NETLIST, INC.
PROXY STATEMENT
GENERAL INFORMATION

We are sending you this proxy statement in connection with the solicitation of proxies by our Board of Directors, for use at our 2008 annual meeting of stockholders, which we will hold on Wednesday, May 28, 2008 at 10:00 a.m., Pacific time, at our principal executive offices at 51 Discovery, Irvine, California 92618. The proxies will remain valid for use at any meetings held upon adjournment of that meeting. The record date for the meeting is the close of business on April 11, 2008. All holders of record of our common stock on the record date are entitled to notice of the meeting and to vote at the meeting and any meetings held upon adjournment of that meeting. Our telephone number is (949) 435-0025. This proxy statement is being initially distributed to stockholders on or about April 25, 2008.

Whether or not you plan to attend the meeting in person, please date, sign and return the enclosed proxy card as promptly as possible, in the postage prepaid envelope provided, to ensure that your shares will be voted at the meeting. You may revoke your proxy at any time prior to its use by filing with our secretary an instrument revoking it or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Unless you instruct otherwise in the proxy, any proxy that is not revoked will be voted at the meeting:

For each nominee to our Board of Directors; and

As recommended by our Board of Directors, in its discretion, with regard to all other matters as may properly come before the annual meeting or any adjournment thereof.

Voting Information

Our only voting securities are the outstanding shares of our common stock. At the record date, we had approximately 19,855,411 shares of common stock outstanding and approximately 21 stockholders of record. Each stockholder is entitled to one vote per share on each matter that we will consider at this meeting. Stockholders are not entitled to cumulative votes. Brokers holding shares of record for their customers generally are not entitled to vote on some matters unless their customers give them specific voting instructions. If the broker does not receive specific instructions, the broker will note this on the proxy form or otherwise advise us that it lacks voting authority. The votes that the brokers would have cast if their customers had given them specific instructions are commonly called "broker non-votes." If the stockholders of record present in person or represented by their proxies at the meeting hold at least a majority of our shares of common stock outstanding as of the record date, a quorum will exist for the transaction of business at the meeting. Stockholders attending the meeting in person or represented by proxy at the meeting who abstain from voting and broker non-votes are counted as present for quorum purposes.

Votes Required for Proposals

Directors are elected by a plurality of the votes cast, which means that the six nominees with the most votes will be elected. As a result, withholding authority to vote for a nominee and broker non-votes with respect to the election of directors will not affect the outcome of the election of directors.

Proxy Solicitation Costs

We will pay for the cost of preparing, assembling, printing and mailing these proxy materials to our stockholders, as well as the cost of soliciting proxies relating to the meeting. We may request banks and brokers to solicit their customers who beneficially own our common stock listed of record in names of nominees. We will reimburse these banks and brokers for their reasonable out-of-pocket expenses regarding these solicitations. Our officers, directors and employees may supplement the original solicitation by mail of proxies by telephone, facsimile, e-mail and personal solicitation. We will pay no additional compensation to our officers, directors and employees for these activities.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

At the meeting, you will elect six directors to serve until the 2009 annual meeting of stockholders or until their respective successors are elected and qualified. Four of the six directors have been determined to be independent under the listing requirements of The Nasdaq Global Market. Please see the section titled "Director Independence" below for more information. The Nominating and Corporate Governance Committee of our Board of Directors has recommended, and our Board of Directors has nominated, Chun Ki Hong, Nam Ki Hong, Thomas F. Lagatta, Alan H. Portnoy, David M. Rickey and Preston Romm for election as directors. All of these individuals are currently members of our Board of Directors. Each nominee has consented to being named in this proxy statement as a nominee and has agreed to serve as a director if elected.

Unless the proxy indicates otherwise, the persons named as proxies in the accompanying proxy have advised us that at the meeting they intend to vote the shares covered by the proxies for the election of the nominees named above. If one or more of the nominees are unable or not willing to serve, the persons named as proxies may vote for the election of the substitute nominees that our Board of Directors may propose. The accompanying proxy contains a discretionary grant of authority with respect to this matter. The persons named as proxies may not vote for a greater number of persons than the number of nominees named above.

