment agreement provides that the Company is to pay to Mr. Albanna base compensation of \$100,000 per year. In addition, it provides that Mr. Albanna is entitled to participate in or receive benefits on the same basis as other executives of the Company under the Company's employee benefit plans and arrangements applicable to senior management. According to the employment agreement, the Company is entitled to terminate Mr. Albanna's employment at any time, by written notice delivered to him, if it has "cause" as defined in the agreement. In addition, the agreement provides that Mr. Albanna may terminate his employment voluntarily at any time upon 30 days' written notice to the Company's Board of Directors. The employment agreement includes confidentiality, non-compete and assignment of inventions clauses. Mr. Albanna's employment was terminated effective February 14, 2003, and the Company intends to honor the terms of the agreement until the expiration of its term.

Certain Transactions

Applied Digital Solutions, Inc., IBM Credit Corporation and the Digital Angel Share Trust

On March 27, 2002, the merger of the Company's wholly-owned subsidiary with the former Digital Angel Corporation became effective, and the Company changed its name to "Digital Angel Corporation." At the effective time of the merger, each issued and outstanding share of the former Digital Angel Corporation common stock was converted into 0.9375 fully-paid, non-assessable and newly-issued

shares of the Company's common stock. In the merger, ADS, as the former sole stockholder of Digital Angel Corporation, received 18,750,000 shares of the Company's common stock. In satisfaction of a condition to the consent to the merger of IBM Credit LLC, which is a secured creditor of ADS, upon completion of the merger, ADS transferred to the Digital Angel Share Trust, a Delaware statutory business trust controlled by an independent advisory board, all shares of the Company's common stock owned by ADS. As a result, the Digital Angel Share Trust is now the beneficial owner of approximately 73% of the Company's common stock.

According to the terms of the trust agreement for the Digital Angel Share Trust, if amounts owed to IBM Credit LLC by ADS are not paid when due, or if ADS otherwise is in default under the credit agreement and its obligations are accelerated, IBM Credit LLC has the right to require shares of the Company's common stock held in the Trust to be sold to provide funds to satisfy the obligations of ADS to IBM Credit LLC. ADS did not make the \$29.8 million principal payment, plus \$16.4 million of accrued interest and expenses, due to IBM Credit LLC on March 6, 2003 under the credit agreement between ADS and IBM Credit LLC, and on March 7, 2003, ADS announced that it has filed a lawsuit against IBM Corporation and IBM Credit LLC. ADS, IBM Credit LLC, the Company and other parties entered into a Forbearance Agreement dated March 24, 2003 with respect to the loans from and other obligations owed to IBM Credit LLC by ADS. Under the Forbearance Agreement, ADS agreed to dismiss the lawsuit against IBM Credit LLC and IBM Corporation with prejudice. ADS also agreed to engage an investment bank within 30 days of the effective date of the Forbearance Agreement (which is no later than March 31, 2003) to sell the Company's shares held in the Trust. The proceeds of the sale of the shares are to be used to pay ADS's loans from and its other obligations owed to IBM Credit LLC. Under the Forbearance Agreement, the Company agreed to cooperate in selling its shares by participating in "road shows" and other sales efforts. IBM Credit LLC agreed under the Forbearance Agreement to not enforce its rights as a creditor against ADS (other than pursuing the sale of the Company's shares held in the Trust).

Any sales of the Company's shares held in the Digital Angel Share Trust may be in private transactions or in the public market. The Company can give no assurance as to when or how shares of the Company's common stock will be sold by or on behalf of the Trust or as to who will purchase such shares, if they are sold. In addition, the Company does not know whether ADS will challenge any attempted sale by the

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

Digital Angel Share Trust of such shares. The sale of a significant amount of shares of the Company owned by the Trust in a single transaction or in a series of transactions over a short period of time could result in a significant decline in the market value of the Company's common stock. Thus, the duration of the Trust's control over the Company and the identity of any parties which may acquire control of the Company if and when such sales commence are uncertain.

Transactions with Applied Digital Solutions, Inc.

During 2002, the Company paid to ADS approximately \$300,000 for research services. ADS is the beneficial owner, along with the Digital Angel Share Trust, of approximately 73% of the Company's outstanding common stock.

Before March 27, 2002, ADS provided certain general and administrative services to Digital Angel Technology Corporation (formerly Digital Angel Corporation), including finance, legal, benefits and other miscellaneous items. The costs of these services are included in the Company's statements of operations based on utilization, which management believes to be reasonable. Costs of these services were \$200,000 for the year ended December 31, 2002. ADS also charged Digital Angel Technology Corporation \$1.8 million of interest expense in 2002, which was converted to a capital contribution. In addition, during 2002, accrued expenses of \$300,000 were relieved and contributed to capital by ADS. Other transactions resulted in a \$500,000 payment due to ADS at December 31, 2002.

