**PROXY STATEMENT**

**General Information Regarding the Annual Meeting**

This proxy is solicited on behalf of the Board of Directors of Maui Land & Pineapple Company, Inc., a Hawaii corporation, for the 2011 Annual Meeting of Shareholders, or the Annual Meeting, to be held on *May 5, 2011, at 8:30 a.m., local time, at the Kapalua Village Center Conference Room in Kapalua, Maui, Hawaii*, or any continuation, postponement or adjournment thereof, for the purposes discussed in this Proxy Statement. Proxies are solicited to give all shareholders of record an opportunity to vote on matters properly presented at the Annual Meeting. This Proxy Statement, the accompanying proxy card and the Annual Report on Form 10-K for the year ended December 31, 2010, including financial statements, are first being mailed on or about March 28, 2011 to all shareholders entitled to vote at the Annual Meeting. As used in this Proxy Statement, the terms the "Company," "we," "our," and "us," refer to Maui Land & Pineapple Company, Inc.

*Who Can Vote*

Holders of record of shares of our Common Stock, no par value, at the close of business on March 7, 2011, the Record Date, will be entitled to notice of, and to vote at, the Annual Meeting. The securities entitled to vote at the Annual Meeting consist of shares of Common Stock, with each share entitling its owner to one vote per share on each matter properly brought before the Annual Meeting. Shareholders will not be entitled to cumulate their votes in the election of directors.

Your shares may be voted at the Annual Meeting only if you are present in person or represented by a valid proxy. You may vote by proxy on the Internet, by telephone or by completing and mailing the enclosed proxy card. For your convenience, a self-addressed envelope is enclosed; it requires no postage if mailed in the United States. Voting by proxy on the Internet or by telephone may not be available to all shareholders. For specific instructions on voting, please refer to the instructions on the proxy card or the information forwarded by your bank, broker or other holder of record. The Internet and telephone voting facilities will close at 11:59 p.m. Eastern Time on May 4, 2011. Shareholders who vote through the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers and that these costs must be borne by the shareholder. Shareholders who vote by Internet or telephone need not return a proxy card by mail. If you are the beneficial owner of shares held in "street name" by a broker, bank or other nominee, collectively referred to in this Proxy Statement as a "Nominee", then your Nominee, as the record owner of the shares, must vote those shares in accordance with your instructions. Please refer to the instruction card they provide for voting your shares.

A list of shareholders entitled to vote at the Annual Meeting will be available for examination by any shareholder for any purpose germane to the Annual Meeting during ordinary business hours at our administrative offices at 870 Haliimaile Road, Makawao, Maui, Hawaii 96768-9768 for the ten days prior to the Annual Meeting, and also at the Annual Meeting.

*Shares Outstanding and Quorum*

As of the Record Date, approximately 18,765,265 shares of Common Stock were issued and outstanding. Votes cast by proxy or in person at the Annual Meeting will be tabulated to determine whether or not a quorum is present for the transaction of business at the meeting. A quorum will exist if a majority of shares of Common Stock issued and outstanding as of the Record Date are represented at the meeting, either in person or by proxy.

---

## Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

### *Proxy Card*

Shares of our Common Stock represented by properly executed proxies received by us at or prior to the Annual Meeting and not subsequently revoked will be voted as directed in those proxies. If a proxy is signed and no directions are given, shares represented thereby will be voted (1) in favor of electing the Board's seven nominees as directors; and (2) in favor of the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. The proxy confers discretionary authority on the persons it names as to all other matters that may come before the Annual Meeting and at any continuation, postponement or adjournment thereof. The Board of Directors knows of no other items of business that will be presented for consideration at the Annual Meeting other than those described in this Proxy Statement. In addition, no shareholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

### *Abstentions and Broker Non-Votes*

#### *Abstentions*

When an eligible voter attends the meeting but decides not to vote, his or her decision not to vote is called an "abstention." Properly executed proxy cards that are marked "abstain" or "withhold authority" on any proposal will be treated as abstentions for that proposal. We will treat abstentions as follows:

abstention shares are deemed present and entitled to vote for purposes of establishing a quorum;

abstention shares will be treated as not voting for purposes of determining the outcome on any proposal for which the minimum vote required for approval of the proposal is a plurality (or a majority or some other percentage) of the votes actually cast, and thus will have no effect on the outcome; and

abstention shares will have the same effect as votes against a proposal if the minimum vote required for approval of the proposal is a majority (or some other percentage) of (i) the shares present and entitled to vote, or (ii) all shares outstanding and entitled to vote.

