CHANGE IN BOARD OF DIRECTORS

On January 29, 2008, we entered into an Agreement and Plan of Merger with MiMedx, Inc, a Florida corporation (MiMedx) and MMX Acquisition Corp., a Florida corporation and our wholly owned subsidiary (MMX). We disclosed the execution of the merger agreement in our Current Report on Form 8-K, which we filed with the SEC on January 29, 2008.

Pursuant to the merger agreement, we will complete a reverse merger in which MMX will merge with and into MiMedx and MiMedx will become our wholly owned subsidiary. Upon completion of the merger, we will adopt and continue implementing MiMedx's business plan. Further, upon completion of the merger, our sole director, who is also our President, Secretary, and Treasurer, will resign and the current officers and directors of MiMedx will be appointed officers and directors of our company. The merger is expected to take place on or about February 8, 2008. At that time, we will also acquire the 20,000,000 shares of our Common Stock owned by Mr. Ken Edwards, our President, Secretary, and Treasurer.

MiMedx is a development-stage company that is currently developing products primarily for use by musculoskeletal specialists in both surgical and non-surgical therapy.

No vote or other action is required by our stockholders in connection with this information statement or the resignation and appointment of any director. Proxies are not being solicited.

Term of Office

Our directors are appointed for a one-year term to hold office until the next annual meeting of stockholders or until removed from office. Our officers are appointed by our board of directors and hold office until removed by the board.

Director Independence

Our stock is not listed on any exchange. As a result, we are not a listed company under SEC rules and therefore are not required to have an audit committee comprised of independent directors or to have any independent directors.

Committees of the Board of Directors

We do not have a separately designated executive committee, nominating committee or audit committee of the Board of Directors. Consequently, we do not have charters for any of those committees. We expect that the new Board of Directors will appoint committees after they take office.

Our Board of Directors performs the duties that would normally be performed by an audit committee. Given our lack of operations prior to the merger, our Board of Directors believes that its current member has sufficient knowledge and experience necessary to fulfill the duties and obligations of the audit committee for our company. Our sole director is not an audit committee financial expert within the meaning of the rules and regulations of the SEC.

Director Nominations

The Board of Directors does not have a standing nominating committee or committee performing similar functions. The Board of Directors also does not currently have a policy for the qualification, identification, evaluation or consideration of director candidates. The Board of Directors does not believe that a defined policy with regard to the qualification, identification, evaluation or consideration of candidates recommended by stockholders is necessary at this time due to the lack of operations and the fact that we have not received any stockholder recommendations in the past.

After the merger, we expect the new Board of Directors will review the director nomination process and implement policies for the qualification, identification, evaluation or consideration of director candidates.

Stockholder Communications with Directors

Stockholders who want to communicate with our board may send a letter to our President, c/o Alynx, Co., 706 Rildah Circle, Kaysville, Utah 84037. The mailing envelope should contain a clear notation indicating that the enclosed letter is a Board Communication. The President will circulate the communications (with the exception of commercial

solicitations) to our sole director. Communications marked Confidential will be forwarded unopened. After the merger, we anticipate that the new Board of Directors will adopt a similar policy.

Meetings of the Board of Directors

Our Board of Directors held no formal meetings during the year ended December 31, 2007. All proceedings of the Board of Directors were conducted by written consent.

Compensation of Directors and Executive Officers

The following table sets forth the compensation of the named executive officer for each of the two fiscal years ended December 31, 2007 and 2006:

Summary Compensation Table

Name and Principal Position	Year	All Other	Total
		Compensation	
		(\$)	(\$)
Ken Edwards, President	2007	\$12,000 (1)	\$12,000
	2006	\$8,000 (1)	\$8,000

(1)

Effective May 1, 2006, the Company agreed to pay Booder Corp., an entity controlled by Mr. Edwards, to prepare the Company as a merger target. Monthly compensation under the agreement is \$1,000. Compensation for 2006 was for eight months.

The Company has no written or unwritten employment or compensation agreement or arrangement with Mr. Edwards.

Equity Awards

As of December 31, 2007, there were no unexercised options, stock that had not vested, or equity incentive plan awards for Mr. Edwards, the sole executive officer of the Company during 2007.

The Company has no retirement or similar plans or arrangements for its executive officers. The Company has not entered into any contracts or arrangements with Mr. Edwards which would provide him with a form of compensation resulting from his resignation, retirement or any other termination of his employment with the Company or from a change-in-control of the Company or a change in his responsibilities following a change-in-control.