16

ADS acquired Timely Technology Corp., a part of the Advanced Wireless Group, in 2000 and the merger agreement included an earnout provision based on performance through June 30, 2002. During 2002, ADS paid the selling shareholder of Timely Technology Corp. \$3.6 million through the issuance of 5,502,000 shares of ADS stock as the final payment under the earnout provision. This obligation has been reflected in the Company's consolidated financial statements as a capital contribution by ADS and an increase to goodwill and other intangibles.

The Company has an exclusive eleven-year Distribution and Licensing Agreement dated March 4, 2002 with Verichip Corporation, a wholly-owned subsidiary of ADS, covering the manufacturing, purchasing and distribution of Verichip's implantable microchip and the maintenance of the Verichip Registry by the Company. The agreement includes a license for the use of the Company's technology in Verichip's identified markets. The Company will be the sole manufacturer and supplier to Verichip. Revenue recognized under the Distribution and Licensing Agreement was \$68,800 for 2002.

In connection with certain obligations of ADS to IBM Credit LLC, the Company must maintain a certain level of Minimum Cumulative Modified EBITDA which, as defined in the IBM credit agreement, excludes non-cash compensation expense, one-time charges, impairment losses or any liability or claim that will be satisfied by issuance of the Company's common stock, and a certain level of the ratio of Current Assets to Current Liabilities. On September 30 and November 1, 2002, the debt covenants in the IBM credit agreement were amended for the remainder of 2002. The amendments reduced the Company's Minimum Cumulative Modified EBITDA and ratio of Current Assets to Current Liabilities requirements for the quarters ended September 30, 2002 and December 31, 2002. The Company's debt covenant requirements under the IBM credit agreement, as amended on November 1, 2002, were as follows:

COVENANT	COVENANT REQUIREMENTS	
Current Assets to Current Liabilities	June 30, 2002	1.8:1
	September 30, 2002	1.05:1
	December 31, 2002	1.09:1
Minimum Cumulative Modified EBITDA	June 30, 2002	\$ 577,000
	September 30, 2002	\$ (338,000)
	December 31, 2002	\$ 732,000

At December 31, 2002, the Company was out of compliance with the debt covenants contained in the IBM credit agreement.

Other Matters

The Company had a consulting agreement with Susquehanna Development, L.L.C. ("Susquehanna"), which is owned by Robert P. Crabb, the former Secretary of the Company, a former employee of the Company, and a Director of the Company from June 23, 2000 until February 23, 2001. In fiscal 2001, the Company paid Susquehanna \$101,400 under the consulting agreement. By agreements dated February 23, 2001, the Company granted to Susquehanna an option to purchase 35,000 shares of the Company's common stock and to Mr. Crabb an option to purchase 15,000 shares. The exercise price of both options is \$4.00 per share. The terms of both options provided that they would terminate upon the termination of the Company's employment or other relationship with Susquehanna and Mr. Crabb. Effective June 30, 2002, the Company terminated its consulting agreement with Susquehanna, and Mr.

Crabb's employment with the Company was terminated. At its meeting on June 27, 2002, the Board amended the terms of the options to provide that they would expire on June 30, 2003.

In 2002, the Company paid \$93,750 to Richard J. Sullivan, a Director and the Chairman of the Company.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

From January 1, 2002 until March 27, 2002, the Compensation Committee consisted of Messrs. Robert C. Goodwin, Jr. and Paul R. Sanberg, who were then Directors of the Company. On March 27, 2002, the effective date of the merger, Messrs. Goodwin and Sanberg resigned from the Compensation Committee, and the Board appointed Mr. Kenneth D. Larson and Howard S. Weintraub, Ph.D. to the Compensation Committee. Each of these individuals is a non-employee, "independent" director of the Company.

As set forth in the report of the previous Compensation Committee included in the Company's Proxy Statement dated September 23, 2002, in determining the compensation of the Company's executive officers, that Compensation Committee considered promoting the Company's growth and providing compensation to recognize performance and retain qualified officers. **SECTION 16(a) BENEFICIAL OWNERSHIP
REPORTING COMPLIANCE**

As required by rules adopted by the SEC under Section 16 of the Securities Exchange Act of 1934, directors and executive officers of the Company are required to file with the SEC an Initial Report of Beneficial Ownership on Form 3 within a certain period after becoming an executive officer or director stating the number of shares of common stock owned, a Report of Change in Beneficial Ownership on Form 4 to

report certain transactions in the Company's common stock, and an Annual Statement of Beneficial Ownership of Securities on Form 5 to report other transactions in securities of the Company that are not required to be reported on a Form 4. Based upon the Company's review of such Forms furnished to it by the directors and executive officers required to file such Forms with respect to the year ended December 31, 2002, the Company believes that all of these filing requirements were satisfied during 2002.

PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed the firm of Eisner LLP as independent auditors for the fiscal year ending December 31, 2003, subject to the ratification of the holders of the Company's common stock. If the holders of the common stock do not ratify the selection of Eisner LLP, other independent accounts may be considered and selected by the Board of Directors. All proxies received in response to this solicitation will be voted in favor of the ratification of the appointment of Eisner LLP as the Company's independent auditors, unless other instructions are indicated thereon. No representative of Eisner LLP will be present at the Annual Meeting, and no representative of BDO Seidman LLP, who audited the Company's financial statements for the Company's fiscal years ended October 31, 2000 and 2001, will be present at the Annual Meeting.

On May 23, 2002, the Company engaged Eisner LLP as its independent auditors to audit its financial statements for the fiscal year ending December 31, 2002. During 2000 and 2001 and in the subsequent interim period from January 1, 2002 through May 23, 2002, the Company did not consult with Eisner LLP on items which concern the application of accounting principles generally, or as to a specific transaction or group of either completed or proposed transactions, or as to the type of audit opinion that might be rendered on the Company's financial statements. Eisner LLP did not prepare a report on the Company's financial statements for fiscal 2000 or 2001. Therefore, no report was issued by Eisner LLP that could contain an adverse opinion or disclaimer of opinion, or a qualification or modification, as to uncertainty, audit scope or accounting principles. The audit report of Eisner LLP for the year ended December 31, 2002 contains an explanatory paragraph expressing doubt about the Company's ability to continue as a going concern.

On May 14, 2002, Grant Thornton, LLP ("Grant Thornton") notified the Company that it had resigned as the Company's certifying accountant. Since Grant Thornton was engaged on April 18, 2002, it did not prepare a report on the Company's financial statements for fiscal 2000 or 2001. Therefore, no report was issued by Grant Thornton that could contain an adverse opinion or disclaimer of opinion, or a qualification or modification, as to uncertainty, audit scope or accounting principles. Between April 18, 2002 and May 14, 2002, there were no disagreements with Grant Thornton on any matter of accounting principles or accounting practices, financial statement disclosure, or auditing scope or procedure. Grant Thornton advised the Company that its decision to resign was caused by its resignation as auditor for ADS, the Company's majority shareholder.

On April 18, 2002, the Company dismissed BDO Seidman LLP ("BDO") as the Company's certifying accountant. BDO's report on the financial statements of the Company for its past two fiscal years contained no adverse opinion or disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope, or accounting principle. The decision to change accountants was unanimously approved by the Company's Board of Directors, including all members of the Company's Audit Committee. During the fiscal years ending October 31, 2000 and 2001 and through the subsequent interim period beginning November 1, 2001 and ending April 18, 2002, there were no disagreements with BDO on any manner of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

Audit and Non-Audit Fees

The following table presents fees for professional audit services rendered by Eisner LLP for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002 and fees billed for other services rendered by Eisner LLP. The Audit Committee determined that the provision by

Eisner LLP to the Company of the non-audit fees is compatible with maintaining Eisner LLP's independence.

Audit fees	\$ 238,495
Financial information systems design and implementation fees	0
All other fees(1)	37,100

Total fees

\$ 275,595

- (1) These fees relate to the review of the Company's Registration Statement on Form S-1 that it filed in 2002.

Stockholder Approval

The affirmative vote of a majority of the shares of common stock of the Company represented at the Annual Meeting either in person or by proxy, assuming a quorum is present, is required to ratify the appointment of Eisner LLP as independent auditors for the Company for the year ending December 31, 2003.

The Board of Directors recommends that the stockholders vote for the ratification of the appointment of Eisner LLP as independent auditors as set forth in Proposal 2.

PROPOSALS OF STOCKHOLDERS

Any stockholder of the Company who wishes to present a proposal at the 2004 Annual Meeting of Stockholders and who wishes to have such proposal included in the Company's proxy statement for that meeting must deliver a copy of such proposal to the Company at 490 Villaume Avenue, South St. Paul, Minnesota 55075, Attention: Corporate Secretary, for receipt not later than December 17, 2003. The Company reserves the right to decline to include in the Company's proxy statement any stockholder's proposal that does not comply with the rules of the SEC for inclusion therein.