#### *Broker Non-Votes*

If you are the beneficial owner of shares held in "street name" by a Nominee, then your Nominee, as the record owner of the shares, must vote those shares in accordance with your instructions. "Broker non-votes" occur when shares held by a Nominee for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner, and (2) such proposal is a non-routine proposal for which the Nominee lacks the discretionary authority to vote the shares. Whether a proposal is routine or non-routine is determined under the rules of the New York Stock Exchange, or NYSE. Thus, when no voting instructions are received and a Nominee lacks the discretion to vote on his or her clients' behalf, Nominees are generally required to return the proxy card (or a substitute) marked with an indication that the Nominee lacks voting power over that particular proposal. This type of response is known as a "broker non-vote." We will treat broker non-votes as follows:

broker non-votes are deemed present and entitled to vote for purposes of establishing a quorum;

broker non-votes will not be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote (even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters). Thus, a broker non-vote will not affect the outcome of the voting on a proposal that requires the affirmative vote of a plurality (or a

## Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

majority or some other percentage) of (i) the votes cast or (ii) the voting power present and entitled to vote on that proposal for approval; and

broker non-votes will have the same effect as a vote against a proposal that requires an affirmative vote of the holders of a majority (or some other percentage) of the outstanding shares entitled to vote on such proposal for approval.

Proposal No. 1 relating to the election of directors is considered non-discretionary and therefore cannot be voted upon by your Nominee. Proposal No. 2 is considered to be discretionary and therefore may be voted upon by your Nominee if you do not give instructions for the shares held by such Nominee.

### *Counting of Votes*

Directors are elected by a plurality of votes cast, so the nominees who receive the most votes will be elected. Abstentions will not be taken into account in determining the election of directors and broker non-votes will result if we do not receive voting instructions from your Nominee because the election of directors is a non-discretionary matter.

Ratification of the independent registered public accounting firm will require an affirmative vote of a majority of shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the same effect as votes against the ratification and the proposal. Because the ratification of the independent registered public accounting firm is a discretionary matter, broker non-votes will not result for this item.

### *Revocation of Proxy*

If you are a shareholder of record and vote by proxy, you may revoke your proxy at any time before it is voted by:

signing and returning another proxy card bearing a later date;

submitting another proxy on the Internet or by telephone (your latest telephone or Internet voting instructions are followed);  
or

giving written notice of revocation to our Secretary prior to or at the Annual Meeting or voting at the annual meeting.

Your attendance at the Annual Meeting will not have the effect of revoking your proxy unless you give written notice of revocation to our Secretary before the polls are closed. Any written notice revoking a proxy should be sent to the Secretary at 870 Haliimaile Road, Makawao, Maui, Hawaii 96768-9768, and must be received before the polls are closed.

If your shares are held in the name of a Nominee, you may change your vote by submitting new voting instructions to your Nominee. Please note that if your shares are held of record by a Nominee and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your Nominee.

### *Solicitation of Proxies*

We will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this Proxy Statement, the proxy and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of Common Stock in their names that are beneficially owned by others to forward to those beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners. Original solicitation of proxies by mail

may be supplemented by telephone, facsimile, electronic mail or personal solicitation by our directors, officers or employees. No additional compensation will be paid to directors, officers or employees for such services.

*Shareholder Proposals and Nominations*

Under Rule 14a-8 promulgated under the Securities and Exchange Act of 1934, as amended, or the Exchange Act, in order for business to be properly brought by a shareholder before an annual meeting, our Secretary must receive, at our corporate office, written notice of the matter not less than 120 days prior to the first anniversary of the date our proxy statement was released to shareholders in connection with the preceding year's annual meeting. Thus, proposals of shareholders intended to be presented pursuant to Rule 14a-8 under the Exchange Act must be received at our corporate offices on or before November 29, 2011 in order to be considered for inclusion in our proxy statement and proxy card for the 2012 Annual Meeting.

