Item 2.02. Results of Operations and Financial Condition.

On April 18, 2018, United Rentals, Inc. issued a press release reporting its results of operations for the quarter ended March 31, 2018. A copy of the press release is being furnished with this report as Exhibit 99.1.

Item 7.01. Regulation FD Disclosure.

Certain information concerning our business, financial results and 2018 outlook that the Company expects to use at certain investor meetings and presentations can be accessed currently on the Company's website, [www.unitedrentals.com](http://www.unitedrentals.com). Such information will be maintained on the Company's website for at least the period of its use at such meetings and presentations or until superseded by more current information.

The presentation includes certain financial measures - free cash flow, earnings before interest, taxes, depreciation and amortization ("EBITDA"), adjusted EBITDA and adjusted earnings per share ("adjusted EPS") - that are "non-GAAP financial measures" as defined under the rules of the Securities and Exchange Commission. Free cash flow represents net cash provided by operating activities less purchases of, and plus proceeds from, equipment, and plus excess tax benefits from share-based payment arrangements. The equipment purchases and proceeds represent cash flows from investing activities. EBITDA represents the sum of net income (loss), loss on discontinued operations, net of tax, provision (benefit) for income taxes, interest expense, net, interest expense-subordinated convertible debentures, net, depreciation of rental equipment and non-rental depreciation and amortization. Adjusted EBITDA represents EBITDA plus stock compensation expense, net, and the impact of the defined special items. Adjusted EPS represents diluted EPS from continuing operations plus the impact of the defined special items.

The presentation includes reconciliations of these non-GAAP financial measures to their nearest generally accepted accounting principles financial measures. The Company believes that: (i) free cash flow provides useful additional information concerning cash flow available to meet future debt service obligations and working capital requirements; (ii) EBITDA and adjusted EBITDA provide useful information about operating performance and period-over-period growth, and help investors gain an understanding of the factors and trends affecting our ongoing cash earnings, from which capital investments are made and debt is serviced; and (iii) adjusted EPS provides useful information concerning future profitability. However, none of these measures should be considered as alternatives to net income, cash flows from operating activities or earnings per share under GAAP as indicators of operating performance or liquidity.

Item 8.01. Other Events.

On April 18, 2018, the Company announced a new \$1.25 billion share repurchase program which will commence upon completion of its pre-existing \$1 billion share repurchase program. The Company intends to complete the new share repurchase program by the end of 2019.
