Item 8.01. Other Events.

On February 17, 2017, China XD Plastics Company Limited (the "Company") issued a press release announcing that its board of directors (the "Board") has received a preliminary non-binding proposal letter, dated February 16, 2017, from its Chairman and Chief Executive Officer, Mr. Jie Han ("Mr. Han"), XD. Engineering Plastics Company Limited ("XD Engineering"), a company incorporated in the British Virgin Islands and wholly owned by Mr. Han, and MSPEA Modified Plastics Holding Limited, an affiliate of Morgan Stanley Private Equity Asia III, Inc. (collectively, the "Buyer Consortium"), to acquire all of the outstanding shares of common stock of the Company not already beneficially owned by the Buyer Consortium in a "going-private" transaction (the "Transaction") for US\$5.21 per share of common stock in cash. This price represents a premium of approximately 28.6% to the Company's closing price on February 15, 2017, and a premium of approximately 29.3% to the average closing price during the last 30 trading days. The proposal letter states that the Buyer Consortium expects that the Board will appoint a special committee of independent directors to consider the proposal and make a recommendation to the Board. The proposal letter also states that the Buyer Consortium will not move forward with the proposed Transaction unless it is approved by such a special committee, and the proposed Transaction will be subject to a non-waivable condition requiring approval by majority shareholder vote of shareholders other than the Buyer Consortium members. The Buyer Consortium currently beneficially owns approximately 74% of the issued and outstanding shares of common stock of the Company on a fully diluted and as-converted basis.

The Board has established a special committee (the "Special Committee") of disinterested directors to consider the proposal. The Special Committee is composed of the following independent directors of the Company: Mr. Lawrence W. Leighton, Mr. Feng Li, and Mr. Linyuan Zha, with Mr. Leighton serving as chairperson of the Special Committee. The Special Committee will be responsible for evaluating, negotiating and recommending to the Board any proposals involving a strategic transaction by the Company with one or more third parties. The Special Committee intends to retain advisors, including an independent financial advisor, to assist in the evaluation of the proposal and any additional proposals that may be made by the Buyer Consortium.

The Special Committee cautions the Company's shareholders and others considering trading in its securities that the Special Committee has not made any decisions with respect to the Company's response to the proposal. There can be no assurance that any definitive offer will be made by the Buyer Consortium or any other person, that any definitive agreement will be executed relating to the proposed Transaction, or that this or any other transaction will be approved or consummated.

A copy of the press release is filed herewith as Exhibit 99.1 to this current report on Form 8-K and is incorporated herein by reference.