Our Bylaws contain additional requirements that must be satisfied for any proposal of shareholders made other than under Rule 14a-8. Compliance with these requirements will entitle the proposing shareholder only to present such proposals or nominations before the meeting, not to have the proposals or nominations included in our proxy statement or proxy card. Such proposals or nominations may not be brought before an annual meeting by a shareholder unless the shareholder has given timely written notice in proper form of such proposal or nomination to the Chairman of the Board, our President or our Secretary. Such proposals or nominations may be made only by persons who are shareholders of record on the date on which such notice is given and on the record date for determination of shareholders entitled to vote at that meeting. Shareholder notices of any proposals or nominations intended to be considered at the 2012 Annual Meeting will be timely under our Bylaws only if received at our corporate offices no earlier than January 6, 2012 and no later than February 5, 2012. However, if the 2012 Annual Meeting is called for a date that is not within thirty days before or after May 5, 2012, any such notice will be timely only if it is received no later than the close of business on the tenth day following the date of the first mailing of the notice of our 2012 Annual Meeting or the date of the public disclosure of the date of our 2012 Annual Meeting, whichever is earlier.

To be in proper written form, a shareholder's notice concerning a proposal to be presented at an annual meeting must set forth as to each matter the shareholder proposes to bring before the annual meeting:

a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting;

the name and record address of such shareholder;

the number of shares of our stock owned by such shareholder beneficially and of record;

a description of all arrangements or understandings between such shareholder and any other person or persons (including their names) in connection with the proposal of such business by such shareholder and any material interest of such shareholder in such business; and

a representation that such shareholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

To be in proper written form, a notice concerning a nomination for election to our Board of Directors must set forth as to each person whom the shareholder proposes to nominate for election as a director:

the name, age, business address and residence address of the person;

the principal occupation or employment of the person;

## Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

the number of shares of our stock owned by the person beneficially and of record; and

any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and as to the shareholder giving the notice:

the name and record address of such shareholder;

the number of shares of our stock owned by such shareholder beneficially and of record;

a description of all arrangements or understandings between such shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such shareholder;

a representation that such shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and

any other information relating to such shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder.

A notice concerning a nomination for election to our Board of Directors must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

In addition, no person will be eligible for election as a director if such election would cause us to have insufficient "independent directors" within the meaning of the listing standards of the NYSE.

Any notice concerning proposals or nominations sought to be considered at an Annual Meeting should be addressed to our Chairman, President or Secretary at 870 Haliimaile Road, Makawao, Maui, Hawaii 96768-9768. The full text of the bylaw provisions referred to above (which also set forth requirements and limitations as to shareholder proposals or nominations to be considered at any special meeting) may be obtained by contacting our Secretary at the foregoing address, by telephone at 808-877-3895, facsimile 808-442-1172 or e-mail at [asumida@mlpmaui.com](mailto:asumida@mlpmaui.com).

### *Multiple Shareholders Sharing the Same Address*

Owners of common stock in street name may receive a notice from their Nominee stating that only one proxy statement will be delivered to multiple security holders sharing an address. This practice, known as "householding," is designed to reduce printing and postage costs. However, if any shareholder residing at such an address wishes to receive a separate proxy statement, or if a household is currently receiving multiple copies of the same items and any shareholder would like in the future to receive only a single copy at his or her address, he or she may contact our Secretary at 870 Haliimaile Road, Makawao, Maui, Hawaii 96768-9768 or by telephone at 808-877-3895 or e-mail at [asumida@mlpmaui.com](mailto:asumida@mlpmaui.com).

**General Information Election of Directors**

Our Board of Directors consists of seven members who are elected for a one-year term or until their successors are elected or appointed and qualified.

Trotter III for the one-year term that begins in 2011.