For any proposal that is not submitted for inclusion in next year's proxy statement but is instead sought to be presented directly at the 2004 Annual Meeting of Stockholders, management will be able to vote proxies in its discretion if the Company: (1) receives notice of the proposal before the close of business on March 1, 2004 and advises stockholders in the 2003 Proxy Statement about the nature of the matter and how management intends to vote on such matters; or (2) does not receive notice of the proposal before the close of business on March 1, 2004. Notices of intention to present proposals at the 2004 Annual Meeting of Stockholders should be addressed to: Digital Angel Corporation, 490 Villaume Avenue, South St. Paul, Minnesota 55075, Attention: Corporate Secretary.

DIGITAL ANGEL CORPORATION

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

I. PURPOSE

The primary function of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") of Digital Angel Corporation (the "Corporation") in fulfilling its general oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally.

Management is responsible for the preparation, presentation and integrity of the Corporation's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Corporation's independent auditors are responsible for performing an independent audit of the consolidated financial statements of the Corporation in accordance with generally accepted auditing standards.

The Committee serves a Board-level oversight role in which it provides advice, counsel and direction to management and the independent auditors on the basis of the information it receives, discussions with the independent auditors, and the experience of the Committee's members in business, financial and accounting matters.

The Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section IV of this Charter. The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as to officers and employees of the Corporation.

II. COMPOSITION

The Committee shall be comprised of three or more directors, each of whom shall be independent, non-officer directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Committee members shall otherwise meet the applicable audit committee membership requirements of the Securities Exchange Act of 1934, the Securities and Exchange Commission and The American Stock Exchange (as may be modified or supplemented from time to time).

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

At least one member of the Committee shall qualify as a "financial expert" in accordance with the requirements of the Securities Exchange Act of 1934, the Securities and Exchange Commission and The American Stock Exchange (as may be modified or supplemented from time to time).

The members of the Committee shall be elected by the Board and serve until their successors shall be duly elected and qualified or until their earlier death or resignation from the Committee. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership. The Chair of the Committee shall be financially sophisticated within the meaning of the rules of The American Stock Exchange (as may be modified or supplemented from time to time).

III. MEETINGS

The Committee shall meet quarterly and more frequently as circumstances dictate. As part of its job to foster open communication, and as the Committee deems appropriate, the Committee may meet privately in separate sessions with executive management, the principal accounting officer, and/or the independent auditors and as a committee to discuss any matters that the Committee or each of these individuals or groups believes should be discussed.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

Documents/Reports Review

1. Review and reassess the adequacy of this Charter at least annually, and more frequently as conditions dictate, and propose any amendments to the Charter as it deems necessary or appropriate. Submit the Charter to the Board for approval and cause the Charter to be approved as frequently as may be required by the regulations of the Securities and Exchange Commission and the rules of The American Stock Exchange (as may be modified or supplemented from time to time).
2. Review the Corporation's annual audited financial statements before they are filed with the Securities and Exchange Commission or released. Review should include discussion with management and the independent auditors of significant issues regarding critical accounting estimates, accounting principles, practices and judgments, including a review with the independent auditors of any auditor report to the Committee required under the rules of the Securities and Exchange Commission or The American Stock Exchange (as may be modified or supplemented from time to time). Review should also include review of the independence of the independent auditors (see Item 6 below) and the discussion with the independent auditors of the conduct of their audit (see Item 9 below). Based on such review, determine whether to recommend to the Board that the annual audited financial statements be included in the Corporation's Annual Report on Form 10-K filed under the rules of the Securities and Exchange Commission.
3. Review with management and the independent auditors the Corporation's interim financial reports before they are filed with the Securities and Exchange Commission or released. The Committee may designate a member or members of the Committee to represent the entire Committee for purposes of this review.
4. Report Committee actions to the Board of Directors with such recommendations as the Committee may deem appropriate.
5. Prepare a report to shareholders as required by the rules of the Securities and Exchange Commission and The American Stock Exchange (as may be modified or supplemented from time to time) to be included in the Corporation's annual proxy statement.

Independent Auditors

6. The Corporation's independent auditors are directly accountable to the Committee and the Board. The Committee shall select the Corporation's independent auditors and approve the fees and other compensation to be paid to the independent auditors. The Corporation shall, at all times, make adequate provisions for the payment of all fees and other compensation approved by the

Edgar Filing: DIGITAL ANGEL CORP - Form DEF 14A

Committee to the Corporation's independent auditors.. On an annual basis, the Committee shall review and discuss with the independent auditors all significant relationships the auditors have with the Corporation to determine the auditors' independence. Such review should include receipt and review of a report from the independent auditors regarding their independence consistent with Independence Standards Board Standard I (as may be amended or supplemented from time to time). All engagements for non-audit services by the independent auditors must be approved by the Committee before the commencement of such services. The Committee may designate a member or members of the Committee to represent the entire Committee for purposes of approval of non-audit services, subject to review by the full Committee at the next regularly scheduled meeting.
