## Explanation of Responses:

- \* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) This is an amendment to a Form 4 inadvertently filed today with a date of 8/2/2007 and with an 8/2/2007 stock transaction with a signature date of 9/5/2007. Form should have been filed using 9/4/2007 transaction date and stock purchase. This is the correct filing for the 9/4/2007 transaction and voids the prior filing done today.

(2) The number of underlying securities is based on the stock fund balance on September 4, 2007. The actual number of shares issuable upon the distribution date is not determinable since the stock fund is a unitized account consisting of 96% company stock and 4% money market fund. The stock account balance reflected in this report is based on a September 4, 2007, stock fund price of \$114.77 per share.

(3) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

(4) The phantom stock units were accrued under the Johnson Controls Annual Incentive Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company.

(5) The phantom stock units were accrued under the Johnson Controls Equalization 401(k) Benefit Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company. Phantom stock units accrue in the plan through monthly payroll deductions once the limit has been reached in the 401(k) Plan. The Equalization Plan mirrors the company's broad-based 401(k) Plan.

(6) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. The restricted stock units were accrued under the Johnson Controls Restricted Stock Plan. The units represent the reinvestment of dividends and are to be settled 100% in cash upon the vesting of the reporting person's Restricted Stock.

(7) Fifty percent of the options vest after two years and the remaining 50% vests after three years.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