In the event that any person nominated as a director becomes unavailable or declines to serve as a director at the time of the Annual Meeting, the proxy holders will vote the proxies in their discretion for any nominee who is designated by the current Board of Directors to fill the vacancy. It is not expected that any of the nominees will be unavailable to serve.

Set forth below is biographical information for each nominee for election at the Annual Meeting of Shareholders in 2011. There are no family relationships among any of our directors.

### Director Independence

Both the listing standards of the NYSE and our Bylaws require that a majority of the Board be independent within the meaning of the listing standards of the NYSE. The Nominating and Governance Committee annually evaluates the independence of each director and nominee for director, based on the rules prescribed by the listing standards of the NYSE and an evaluation of the transactions, if any, between us and the other entities with whom the director has an affiliation. After completing its annual evaluation, the Nominating and Governance Committee concluded that (1) Warren H. Haruki, who is Chairman of our Board of Directors, is not independent because he serves as our Interim Chief Executive Officer; and (2) Stephen M. Case is not independent because of

the materiality of his beneficial ownership in the Company. Our Board of Directors has affirmatively determined that Messrs. Heenan, Lucien, MacNaughton, Tokin and Trotter are independent pursuant to the NYSE standards for independence.

### **Board Meetings and Committees**

The Board of Directors has established three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. The Board has approved a written charter for each of these committees, and each such charter as well as our Corporate Governance Guidelines are posted on our website at [www.mauiland.com](http://www.mauiland.com).

In 2010, our Board of Directors held 4 meetings; the Audit Committee held 4 meetings and the Compensation Committee and the Nominating and Governance Committee each held 1 meeting. The Board of the Directors and each committee conduct annual self-evaluations of their effectiveness. In 2010, all directors attended at least 75% of the aggregate meetings of the Board and committees on which they serve. The non-management directors met four times in 2010 with Mr. Heenan, the lead independent director, presiding at such meetings. Board members are encouraged, but not required, to attend our Annual Meeting of Shareholders. Our 2010 Annual Meeting of Shareholders was attended by all of our directors serving at that time, with the exception of Mr. Lucien.

#### *Audit Committee*

Members of the Audit Committee are Messrs. Lucien (Chairman), Heenan and Tokin. All of the Audit Committee members are independent, as defined by the listed company standards of the NYSE and by the rules of the Securities and Exchange Commission, or SEC. The Board of Directors have determined that Messrs. Lucien and Tokin are "audit committee financial experts" as defined in the rules and regulations of the SEC.

The Audit Committee is responsible for, among other things, monitoring the integrity of our consolidated financial statements, our system of internal accounting controls and financial reporting processes, and the overall performance of our internal auditors. The Audit Committee is also responsible for hiring, determining compensation for, and reviewing the independence and performance of, our independent registered public accounting firm. See "Audit Matters Report of the Audit Committee."

#### *Compensation Committee*

The members of the Compensation Committee are Messrs. MacNaughton (Chairman), Tokin and Trotter. Each of these directors is independent as defined by the applicable listed company standards of the NYSE.

The Compensation Committee reviews and approves the compensation plans, salary recommendations and other matters relating to compensation of our executive officers and directors. Compensation recommendations regarding the executive officers (except for the Chief Executive Officer) and directors are generally provided to the Compensation Committee by our Chief Executive Officer, and approved by the Compensation Committee. Our Chief Executive Officer's total compensation is recommended by the Compensation Committee and approved by our Board of Directors. The Compensation Committee generally retains the services of a compensation consultant to evaluate the compensation of our executive officers and directors. However, in 2010, the Compensation Committee did not retain the services of any outside compensation consultant. The Compensation Committee has the sole authority to retain and terminate outside counsel and other outside experts or consultants, at our expense, as deemed appropriate.

## Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

### *Nominating and Governance Committee*

The members of the Nominating and Governance Committee are Messrs. Heenan (Chairman), MacNaughton and Trotter. All of the Nominating and Governance Committee members are independent as defined by the listed company standards of the NYSE.

