Item 8.01 Other Events

On February 19, 2013, at a special meeting of members of Greene County Bancorp, MHC (the “MHC”), the 55.1% majority-owner and mutual holding company of Greene County Bancorp, Inc. (the “Company”), the members of the MHC (depositors of The Bank of Greene County) voted to approve the MHC’s waiver of dividends declared by the Company on its common stock during the twelve months subsequent to the members’ approval (i.e., through February 19, 2014).

As was previously disclosed, historically, the MHC has waived its right to receive dividends declared on its shares of the Company’s common stock, and the MHC has waived the receipt of dividends for the quarter end December 31, 2012, subject to the non-objection of the Federal Reserve Board. The Federal Reserve Board has adopted interim final regulations that impose significant conditions and restrictions on the ability of mutual holding companies to waive the receipt of dividends from their subsidiaries. Following the receipt of its members’ approval at the February 19, 2013 special meeting, the MHC filed a notice with, and a request for non-objection from, the Federal Reserve Board for the proposed dividend waivers. If this non-objection is obtained from the Federal Reserve Board prior to April 1, 2013, the expected payment date of the dividend, the MHC intends to waive its receipt of the dividend.
