Item 3. Source and Amount of Funds or Other Consideration.

(a) Bumgarner Enterprises, Inc.

Bumgarner Enterprises, Inc. ("Bumgarner") has completed a tender offer and has acquired 4,388,181 shares of common stock of Ranger Industries, Inc. ("Ranger"). As a result of a merger completed immediately prior to the completion of the tender offer, Bumgarner became a wholly-owned subsidiary of Ranger. Consequently, the shares of Ranger common stock held by Bumgarner are not entitled to vote and are not considered to be "outstanding" for state corporate law purposes.

Bumgarner financed a substantial portion of the tender offer with an \$8.5 million loan made available from Guaranty Bank & Trust Company, Denver, Colorado. Bumgarner financed the balance of the tender offer with funds made available to it by Ranger.

(b) Charles G. Masters

Bumgarner completed transactions under an Agreement and Plan of Merger and Reorganization dated as of December 29, 2000, as amended on January 23, 2001 (the "Merger Agreement"). As a result of the Merger Agreement, Bumgarner is now a wholly-owned subsidiary of Ranger, and Ranger issued 14,720,000 shares of Ranger common stock to the persons who formerly held shares of Bumgarner common stock.

As a result of the completion of the merger, Mr. Masters, directly and through the Charles G. Masters Trust Fund, Charles G. Masters as trustee, own 11,401,000 shares of Ranger common stock as to which Mr. Masters has sole dispositive and sole voting power. Mr. Masters acquired his previous interest in Bumgarner with his personal funds.

Item 4. Purpose of Transaction.

Bumgarner completed the tender offer to acquire Ranger common stock to comply with certain obligations set forth in the Merger Agreement by which Bumgarner will become a wholly-owned subsidiary of Ranger.

Mr. Masters acquired the Ranger common stock pursuant to the Merger Agreement to take control of Ranger. As a condition of the Merger Agreement, Ranger's board of directors resigned and appointed Mr. Masters and two designees as directors of Ranger. Ranger has provided the notification required by Section 14(f) of the Securities Exchange Act of 1934, as amended.

- (a) Neither Mr. Masters nor Bumgarner has any plans for the acquisition by any person of additional securities of Ranger other than as set forth in the preceding two paragraphs, or for the disposition of any securities of Ranger.
- (b) Neither Mr. Masters nor Bumgarner has any plans for any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Ranger or any of its subsidiaries other than the merger by which Ranger acquired Bumgarner. Bumgarner will have to acquire additional financing for the purpose of completing its investment in certain oil and gas properties as described in the tender offer documents.
- (c) Neither Mr. Masters nor Bumgarner has any plans for a sale or transfer of a material amount of assets of Ranger or any of its subsidiaries other than in furtherance of its planned oil and gas exploration and development.
- (d) Neither Mr. Masters nor Bumgarner has any plans any change in the present board of directors or management of Ranger except to the extent accomplished in completing the merger.
- (e) Neither Mr. Masters nor Bumgarner has any plans to accomplish any material change in the present capitalization or dividend policy of Ranger except to the extent necessary to acquire additional capital necessary to complete Bumgarner's acquisition of its oil and gas properties.
- (f) Neither Mr. Masters nor Bumgarner has any plans to accomplish any other material change in Ranger's business or corporate structure except that Ranger will be participating in the exploration for oil and gas, and the development of oil and gas prospects, as a result of Bumgarner's investment in a joint venture which owns oil and gas prospects in Oklahoma.

- (g) Neither Mr. Masters nor Bumgarner has any plans to make changes in Ranger's charter, bylaws or to take other actions which may impede the acquisition of control of Ranger by any person.
- (h) Neither Mr. Masters nor Bumgarner has any plans to cause a class of securities of Ranger to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) Neither Mr. Masters nor Bumgarner has any plans to cause a class of equity securities of Ranger to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended. Even if, as a result of the tender offer, the equity securities of

Edgar Filing: RANGER INDUSTRIES INC - Form SC 13D

Ranger become eligible for termination of registration, neither Bumgarner nor Mr. Masters intends to take actions to terminate such registration.

- (j) Neither Mr. Masters nor Bumgarner has any plans to take or cause Ranger to take any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

- (a) State the aggregate number and percentage of the class of securities identified pursuant to Item 1 (which may be based on the number of securities outstanding as contained in the most recently available filing with the Commission by the issuer unless the filing person has reason to believe such information is not current) beneficially owned (identifying those shares which there is a right to acquire) by each person named in Item 2. The above mentioned information should also be furnished with respect to persons who, together with any of the persons named in Item 2, comprise a group within the meaning of Section 13(d)(3) of the Act
 - (i) Neither Bumgarner nor Mr. Masters, nor any affiliate of either, currently owns any common stock (or the right to acquire any common stock) of Ranger except pursuant to the tender offer (described in Item 5, para. (a)(ii), below) and pursuant to the merger agreement (described in Item 5, para. (a)(iii), below).
 - (ii) Bumgarner has completed a tender offer by which it acquired 4,388,181 shares of Ranger's common stock. Although these shares are considered "issued" for the purposes of state law, these shares are not considered to be "outstanding" because they are owned by Bumgarner, currently a wholly-owned subsidiary of Ranger. Consequently there are no voting rights attributable to these shares.

Although Bumgarner has dispositive rights as to those shares, it can only dispose of the shares to the same extent Ranger could do so. Bumgarner intends to return the shares to Ranger for cancellation (at which point the shares will become authorized but unissued).

CUSIP No.: 752907105

Page 8

- (iii) Pursuant to the completion of the merger, Ranger acquired all of the outstanding shares of Bumgarner common stock. As a result Mr. Masters, directly and through the Charles G. Masters Trust Fund (both formerly shareholders of Bumgarner), will have sole dispositive and voting rights to 11,401,000 shares of Ranger common stock.
- (b) For each person named in response to paragraph (a), indicate the number of shares as to which there is sole power to vote or to direct the vote, shared power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition. Provide the applicable information required by Item 2 with respect to each person with whom the power to vote or to direct the vote or to dispose or direct the disposition is shared.

See paragraph (a), above.

- (c) Describe any transactions in the class of securities reported on that were effected during the past sixty days or since the most recent filing on Schedule 13D (ss.240.13d-191), whichever is less, by the persons named in response to paragraph (a).

None

- (d) If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities, a statement to that effect should be included in response to this item and, if such interest relates to more than five percent of the class, such person should be identified.

Not applicable.

- (e) If applicable, state the date on which the reporting person ceased to be the beneficial owner of more than five percent of the class of securities.

Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Describe any contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, put or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, understandings or relationships have been entered into. Include such information for any of the securities that are pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities except that disclosure of standard default and similar provisions contained in loan agreements need not be included.