The Nominating and Governance Committee identifies, evaluates, and recommends qualified candidates to our Board of Directors for nomination and election. The Nominating and Governance Committee's policy with respect to director candidates recommended by shareholders is that it will consider any such director candidates on the same basis as candidates identified by the Nominating and Governance Committee. Names and resumes of prospective directors should be addressed to Nominating and Governance Committee of Maui Land & Pineapple Company, Inc., c/o Corporate Secretary, 870 Haliimaile Road, Makawao, Hawaii 96768-9768. See "Shareholder Proposals and Nominations" above.

The criteria that will be applied in evaluating any candidate considered by the Nominating and Governance Committee, including those recommended by shareholders, include whether or not the candidate:

is familiar with the communities of Maui and Hawaii in general;

possesses personal and professional integrity, sound judgment and forthrightness;

has sufficient time and energy to devote to our affairs;

is willing to challenge and stimulate management and is able to work as part of a team in an environment of trust;

has an open-minded approach to, and the resolve to independently analyze, matters presented for consideration;

will add specific value by virtue of particular technical expertise, experience or skill relevant to our business; and

understands business and financial affairs and the complexities of a business organization. While a career in business is not essential, a nominee should have a proven record of competence and accomplishment through leadership in industry, non-profit organizations, the professions or government.

The Nominating and Governance Committee has not adopted any formal diversity policy with respect to the nomination of qualified director candidates. However, the Nominating and Governance Committee may consider diversity, broadly defined to include a diversity of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, in the context of the requirements of the Board of Directors at any specific point in time.

The Nominating and Governance Committee identifies nominees for positions on our Board of Directors by requesting names of potential candidates from the other Board members and from our executive officers. The full Board is responsible for final approval of new director candidates, as well as the nomination of existing directors for reelection. With respect to existing directors, prior to making its recommendation to the full Board, the Nominating and Governance Committee, in consultation with the Chairman of the Board, reviews each director's continuation on the Board as a regular part of the nominating process.

The Nominating and Governance Committee is authorized by its charter to retain a third party search firm to identify potential nominees to our Board of Directors. The Nominating and Governance

Committee review resumes of the interested candidates and selects those that pass the initial screening for personal interviews, screening, and for final recommendation to our Board of Directors.

#### **Communications with the Board of Directors**

All interested parties wishing to submit written communications to our management and non-management Board of Directors should address their communications to: Board of Directors of Maui Land & Pineapple Company, Inc., or to the specified individual director, c/o Secretary, 870 Haliimaile Road, Makawao, Hawaii 96768-9768. All such correspondence will be forwarded to the specified director or in the absence of such specification, to the Chairman of the Board.

#### **Code of Ethics**

We adopted an amended and restated Code of Ethics in March 2008 that applies to all of our employees, including our principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Ethics will be furnished, free of charge, upon written request to our Secretary, Maui Land & Pineapple Company, Inc., 870 Haliimaile Road, Makawao, Hawaii 96768-9768; or by email, [asumida@mlpmaui.com](mailto:asumida@mlpmaui.com). The Code of Ethics is also available on our website at [www.mauiand.com](http://www.mauiand.com). We will disclose any amendment to, or waiver from, any provision of the Code of Ethics by posting such information on our website.

#### **Board Leadership Structure and Risk Oversight**

Our Board does not have a policy, one way or the other, on whether the same person should serve as both our chief executive officer and chairman of the board or, whether the chairman should be a non-employee director. Our Board believes that it should have the flexibility to make this determination at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. Over the past several years, we have had different leadership structures reflecting our circumstances at the time. Our Board believes that the current leadership structure, with Mr. Haruki serving as Chairman of the Board and Interim Chief Executive Officer, is appropriate given Mr. Haruki's experience in serving in both of these roles, his strong leadership capability and the efficiency of having the roles combined. Pursuant to past practice, whenever the chairman is an employee of the Company, the Board selects a "lead independent director." Mr. Heenan is currently the lead independent director and as such, presides over meetings of the non-management directors. We believe that this leadership structure provides the appropriate level of independent oversight necessary to ensure that the Board meets its fiduciary obligations to our stockholders, that the interests of management and our stockholders are properly aligned, and that we establish and follow sound business practices and strategies that are in the best interests of our stockholders.

