PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held August 9, 2017

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Encision Inc., a Colorado corporation, for use at our Annual Meeting of Shareholders to be held at 9:00 A.M. Mountain Time, on August 9, 2017, at the offices of Encision Inc., 6797 Winchester Circle, Boulder, CO 80301 and at any and all adjournments of such meeting (the "Annual Meeting").

If the enclosed Proxy Card is properly executed and returned in time to be voted at the meeting, the shares of common stock represented will be voted in accordance with the instructions contained therein. Executed Proxy Cards that contain no instructions will be voted for each of the nominees for director indicated herein and in favor of the other proposal which will be considered at the meeting. It is anticipated that this Proxy Statement and the accompanying Proxy Card and Notice of Annual Meeting will be mailed to our shareholders on or about July 7, 2017.

Shareholders who execute proxies for the Annual Meeting may revoke their proxies at any time prior to their exercise by delivering written notice of revocation to our secretary, by delivering a duly executed Proxy Card bearing a later date, or by attending the meeting and voting in person.

We will bear the costs of the meeting, including the costs of preparing and mailing the Proxy Statement, Notice of Annual Meeting and Proxy Card. We may, in addition, use the services of our directors, officers and employees to solicit proxies, personally or by telephone, but at no additional salary or compensation. We will also request banks, brokers, and others who hold shares of our common stock in nominee names to distribute annual reports and proxy soliciting materials to beneficial owners, and we will reimburse such banks and brokers for reasonable out-of-pocket expenses which they may incur in so doing.

OUTSTANDING CAPITAL STOCK

The record date for shareholders entitled to vote at the Annual Meeting was June 21, 2017. At the close of business on that day, there were 10,683,355 shares of our common stock, no par value, outstanding and entitled to vote at the meeting. Each share of common stock is entitled to one vote.

QUORUM AND VOTING

The presence in person or by proxy of the holders of a majority of the total issued and outstanding shares of our common stock that are entitled to be voted at the Annual Meeting is necessary in order to constitute a quorum for the meeting. Abstentions will be counted for purposes of attaining a quorum.

If your shares are held in street name and you do not instruct your broker on how to vote your shares, your brokerage firm, in its discretion, may either leave your shares unvoted or vote your shares on routine matters only. The proposal to ratify the appointment of Eide Bailly LLP is considered a routine matter. The other proposal which will be considered at the meeting is considered a non-routine matter. Consequently, without your voting instructions, your brokerage firm cannot vote your shares on that other proposal. Such unvoted shares are called “broker non-votes.”

If a quorum is present, (i) the election of directors will require a plurality of the votes cast in person or by proxy at the Annual Meeting, and (ii) the affirmative vote of a majority of the shares represented at the meeting and entitled to vote will be required (x) to ratify the appointment of our independent public accountants, or (y) to approve any other matter to be voted on by the shareholders at the meeting.

Proxies marked “withhold” and broker non-votes will have no effect on the election of directors.

Abstentions shall have the same effect as a vote against Proposal 2 (ratification of auditors). Broker non-votes shall have no effect on the outcome of Proposal 2.

ACTIONS TO BE TAKEN AT THE MEETING

The accompanying proxy, unless the shareholder otherwise specifies in the proxy, will be voted (1) FOR the election of each of the five nominees named herein for the office of director, (2) FOR ratification of the appointment of Eide Bailly LLP as our independent public accountants, and (3) at the discretion of the proxy holders on any other matter that may properly come before the meeting or any adjournment thereof.

If shareholders have appropriately specified how their proxies are to be voted, they will be voted accordingly. If any other matter of business is brought before the meeting, the proxy holders may vote the proxies at their discretion. The directors do not know of any such other matter of business.

SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Under the applicable rules of the SEC, shareholder proposals intended for inclusion in our proxy statement for the 2018 annual shareholders meeting, including shareholder recommendation for nominees for election to our board of directors, must be received by us at our offices in Boulder, Colorado, not later than March 9, 2018. In addition, all shareholder proposals for inclusion in our proxy statement for the annual shareholders meeting to be held in 2018 must comply with the requirements of SEC Rule 14a-8 under the Securities Exchange Act of 1934, as amended.\

ELECTION OF DIRECTORS

(Proposal Item #1)

Our board of directors has nominated the five persons listed below for election as directors for the 2018 fiscal year, each to hold office until the 2018 Annual Meeting of Shareholders and until their successors are duly elected and qualified, or until their earlier death, resignation or removal. A shareholder using the enclosed Proxy Card can vote for all or any of the nominees of the board of directors or such shareholder may withhold his or her vote from all or any of such nominees. If the Proxy Card is properly executed but not marked, it will be voted for all of the nominees. Each of the nominees has agreed to serve as a director if elected; however, should any nominee become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such other person or persons as our board of directors may recommend. There are no family relationships among these nominees.