No arrangement or understanding exists between any nominee and any other person or persons pursuant to which any nominee was or is to be selected as a director or nominee. Except for Chun Ki Hong and Nam Ki Hong, who are brothers, none of the nominees has any family relationship with any other nominee or with any of our executive officers.

The Board of Directors recommends a vote FOR the election of each of the named nominees as directors.

Director Independence

Our Board of Directors has determined that all of the members of the Board of Directors, other than Chun Ki Hong and Nam Ki Hong, are independent under the NASDAQ Marketplace Rules and listing standards. Chun Ki Hong is not independent because he is an executive officer of our company and Nam Ki Hong is not independent because he is the brother of Chun Ki Hong.

Chun Ki Hong and Nam Ki Hong were members of our Nominating and Corporate Governance Committee and our Audit Committee, respectively, prior to September 17, 2007. Each of the other members of these committees (constituting a majority of each committee) were independent during that time. The NASDAQ Marketplace Rules and listing standards generally require that all of the members of these committees be independent, but they permit new publicly traded companies to phase in compliance with this requirement. Companies must have a majority of committee members be independent within 90 days of listing on The NASDAQ Global Market and all committee members independent within one year of listing. The Sarbanes-Oxley Act of 2002 imposes additional independence standards for Audit Committee members. However, the Securities and Exchange Commission permits new publicly traded companies to phase in compliance with this requirement in the same manner as the NASDAQ Marketplace Rules and listing standards. As a newly traded public company, we relied on these transitional provisions during our phase-in period. As of September 17, 2007, our each of these committees and all members are independent under the applicable standards.

Information Regarding our Board of Directors and its Committees

Our Board of Directors met three times during 2007. Each of our directors attended at least 75% of the total number of meetings of the Board of Directors and of the committees of the Board of Directors on which he served during 2007. Our Board of Directors has adopted a set of corporate governance guidelines established to assist the Board of Directors and its committees in performing their duties and serving the best interests of the company and our stockholders. Our corporate governance guidelines are available on our website, located at <http://www.netlist.com>. Our Board of Directors has established the following committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

Audit Committee

Our Audit Committee consisted of Preston Romm, Nam Ki Hong and David M. Rickey until September 17, 2007, at which time Thomas Lagatta replaced Nam Ki Hong on the committee. Mr. Romm is and was the at all times during 2007 chairman of the Audit Committee. Our Board of Directors has determined that each current member of this committee qualifies as an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission and that each current member of our Audit Committee is "independent" under the NASDAQ Marketplace

Rules and listing standards. Our Board of Directors has adopted a written charter for our Audit Committee. The charter is set forth on our website, located at <http://www.netlist.com>. Our Audit Committee (a) monitors the integrity of our financial statements, our financial reporting process, systems of accounting internal controls and disclosure controls and procedures, and our financial reporting legal and regulatory compliance, (b) reviews and approves in advance any transactions by us with related parties, (c) appoints our independent registered public accounting firm, which is ultimately accountable to our Audit Committee and our Board of Directors, (d) monitors the independence and performance of our independent registered public accounting firm, and (e) provides an avenue of communication among the independent registered public accounting firm, management, and our Board of Directors. The Audit Committee must also pre-approve all audit and, subject to a "de minimus" exception, all other services performed by the independent registered public accounting firm. Our Audit Committee met seven times during 2007 and met with our independent registered public accounting firm without management present on four occasions in 2007.