The Audit Committee oversees our risk management functions the purpose of which is to identify potential events and risks that may affect the entity and its objectives. To fulfill this duty the Committee works with management to highlight significant enterprise-wide risks, to establish operational plans to control and mitigate risks and to monitor and review the risk management function. The Audit Committee discusses its findings with the Board and will consult with the Board on all major decisions.

- (1) Consists of an annual board retainer. Mr. Tokin was appointed as a new Board member in May 2010; therefore, his annual retainer reflects a prorated amount for the fiscal year ended December 31, 2010. These amounts do not include amounts paid to independent directors to reimburse them for expenses of travel, lodging and other reasonable out-of-pocket expenses which are related to service on the Company's Board of Directors.
- (2) Aggregate grant date fair value (computed in accordance with FASB ASC topic 718) of stock awards granted in 2010. Assumptions used in the calculation of these amounts are included in Note 12 to our consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 filed with the SEC on March 14, 2011. As of December 31, 2010, Messrs. Heenan, Lucien and Tokin each had 250 unvested restricted stock awards outstanding that were granted in 2010.
- (3) Compensation for Chairman and Interim CEO, Warren H. Haruki are included in the Executive Compensation Tables in this report.

*Narrative to Director Compensation Table*

In 2010, all non-employee directors received an annual cash retainer fee of \$27,000, which represented a 10% reduction of the directors' annual cash retainer that became effective on January 1, 2009. Each director is expected to perform committee service and to attend meetings; therefore, we do not pay additional compensation for committee service or for attending meetings. Non-employee directors are also granted restricted Common Stock, or Restricted Shares, 250 shares of which vest each quarter covering the term of the director's current membership. The Restricted Shares are granted under the Maui Land & Pineapple Company, Inc. 2006 Equity and Incentive Award Plan (the "2006 Plan") to the director at the time he or she is elected, re-elected or appointed to the Board. The number of shares granted to each director is equal to the number of calendar quarters in his term multiplied by 250 shares. The directors have voting and regular dividend rights with respect to the unvested Restricted Shares, but have no right to dispose of them until such time as they are vested. Each unvested Restricted Share is forfeited upon the director's termination of his position as a member of the Board of Directors for any reason.

In 2010, Messrs. Heenan, Lucien and Tokin were each granted 1,000 Restricted Shares upon their election to our Board of Directors for a one-year term ending with our annual meeting in 2011 (fair value on May 13, 2010 of \$4.98 per share). Prior to our annual meeting in 2010, directors were divided into three classes with each class holding office for three years in staggered terms. Messrs. Case, MacNaughton and Trotter were not granted additional restricted shares in 2010 because they continued

to have at least 1,000 unvested restricted shares that were granted to them prior to termination of our staggered Board and the reduction in the term of directorship from three years to one year.

**PROPOSAL 2: Ratification of Independent Registered Public Accounting Firm**

Deloitte & Touche LLP, an independent registered public accounting firm, has been our independent auditor for many years, and is considered by management to be well qualified. The Audit Committee of the Board of Directors has appointed Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2011. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting and will be given an opportunity to make a statement. The representative also will be available to respond to appropriate questions.

Shareholder ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm is required by our Restated Articles of Association. If the shareholders fail to ratify the selection, the Audit Committee may select a different firm until the next annual meeting of shareholders or may submit the new firm to our shareholders for ratification.

**The Board of Directors recommends a vote "FOR" ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal 2011.**

**Report of the Audit Committee**

The Audit Committee reviewed and discussed with management, and the independent registered public accounting firm, the Company's quarterly financial statements and related Forms 10-Q for 2010, and the Company's annual audited financial statements and related Form 10-K for the year ended December 31, 2010, prior to their filing.

The Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards, or SAS, No. 61, "Communications with Audit Committees," as amended by SAS Nos. 89 and 90, and as adopted by the Public Company Accounting Oversight Board Rule 3600T.

The Committee has received the written disclosures and the letter from the independent public accounting firm required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended and as adopted by the Public Company Accounting Oversight Board Rule 3600T, and has discussed with the independent registered public accounting firm their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Form 10-K for the year ended December 31, 2010.