Director Meetings

During the fiscal year ended March 31, 2017, our board of directors met in person three times and had three telephonic meetings. There were four meetings of the audit committee, one meeting of the compensation committee and one meeting of the nominating committee. The audit committee held four telephonic meetings with our independent auditors. Each director attended at least 75% of the aggregate of the total number of meetings of the board and the board committees on which he served during fiscal year 2017.

We encourage our incumbent directors to attend the Annual Meeting of Shareholders, subject to their travel schedule and other demands on their time. All of our directors attended the 2016 Annual Meeting of Shareholders.

Our board of directors determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relation between us and a director not merely from the director's standpoint, but also from that of persons or organizations with which the director has an affiliation. In making this determination, the board of directors adheres to the independence criteria under applicable New York Stock Exchange, Inc. ("NYSE") rules. Using these rules, our board of directors has determined that Robert H. Fries, Vern D. Kornelsen and Patrick W. Pace, M.D. qualify as independent directors.

Compensation of Directors

Our independent directors currently receive \$1,250 a quarter for their services and are reimbursed for their out-of-pocket expenses incurred in connection with their service as directors. Option or equity grants to our directors are at the discretion of the board of directors.

Nominating Committee; Nominations Process

The members of our nominating committee are Robert H. Fries, Vern D. Kornelsen and Patrick W. Pace, M.D. Our nominating committee recommends to our board of directors nominees for election to the board. Our nominating committee will consider recommendations for director nominees by shareholders if the names of those nominees and the other required information are properly submitted in writing to our corporate secretary in the manner described for shareholder nominations above under the heading “Shareholder Proposals and Director Nominations.” A director nominee must have a strong professional or other background, a reputation for integrity and responsibility and experience relevant to our business and operations. A director nominee must be able to commit appropriate time to prepare for, attend and participate in all meetings of our board of directors and its committees, as applicable, and the annual meeting of shareholders and must not have any conflicts of interest with our business and operations. Our nominating committee will also require some director nominees to be independent as defined under the NYSE listing standards. All director nominees, whether submitted by a shareholder or our nominating committee, will be evaluated in the same manner. All current members of the nominating committee are independent for purposes of the NYSE listing standards.

The nominating committee does not have an express policy with regard to the consideration of any director candidates recommended by our shareholders because the nominating committee believes that it can adequately evaluate any such nominees on a case-by-case basis. The nominating committee will consider director candidates proposed by shareholders in accordance with the procedures set forth above under "Shareholder Proposals and Director

Nominations," and will evaluate shareholder-recommended candidates for director under the same criteria as internally generated candidates. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the nominating committee strives to nominate directors with a variety of complementary skills so that, as a group, the board will possess the appropriate talent, skills and expertise to oversee our business. Although the nominating committee does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on our board and its committees.

On May 30, 2017, our board adopted and approved the First Amended and Restated Bylaws of the Company (the "Amended Bylaws"). The Amended Bylaws include advance notice requirements and procedures for the submission by shareholders of nominations for our board of directors and of other proposals to be presented at shareholder meetings.

Under the Amended Bylaws, in order for a shareholder to nominate a person for election as a director without inclusion in our proxy statement, such shareholder must give timely notice in writing delivered to our Secretary at our principal executive offices. To be timely, notice must be delivered to the Secretary not later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary of the preceding year's annual shareholders meeting. If the date of the annual shareholders meeting is more than 30 days before or more than 60 days after such anniversary date, to be timely, notice by the shareholder must be delivered not earlier than the close of business on the 120th day prior to the date of such annual shareholders meeting and not later than the close of business on the later of the 90th day prior to the date of such annual shareholders meeting or the 10th day following the day on which we first publicly announce the date of such annual shareholders meeting.

The shareholder's notice must include certain information required by the Amended Bylaws about the director nominee, the shareholder of record and the underlying beneficial owner, if any, including such information as the director nominee's name, age, address, occupation and shares; the name, address and shares of the shareholder and any beneficial owner; information about derivatives, hedges and short positions; understandings or agreements regarding the economic and voting interests of the director nominee, the shareholder and related persons with respect to our stock, if any; and such other information as would be required to be disclosed in a proxy statement soliciting proxies for the election of the proposed director nominee. In addition, the notice must contain certain representations made by the shareholder or beneficial owner proposing to nominate such director nominee. We may require any proposed nominee to furnish such other information as may reasonably be required to determine the eligibility of such proposed nominee to serve as a director. A shareholder's notice must be updated, if necessary, so that the information submitted is true and correct as of the record date for determining shareholders entitled to receive notice of the meeting and as of the date that is 10 business days prior to the meeting date.