Compensation Committee

Our Compensation Committee is and was during 2007 comprised of David M. Rickey, Thomas F. Lagatta and Alan H. Portnoy replaced Messrs. Hong and Romm on this committee. Mr. Rickey is and was at all times during 2007 the chairman of our Compensation Committee. Each of the members of our Compensation Committee is independent in accordance with the NASDAQ Marketplace Rules and listing standards. Each of the members of this committee is also currently a "non-employee director" as that term is defined under Rule 16b-3 of the Securities and Exchange Act of 1934 and an "outside director" as that term is defined in Internal Revenue Service Regulations. Our Compensation Committee reviews the performance of our chief executive officer and other executives and makes decisions and specific recommendations regarding their compensation to the Board of Directors with the goal of ensuring that our compensation system for our executives, as well as our philosophy for compensation for all employees, is aligned with the long term interests of our stockholders. The Compensation Committee also establishes policies relating to the compensation of our executive officers and other key employees that further this goal. The Compensation Committee met three times during 2007. The charter of the Compensation Committee is set forth on our website, located at <http://www.netlist.com>.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consisted of Chun Ki Hong, Alan H. Portnoy and Preston Romm until September 17, 2007, at which time Mr. Hong left the committee and was not replaced. Mr. Portnoy is and was at all times during 2007 the chairman of our Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee and our corporate governance guidelines are set forth on our website, located at <http://www.netlist.com>. Our Nominating and Corporate Governance Committee reviews and makes recommendations to the Board of Directors about our governance processes, assists in identifying and recruiting candidates for the Board of Directors, reviews the performance of the individual members of our Board of Directors, proposes a slate of nominees for election at the annual meeting of stockholders and makes recommendations to our Board of Directors regarding the membership and chairs of the committees of our Board of Directors. Our Nominating and Corporate Governance Committee does not have a specific set of minimum criteria for membership on the Board of Directors. In making its recommendations, however, it considers the mix of characteristics, experience, diverse perspectives and skills that is most beneficial to our company. This committee also considers continuing director tenure and takes steps as may be appropriate to ensure that our Board of Directors maintains an openness to new ideas. Our Nominating and Corporate Governance Committee will consider nominees for directors recommended by stockholders upon submission in writing to our Secretary of the names and qualifications of such nominees at the following address: Netlist, Inc., 51 Discovery, Irvine, California

92618. The committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. Our Nominating and Corporate Governance Committee met three times during 2007. In March 2008, the committee recommended the candidates standing for election at our 2008 annual meeting of stockholders.

Compensation of Directors

Our non-employee directors receive annual base compensation of \$30,000, paid in four quarterly installments, and compensation of \$1,000 for each regularly scheduled board meeting, or committee meeting not held on the same day as a board meeting, that is attended. The chairperson of our audit committee receives an additional \$5,000 per year. All of our directors, including our non-employee directors, are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and board committee meetings. Our non-employee directors are also granted an option to purchase 25,000 shares of our common stock upon appointment or initial election to the Board of Directors, and will receive a grant of an option to purchase 10,000 shares of our common stock on August 1st of each year in which they continue to be a board member. These existing option grants are, and future option grants will be, subject to vesting over four years, contingent upon continued service as a director on the vesting date, and have an exercise price equal to the fair market value of the shares of common stock underlying the option on the date of grant. The per share exercise price of these options granted after the completion of our initial public offering is the fair market value of a share of our common stock on the date of grant as determined in accordance with the terms of our 2006 Equity Incentive Plan. Our employee directors do not receive cash compensation or option grants for their services as directors.

INFORMATION CONCERNING INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**Independent Registered Public Accounting Firm**

Our Audit Committee has appointed KMJ Corbin & Company LLP as our independent registered public accounting firm for the fiscal year ending January 3, 2009. Representatives of KMJ Corbin & Company LLP are expected to attend the annual meeting and will be available to respond to appropriate questions and to make a statement if they so desire. If KMJ Corbin & Company LLP should decline to act or otherwise become incapable of acting, or if KMJ Corbin & Company LLP's engagement is discontinued for any reason, the Audit Committee will appoint another independent registered public accounting firm to serve as our independent registered public accounting firm for our 2008 fiscal year. Although we are not required to seek stockholder ratification of this appointment, our Board of Directors believes that it is a good corporate governance practice to follow. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

Our Audit Committee pre-approved all services performed by KMJ Corbin & Company LLP in 2007 and concluded that such services were compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires "insiders," including our executive officers, directors and beneficial owners of more than 10% of our common stock, to file reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission and to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, or written representations from reporting persons, we believe that our insiders complied with all applicable Section 16(a) filing requirements during 2007, except that Forms 4 for Board members Nam Ki Hong, Thomas Lagatta, Alan Portnoy, David Rickey and Preston Romm were not timely filed after the September 17, 2007 grant of stock options to each one, due to an administrative error.

