PROXY STATEMENT
FOR THE 2004 ANNUAL MEETING OF STOCKHOLDERS
May 25, 2004

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Apogee Technology, Inc., a Delaware corporation (the "Company"), of proxies, in the accompanying form, to be used at the Annual Meeting of Stockholders to be held at the Dedham Hilton Hotel, 25 Allied Drive, Dedham, Massachusetts 02026 on Tuesday, May 25, 2004 at 10:00 a.m., and any adjournments thereof (the "Meeting").

Where a Stockholder specifies a choice on the proxy as to how his or her shares are to be voted on a particular matter, the shares will be voted accordingly. If no choice is specified, the shares will be voted FOR the election of the nominees for director named herein and FOR the ratification of the appointment of Yohalem Gillman & Company LLP as the Company's independent public accountants for the fiscal year ending December 31, 2004. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date. Any Stockholder who has executed a proxy but is present at the Meeting, and who wishes to vote in person, may do so by revoking his or her proxy as described in the preceding sentence. Shares represented by valid proxies in the form enclosed, received in time for use at the Meeting and not revoked at or prior to the Meeting, will be voted at the Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), is necessary to constitute a quorum at the Meeting. Votes of Stockholders of record who are present at the Meeting in person or by proxy, abstentions, and broker non-votes (as defined below) are counted as present or represented at the Meeting for purposes of determining whether a quorum exists.

The affirmative vote of the holders of a plurality of the shares of Common Stock entitled to vote at the Meeting is required for the approval of Proposal 1, the election of two directors. Withholding authority to vote for the nominees for the two directors will have no effect on the outcome of the vote. The affirmative vote of the holders of a majority of the shares of Common Stock present or represented by proxy and voting at the Meeting is required for the approval of Proposal 2, the ratification of the Company's independent public accountants. With respect to the tabulation of votes on this matter, abstentions and broker non-votes will have no effect on the vote.

If you hold your shares of Common Stock through a broker, bank or other representative, generally the broker or your representative may only vote the Common Stock that it holds for you in accordance with your instructions. However, if it has not timely received your instructions, the broker or your representative may vote on certain matters for which it has discretionary voting authority. If a broker or your representative cannot vote on a particular matter because it does not have discretionary voting authority, this is a "broker non-vote" on that matter. As to the proposal relating to the ratification of auditors, broker non-votes are not deemed to be present and represented and entitled to vote, and therefore will have no effect on the outcome of the vote.

Record Date and Other Information

The close of business on April 5, 2004 has been fixed as the record date for determining the Stockholders entitled to notice of and to vote at the Meeting. As of the close of business on April 5, 2004 the Company had 11,353,890 shares of Common Stock outstanding and entitled to vote. Holders of Common Stock are entitled to one vote per share on all matters to be voted on by Stockholders.

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by the Company. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of Common Stock of the Company for their expenses in forwarding proxy material to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, telex and personal solicitation by the directors, officers or employees of the Company. No additional compensation will be paid for such solicitation.

This Proxy Statement and the accompanying proxy are being mailed on or about April 23, 2004 to all Stockholders entitled to notice of and to vote at the Meeting.

The Annual Report to Stockholders for the fiscal year ended December 31, 2003 is being mailed to the Stockholders with this Proxy Statement, but does not constitute a part hereof.

The Board of Directors has adopted a revised written charter for the Audit Committee, a copy of which is attached to this Proxy Statement and posted on the Company's website at: <http://www.apogeeddx.com>. The Board of Directors has concluded that Mr. Reynolds meets the definition of an Audit Committee Financial Expert as such term is used in the rules and regulations of the SEC. Director Nominations and Qualifications

The Company's By-Laws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Company's Board of Directors at the annual meeting of stockholders. To date, no recommendations have been received from stockholders requesting that the nominating and corporate governance committee, or prior to the establishment of the committee in February 2004, the board, consider a candidate for inclusion as a nominee to be presented at the annual meeting of stockholders. The nominating and corporate governance committee will consider qualified candidates for director suggested by a stockholder. Stockholders can suggest qualified candidates for director by writing to our corporate secretary at 129 Morgan Drive, Norwood, Massachusetts 02062. Submissions received that meet the criteria set forth below will be forwarded to the chairman of the nominating and corporate governance committee for further review and consideration. To be considered for presentation at the 2005 Annual Meeting of Stockholders, nominations must be received no later than March 26, 2005, and no earlier than February 25, 2005. Nominations not received during that time frame will not be voted on at the Annual Meeting. If a nomination is received during that time frame, the proxies that the nominating and corporate governance committee solicits for the meeting may still exercise discretionary voting authority on the nomination under circumstances consistent with the proxy rules of the Securities and Exchange Commission.

In evaluating director nominees, the nominating and corporate governance committee considers the following factors:

business-related knowledge, skills and experience of the nominee;

experience with corporate governance matters and compliance obligations of a public company, including experience with disclosure and accounting rules and practices;

integrity of the nominee;

mix of talent and experience and diversity of the directors as a group;

other professional and business commitments of the nominee, including the number of other boards on which the nominee serves, including public and private boards;

other factors as may be deemed to be in the best interests of the Company and its Stockholders.

