Kingsway Financial Services Inc. (the "Company") is unable to file its Annual Report on Form 10-K for the year ended December 31, 2018, by the prescribed filing date without unreasonable effort or expense because the Company and its external auditors need additional time to complete certain reviews and analyses of certain financial and other related data to be included in the Annual Report. The Company expects to file the Annual Report on or before April 16, 2019.

The Company issued a press release dated March 14, 2019, which was furnished as Exhibit 99.1 to its Form 8-K filed with the Securities and Exchange Commission on March 15, 2019, reporting certain unaudited 2018 fourth quarter and year-end financial results. The Company currently expects that the results of operations presented in its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 will be consistent with the results of operations reported in such press release, except that certain of its limited liability investments will now be accounted for on a consolidated basis rather than using the equity method of accounting. The Company does not believe any changes to its results of operations from this change in accounting for certain of its limited liability investments will be material.