Director Compensation

During the year ended December 31, 2007, there was no compensation paid to or earned by Mr. Edwards, the sole director of the Company during 2007.

The Board of Directors has authority under the Company's bylaws to fix the compensation of directors. The Board of Directors has not adopted any policy in regard to the payment of fees or other compensation to directors.

Conflicts of Interest

Ken Edwards is engaged in a business venture that competes directly with the Company. Since February 2007 Mr. Edwards has been and continues as the sole officer and director of Maple Mountain Pumpkins and Agriculture, Inc., a shell company which filed a registration statement on Form 10-SB on December 11, 2007. Inasmuch as Mr. Edwards position with Maple is the same as that with the Company, and inasmuch as Maple's business plan is the same as that of the Company, Mr. Edwards has the sole discretion to direct a business opportunity to either Maple or the Company. As such, Mr. Edwards has a significant conflict of interest in choosing which entity (Maple or the Company) will benefit, if a benefit is derived, from a target company that he finds as a potential target company.

Mr. Edwards may engage affiliates and associates, which represent individuals with whom Mr. Edwards has had or may continue to have a business relationship. These affiliates or associates of Mr. Edwards may have business interests that are adverse to the Company's interests. As such, Mr. Edwards, as the Company's sole officer and director, may have a conflict of interest when selecting a business opportunity presented to him by an affiliate or associate of his.

Certain Relationships and Related Transactions

Alynx Transactions

On April 11, 2006, Alynx entered into an arrangement with Booder Corp., an entity owned and controlled by Ken Edwards, the sole officer and director, and principal shareholder of Alynx, in which Alynx agreed to pay Booder \$1,000 per month to provide consulting services in connection with Alynx's desire to become a viable shell for a merger or acquisition. The consulting fee began May 1, 2006, and is payable on the first day of each month until terminated or modified by Alynx. This arrangement, approved by the Board of Directors, is not evidenced by a written agreement.

On May 4, 2007, Ken Edwards loaned \$15,000 to Alynx for operating funds. The loan is evidenced by a demand promissory note bearing interest at 10% per annum. The note is due 30 days after the date demand for payment is made by Mr. Edwards. Interest is payable when the unpaid balance of the note is paid.

On October 1, 2007, Mr. Edwards agreed to loan up to \$25,000 to Alynx to satisfy its future cash flow requirements. The Board of Directors approved a form of unsecured promissory demand note to reflect advances made by Mr. Edwards up to the maximum of \$25,000. The note, dated October 1, 2007, is due 30 days after the date demand for payment is made by Mr. Edwards, or December 31, 2008, whichever shall first occur. Interest on the amounts advanced by Mr. Edwards is set at 12% per annum. Through September 30, 2007, Mr. Edwards loaned \$1,000 under this arrangement. On December 21, 2007, Mr. Edwards loaned an additional \$1,500 pursuant to these same terms. On January 15, 2008, Mr. Edwards loaned an additional \$2,000 to Alynx under the terms of this note.

Alynx has had no need to rent office space. Mr. Edwards allows Alynx to use his office as a mailing address, as needed, at no expense to the company.

MiMedx Transactions

The office space leased by MiMedx in Destin, Florida is owned by the Chairman of the Board of MiMedx, Steve Gorlin. The rental rate under this month-to-month lease is \$1,000 per month, which is fair market value, based on the current rents of similar office spaces in the building that are not owned by Mr. Gorlin.

Mr. Gorlin made advances totaling approximately \$500,000 to MiMedx prior to its 2007 private placement, which closed in March 2007. Due to the oversubscription of the private placement, Mr. Gorlin accepted repayment in the form of cash, rather than shares of Series A Preferred Stock, as was originally contemplated.

In August 2007, MiMedx began using an aircraft recently acquired by Gorlin Aviation, LLC, an affiliate of Mr. Gorlin, at a rate no less than \$975 per hour, fluctuating based on the cost of fuel and other actual operating costs, which rate the Company believes is a fair market rate for such services, based on the rates provided by other third-party private aircraft providers. Neither MiMedx nor SpineMedica, its wholly-owned subsidiary, used the aircraft in fiscal 2007. From August through December 31, 2007, MiMedx spent a total of approximately \$77,544 on use of the aircraft.