Mr. Reynolds, the new nominee of the Company's Board of Directors, was nominated by the Chief Executive Officer as a non-management director. The Company did not receive any stockholder recommendations for director nominees to be considered by the Nominating and Corporate Governance Committee, or before its inception by the Board of Directors, for the 2004 Annual Meeting.

OPTION GRANTS IN LAST FISCAL YEAR

The following table sets forth information with respect to stock options granted during the fiscal year ended December 31, 2003, on a post split basis, to each of the executive officers named in the Summary Compensation Table. The percentage of total options granted to the Company's employees and directors in the last fiscal year is based on options granted to purchase an aggregate of 898,300 shares of Common Stock during fiscal 2003 on a post split basis.

The exercise prices are based on the closing price of the Common Stock on the date of grant adjusted to reflect the 2 for 1 stock split.

The amounts shown as "Potential Realizable Value" represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of the Common Stock, the optionee's continued employment through the option period and the date on which the options are exercised. The 5% and 10% assumed annual rates of compounded stock price appreciation are

mandated by rules of the SEC and do not represent the Company's estimate or projection of the future price of the Company's Common Stock.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee of the Board of Directors has furnished the following report on Audit Committee matters:

The Audit Committee of the Board of Directors oversees all aspects of the Company's financial accounting, audit and reporting function, including the disclosure controls and procedures and internal controls and procedures relating thereto, monitors the adequacy of the Company's financial and accounting reporting practices, and appoints and evaluates the independence and performance of the independent auditors. In addition, the Audit Committee approves all audit services to be provided by any independent auditing firm, as well as all audit and non-audit services provided by the independent auditors. The Audit Committee provides the Board of Directors additional information and material necessary to make the Board aware of any significant financial, accounting and internal control matters that require the attention of the Board.

The role and responsibilities of the Audit Committee are set forth in the revised written Charter adopted by the Board, a copy of which is attached as Annex I to this Proxy Statement. Under this charter, the Audit Committee must consist of at least two directors and each must be "independent" as defined by the rules of The American Stock Exchange Listing Standards. The current members of the

committee are: Mr. Alan W. Tuck and Mr. Arthur S. Reynolds, both of whom are independent as defined by such rules.

Apogee's financial and senior management are responsible for the Company's financial reporting process and systems of internal controls. The Company's independent auditors are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issue reports on these consolidated financial statements. The Audit Committee is responsible for overseeing these processes.

As part of its oversight of the Company's financial statements, the Committee reviews and discusses with both management of the Company and the Company's independent auditors all annual financial statements and quarterly operating results prior to their issuance. During fiscal 2003, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees), including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Committee also discussed with the Company's outside auditors' matters relating to its independence, including a review of the audit and non-audit fees and the disclosures made to the Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Based upon the Audit Committee's reviews and discussions with management and the independent public accountants, the undersigned Committee members recommended to the Board of Directors to approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's directors and officers, and persons who own more than 10% of the Company's Common Stock, to file with the Securities and Exchange Commission (the "SEC") initial reports of beneficial ownership and reports of changes in beneficial ownership of the Common Stock and other equity securities of the Company. Officers, directors and greater than 10% beneficial owners are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on its review of copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to its officers, directors and greater

than 10% beneficial owners were complied with except that a Form 3 report and a Form 4 report, reporting one transaction, were filed late on behalf of Arthur S. Reynolds.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In April 1997, the Company moved its principal executive offices to a facility owned by Mr. David Spiegel, a Director of the Company, whose term is concluding at the Annual Meeting. On October 1, 2001 the Company signed a 24-month lease, expiring September 30, 2003. On October 1, 2003, the Company signed a 12-month lease extension. The Company rents the facility for \$4,400 per month effective October 1, 2001. Rent paid during 2003, 2002 and 2001 amounted to \$151,200 in the aggregate. The Company believes that amounts paid pursuant to this lease are below market value.

In December 2001, the Company entered into an employment agreement with Herbert M. Stein pursuant to which Mr. Stein shall serve as the Company's Chief Executive Officer and President, as well as Chairman of the Board of Directors, subject to the rights of the shareholders of the Company to elect the Company's directors. The employment agreement is for an initial term ending on January 1, 2004 and is to be automatically extended for additional two-year periods unless terminated by either party no later than October 1 of the preceding year. Mr. Stein is entitled to an annual base salary, effective January 1, 2004, of \$295,000 which may be increased at the discretion of the Company's Board of Directors, and annual bonuses as determined by the Company's Board of Directors. Upon a change of control of the Company, as defined in the agreement, all stock options held by Mr. Stein shall become fully vested. The Company may terminate the employment agreement with or without Cause, as defined in the agreement. In the event of Mr. Stein's death or disability, the agreement provides that he (or his estate) shall be entitled to accrued salary through the date of termination, any bonus the Board of Directors has determined appropriate, and any proceeds or other benefits from insurance policies or other benefit plans to which he (or his estate) would be entitled. In the event that Mr. Stein's employment is terminated for Cause, he shall only be entitled to accrued salary through the date of termination. In the event that Mr. Stein is terminated without Cause, he shall be entitled to accrued salary through the date of termination, continued base salary payments for the greater of 24 months or the remainder of the term of the agreement, continued medical plan benefits for 24 months following the date of termination, and an amount equal to the highest bonus he has previously received under the agreement, prorated to the date of termination. In the event that Mr. Stein voluntarily terminates his employment, he shall be entitled to accrued salary through the date of termination and an amount equal to the highest bonus he has previously received under the agreement, prorated to the date of termination.