A stockholder interested in submitting a nominee for election to the board of directors should refer to our Amended Bylaws for additional requirements.

Our board of directors has adopted a written Nominating Committee Charter, a copy of which is available on our website at www.encision.com. Our nominating committee held one meeting during the fiscal year ended March 31, 2017.

Compensation Committee

The members of the compensation committee are Vern D. Kornelsen and Robert H. Fries. Our compensation committee reviews and approves compensation for our executive officers whose compensation is approved by our board of directors upon recommendation of the compensation committee. Our compensation committee also administers our stock option plans. Our board of directors has adopted a written Compensation Committee Charter, a copy of which is available on our website at www.encision.com. Our compensation committee held one meeting during the fiscal year ended March 31, 2017.

The compensation committee reviewed and considered our compensation policies and programs in light of the board of directors' risk assessment and management responsibilities and will do so in the future on an annual basis. The compensation committee believes that we have no compensation policies and programs that give rise to risks reasonably likely to have a material adverse effect on us.

Audit Committee

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members are "independent directors" as defined by the applicable rules of the NYSE and regulations of the Securities and Exchange Commission ("SEC") as currently in effect and applicable to us. The audit committee oversees our independent auditors and financial process on behalf of the board of directors. The audit committee has adopted a written charter. The audit committee has adopted a complaint procedure policy.

Vern D. Kornelsen and Patrick W. Pace, M.D. comprise the audit committee. Mr. Kornelsen's and Mr. Pace's background is more fully disclosed in their biographies under "Election of Directors."

Our board of directors has determined that Vern D. Kornelsen and Patrick W. Pace, M.D. each qualify as an “audit committee financial expert” and each is “independent” as defined by the applicable regulations of the SEC as currently in effect and applicable to us.

The audit committee has adopted a written charter, a copy of which is available on the investor relations page of our website at www.encision.com. Our audit committee held four meetings during the fiscal year ended March 31, 2017 and held four telephonic meetings with our independent auditors during the fiscal year ended March 31, 2017.

Board Leadership Structure

Our board of directors does not have a policy regarding separation of the roles of Chief Executive Officer and Chairman of the Board, as the board of directors believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the board. Presently, we do not have a Chairman of the Board.

Three of the five members of our board of directors satisfy the requirements of independence under the NYSE listing standards, and our audit, compensation, and nominating committees are composed entirely of independent directors. This structure encourages independent and effective oversight of our operations and prudent management of risk.

Risk Oversight

The board of directors, principally through delegation to the audit committee oversees risks facing us. The audit committee regularly discusses with management, our internal auditors and our independent auditors our major risk exposures, whether financial, operating or otherwise, and the adequacy and effectiveness of our control of such risks. The audit committee also recommends from time to time that key identified risk areas be considered by the full board, and individual board members also periodically ask the full board to consider an area of risk. In addition, risk management issues are considered inherently by the board with respect to all major decisions made by the board. Our board of directors believes that the decision as to who should serve as Chairman of the Board and/or Chief Executive Officer and whether the offices should be combined or separated is the proper responsibility of the board. The board members have considerable experience and knowledge about the challenges and opportunities the company faces. The board, therefore, is in the best position to evaluate the company's current and future needs and to judge how the capabilities of the company's directors and senior management from time to time can be most effectively organized to meet those needs. While the board may combine these offices in the future if it considers such a combination to be in the best interest of the company, it currently intends to retain the present structure.

Shareholder Communications with Directors

Shareholders and other interested parties wishing to contact any member (or all members) of our board of directors or any committee of the board may do so by mail, addressed, either by name or title, to the board of directors or to any such individual director or group or committee of the directors, and all such correspondence should be sent to our principal office. Our administrative staff may review any such communications to ensure that inappropriate material is not forwarded to the board of directors or to any individual director. The board of directors intends to continuously evaluate its communication process with our shareholders and may adopt additional procedures to facilitate shareholder communications with the board of directors, consistent with standards of professionalism and our administrative resources.

