BUHRMANN SUCCESSFULLY COMPLETES EUR 114 MILLION CONVERTIBLE BONDS OFFERING

Buhrmann N.V. has successfully completed the placement of guaranteed subordinated convertible bonds ("Convertible Bonds") of approximately EUR 114 million, which includes the fully exercised greenshoe of EUR 11 million. The placement is a part of the refinancing initiative announced earlier today.

The coupon has been set at 2.00%, payable annually, which is at the low end of the estimated range. The set conversion price of EUR 8.40 is at the top end of the estimated range, with a 27.3% conversion premium to the closing price of the Buhrmann shares traded on Euronext Amsterdam on Thursday 13 November 2003.

Floris Waller, Chief Financial Officer of Buhrmann, said:

"We are delighted to have successfully placed this offering, which will be instrumental in optimising Buhrmann's debt portfolio. We are happy that the many strengths of the Buhrmann Group have been recognised by institutional investors."

The Convertible Bonds are being issued by Buhrmann N.V. and will be guaranteed by certain subsidiaries of the Group, in each case on a unsecured subordinated basis. The issue and redemption prices are set at 100 percent. The Convertible Bonds are to mature in 7 years, with Buhrmann having the right to call the Convertible Bonds at par from July 2008, subject to a 150% trigger. Deutsche Bank is the Sole Bookrunner for the placement.

Application will be made to list the Convertible Bonds on Euronext Amsterdam N.V. in December 2003. Prior to such listing, Buhrmann will publish an offering circular in order to meet the listing requirements. The Convertible Bonds will be placed solely with institutional investors outside the US, Canada and Japan in reliance on Regulation S.

Stabilisation/FSA

In connection with the issue, to the extent permitted by applicable laws and regulations (including without limitation those of Euronext Amsterdam N.V.) Deutsche Bank may over-allot or effect transactions with a view to supporting the market price of the Convertible Bonds at a level higher than that which might otherwise prevail for a stabilisation period after the issue date. However, there may be no obligation on Deutsche Bank to do this. Such stabilising, if commenced, may be discontinued at any time, and must be brought to an end after the stabilisation period from the issue date.

Members of the general public are not eligible to take part in this offering. In the United Kingdom, the promotion of this offering is restricted by Section 21 of the Financial Services and Markets Act 2000 (FSMA). This document may only be communicated to persons ("Relevant Persons") who are (a) persons having professional experience relating to investments falling within Article 19 of Financial Services and Markets Act 2000 (Financial Promotion) Order 2001 (the Financial Promotion Order"), or (b) other persons falling within Article 49 of the Financial Promotion Order, or (c) other persons to whom it may be communicated without contravention of Section 21 of the FSMA. The investments and investment services to which this document related are only available to Relevant Persons and other persons should not act on it or rely on it.