**MATTERS TO BE BROUGHT BEFORE THE MEETING
PROPOSAL ONE
ELECTION OF DIRECTORS**

The Company's Restated By-Laws provide for a classified Board of Directors. At each annual meeting of Stockholders, directors are elected to succeed those directors whose terms are expiring.

The Board of Directors has voted to nominate Herbert M. Stein as a Class III director for election at the Meeting for a term of three years to serve until the 2007 Annual Meeting of Stockholders and Arthur S. Reynolds as a Class II director for election at the Meeting for a term of two years to serve until the 2006 Annual Meeting of Stockholders or and until their successors are elected and qualified. The nominees will be elected by a plurality of the shares present and voting at the Meeting.

Unless authority to vote for the nominees named above is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of such nominees. In the event that the nominees shall become unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in that nominee's place. The Board has no reason to believe that these nominees will be unable or unwilling to serve.

The nominees, their ages, the year in which each began serving as a director, and their business experience is set forth above on page 4 of this proxy statement.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF HERBERT M. STEIN AND ARTHUR S. REYNOLDS AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

**PROPOSAL TWO
INDEPENDENT PUBLIC ACCOUNTANTS**

The Board of Directors has appointed Yohalem Gillman & Company LLP, independent public accountants, to audit the financial statements of the Company for the fiscal year ending December 31, 2004. The Board proposes that the Stockholders ratify this appointment. Yohalem Gillman & Company LLP audited the Company's financial statements for the fiscal year ended December 31, 2003. The Company expects that representatives of Yohalem Gillman & Company LLP will be present at the Meeting via teleconference, with the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by Yohalem Gillman & Company for the audit of the Company's annual financial statements for the years ended December 31,

2003 and December 31, 2002, and fees billed for other services rendered by Yohalem Gillman & Company LLP during those periods.

| | 2003 | 2002 |
|-------------------------------|-----------|-----------|
| Audit fees:(1) | \$ 85,000 | \$ 60,000 |
| Audit related fees:(2) | -0- | -0- |
| Tax fees:(3) | 5,000 | 5,000 |
| All other fees:(4) | -0- | -0- |
| Total | \$ 90,000 | \$ 65,000 |

- (1) Audit fees consisted of audit work performed in the preparation of financial statements, as well as work generally only the independent auditor can reasonably be expected to provide, such as statutory audits.
- (2) The Company incurred no fees in this category during fiscal year 2003 or fiscal year 2002.
- (3) Tax fees consist principally of assistance with matters related to tax compliance and reporting.
- (4) The Company incurred no fees in this category during fiscal year 2003 or fiscal year 2002.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by the independent auditor's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditor.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to

report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event that ratification of the appointment of Yohalem Gillman & Company LLP as the independent public accountants for the Company is not obtained at the Meeting, the Board of Directors will reconsider the appointment.

The affirmative vote of a majority of the shares voted at the Meeting is required to ratify the appointment of the independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE RATIFICATION OF THE APPOINTMENT OF YOHALEM GILLMAN & COMPANY LLP AS INDEPENDENT PUBLIC ACCOUNTANTS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

OTHER BUSINESS

As of the date of this proxy statement, the Board of Directors knows of no other business that will be presented to the Meeting. If any other business is properly brought before the Meeting for action by shareholders, proxies in the enclosed form returned to the Company will be voted in accordance with the judgment of the proxy holder.

STOCKHOLDER PROPOSALS FOR THE 2005 ANNUAL MEETING OF STOCKHOLDERS

To be considered for inclusion in our proxy statement relating to the 2005 Annual Meeting of Stockholders, stockholder proposals must be received no later than December 27, 2004. To be considered for presentation at the 2005 Annual Meeting, although not included in our proxy statement, proposals must comply with the Company's Restated By-Laws and must be received no later than March 26, 2005, and no earlier than February 25, 2005. Proposals not received during that time frame will not be voted on at the Annual Meeting. If a proposal is received during that time frame, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the Securities and Exchange Commission. All stockholder proposals should be marked for the attention of the Secretary, Apogee Technology, Inc., 129 Morgan Drive, Norwood, Massachusetts, 02062.

WHETHER OR NOT YOU INTEND TO BE PRESENT AT THE MEETING, YOU ARE URGED TO FILL OUT, SIGN, DATE AND RETURN THE ENCLOSED PROXY AT YOUR EARLIEST CONVENIENCE.