Code of Ethics

We have adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and all other directors and executive officers. The Code of Ethics is available on the investor relations page of our website at www.encision.com. We intend to satisfy the requirements under Item 5.05 of Form 8-K regarding disclosure of amendments to, or waivers from, provisions of our Code of Ethics that apply to our principal executive, financial and accounting officers and directors by posting such information on our website.

Assumptions used in the calculations of these amounts are set forth in Footnote 3 to our Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2017. Employment Agreements

On November 14, 2016, we entered into an Employment Agreement (the "Employment Agreement") with Gregory J. Trudel, our President and Chief Executive Officer. The Employment Agreement replaced and superseded Mr. Trudel's past employment agreement with us which was dated December 17, 2013 and which was scheduled to expire December 17, 2016.

The Employment Agreement has an initial two-year term. Thereafter, the term automatically renews for additional one-year periods unless either party gives prior written notice that it does not wish to automatically renew the term. The Employment Agreement provides that Mr. Trudel will receive an annual base salary of \$214,725 ("Base Salary"). The Base Salary will increase to \$230,000 after we achieve three months of profitability.

Mr. Trudel will be eligible to participate in our bonus programs for executive and non-executive officers, as determined in the discretion of our board of directors. In addition, Mr. Trudel will be eligible for a bonus equal to 50% of an annual bonus pool. The amount of the annual bonus pool shall be equal to 10% of the increase (if any) in our pre-tax income for the current fiscal year over the prior fiscal year. The remaining 50% of the annual bonus pool will be allocated to our other executive officers. Mr. Trudel will be entitled to receive a special cash bonus of \$50,000 in the event that we are acquired during the term of Mr. Trudel's employment. In addition, the Employment Agreement provides that Mr. Trudel is eligible to participate in our standard benefit plans and programs.

As provided in the Employment Agreement, Mr. Trudel was granted stock options to purchase 70,000 shares of our common stock (the "CEO Options") under our 2014 Equity Incentive Plan. The CEO Options vest over the five year period following November 14, 2016. The CEO options will have an initial per share exercise price equal to \$0.30, which was our trading price on November 14, 2016. The vesting of the CEO Options will accelerate in the event of certain acquisition transactions involving us.

Under the Employment Agreement, if we terminate Mr. Trudel without cause or Mr. Trudel resigns for "good reason" (as defined in the Employment Agreement), Mr. Trudel will be entitled to receive a severance amount (up to one times his Base Salary) based upon the length of time Mr. Trudel was employed by us prior to the termination. Such severance will be paid out ratably over the twelve months following the termination. However, if the termination is in connection with the closing of a Change of Control (as defined in our 2014 Equity Incentive Plan), then the severance will be paid in one lump sum. No severance will be paid if the term of the Employment Agreement expires or is not renewed.

The Employment Agreement requires Mr. Trudel to maintain the confidentiality of our proprietary information. The Employment Agreement also includes typical non-competition and non-solicitation provisions that Mr. Trudel must comply with for a period of one year after termination of his employment with us.

Equity Incentive Awards

On August 13, 2014, our shareholders approved the adoption of the 2014 Equity Incentive Plan (the "2014 Plan") providing for awards of stock options, stock appreciation rights, restricted stock, restricted stock units, performance units, and other stock-based awards to our employees and directors. The 2014 Plan permits the granting of incentive stock options meeting the requirements of Section 422 of the Internal Revenue Code of 1986, as amended, and also nonqualified stock options which do not meet the requirements of Section 422. As approved by the shareholders, we reserved 700,000 shares of our common stock for issuance upon exercise of equity incentive awards granted under the 2014 Plan. As of March 31, 2017, equity incentive awards to purchase an aggregate of 455,924 shares of our common stock (net of equity incentive awards canceled) had been granted pursuant to our 2007 Stock Option Plan and the 2014 Plan, no equity incentive awards had been exercised, leaving 244,076 still available for grant. In addition to options outstanding under the 2007 Stock Option Plan and 2014 Plan, there are 245,000 options outstanding outside of the 2007 Plan.

The compensation committee of the board of directors administers the 2007 Stock Option Plan and the 2014 Plan.

Audit Committee Report

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members are "independent directors" as defined by the applicable regulations of the SEC as currently in effect and applicable to us.

The audit committee reviews and reassesses the adequacy of its charter on an annual basis. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The audit committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and us including the matters in the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communication with the audit committee concerning independence.

The audit committee discussed with our independent auditors the overall scope and plans for their audit. The audit committee meets with the independent auditors to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting. In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board of directors has approved, that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2017, for filing with the Securities and Exchange Commission.