Employment Agreements

We entered into an employment agreement with Chun Ki Hong, our President, Chief Executive Officer and Chairman of the Board, in September 2006. This agreement provides for an initial base salary of \$323,000 plus other customary benefits, including the reimbursement of professional fees and expenses incurred in connection with income and estate tax planning and preparation, income tax audits and the defense of income tax claims, the reimbursement of membership fees and expenses for professional organizations and one country club, the reimbursement of employment-related legal fees, the use of a company automobile, and the reimbursement of health club dues and other similar health-related expenses. Mr. Hong also received a \$200,000 cash success bonus upon the completion of our initial public offering in November 2006 and may earn annual performance bonuses, at the discretion of our Board of Directors, of up to 75% of his base salary based upon the achievement of performance objectives, beginning in fiscal 2007. The initial term of this agreement of five years will automatically be extended for additional one-year periods unless we or Mr. Hong provide notice of termination six months prior to the renewal date, but at all times Mr. Hong may terminate his employment upon six months' advance written notice to us. If we terminate Mr. Hong's employment without cause or if he terminates his employment for good reason, which includes a change of control of our company, Mr. Hong will be entitled to receive continued payments of his base salary for one year, reimbursement of medical insurance premiums during that period unless he becomes employed, a pro-rated portion of his annual performance bonus, and, if any severance payment is deemed to be an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code, an amount equal to any excise tax imposed under Section 4999 of the Internal Revenue Code. In addition, his option to purchase 500,000 shares of our common stock at an exercise price of \$7.00 per share, granted in August 2006, shall immediately vest in full. If Mr. Hong's employment is terminated due to death or disability, he or his estate will receive a lump sum payment equal to half his annual base salary and the above option shall partially vest. If Mr. Hong resigns without good reason or is terminated for cause, we will have no further obligation to him other than to pay his base salary through the date of termination.

Performance Incentive Agreements

In August 2006, Messrs. Bhakta and Lopes entered into Performance Incentive Agreements with us that included lock-up agreements as part of an overall compensation package. These agreements provide that they will not sell any of their shares of common stock during the two-year period following the termination of the lock-up agreements that they entered into with the underwriters in connection with our initial public offering, other than the sale of up to 25,000 shares each quarter pursuant to a written trading plan that complies with SEC Rule 10b5-1 and is approved by us. In return, we agreed that each of them would receive a \$100,000 bonus upon completion of that initial public offering (which must be repaid to us in connection with a resignation prior to the end of the two year lock up period), and that each of them would be able to sell, as part of the over-allotment option granted to the underwriters in connection with that initial public offering, shares of our common stock that would equal 10% of the total number of shares purchased by the underwriters upon the exercise of that over-allotment option. Upon signing these agreements, each of these employees also received an option to purchase 100,000 shares of our common stock at an exercise price of \$7.00 per share as part of this compensation package. These options will vest and become exercisable in a single installment upon the

expiration of the two-year period described in their respective lock-up agreements. The over-allotment option was exercised in full by the underwriters.

Additionally, Messrs. Bhakta and Lopes each had an individual cash incentive compensation plan for fiscal 2006, pursuant to which they each had the opportunity to earn cash payments in amounts of up to either 50% or 65% (depending on the individual) of their base salaries upon the achievement of specified performance goals unique to each officer. These performance goals were comprised of either company-wide targets, individual performance goals, or a combination of both. Each individual's goals are tied directly to company-wide goals or other performance objectives that contribute to the achievement of such company-wide goals. Achievements of performance goals were measured, and the corresponding cash bonus achieved was paid, biannually.
