Edgar Filing: EnergySolutions, Inc. - Form SC TO-C

This filing contains only preliminary communications made before the commencement of an anticipated tender offer to acquire certain options issued to employees by EnergySolutions, Inc. (the "Company") in exchange for cash (the "Option Purchase Program").

On April 29, 2009, the Company filed with the Securities and Exchange Commission its definitive Notice of Annual Meeting of Stockholders and Proxy Statement on Schedule 14A ("proxy materials"), a copy of which is filed as Exhibit 99.1 to this Schedule TO. The proxy materials include a proposal for stockholders to approve the Option Purchase Program.

The Company has not initiated the Option Purchase Program and will not do so unless it receives approval from its stockholders at its 2009 Annual Meeting of Stockholders. Even if stockholder approval is obtained, the Company may still decide to not implement the Option Purchase Program or may delay its implementation. If the Option Purchase Program is commenced, the Company will file a Tender Offer Statement on Schedule TO with the Securities and Exchange Commission ("SEC"). Persons who may be eligible to participate in the Option Purchase Program should read the Tender Offer Statement and other related materials when they become available because they will contain important information about the Option Purchase Program. The Company's stockholders and option holders will be able to obtain these written materials and other documents filed by the Company with the SEC free of charge from the SEC's website at www.sec.gov or from the Company by contacting John Rasmussen at (801) 649-2000.
