**Item 5. Other Events and Regulation FD Disclosure**

On November 12, 2003, Derma Sciences, Inc. (the Registrant ) announced that it had entered into a non-exclusive product supply agreement (the Agreement ) with McKesson Medical-Surgical Inc. ( McKesson ). McKesson is a major national distributor of pharmaceutical and medical-surgical products to its member hospitals, surgery centers, physicians, long term care facilities and home health care agencies ( McKesson Members ).

The Agreement provides that the Registrant will supply McKesson with advanced wound care products under the McKesson brand name. The Agreement is for a period of three years. However, either party may cancel the Agreement upon ninety days written notice. The Agreement does not require that McKesson or McKesson Members purchase a minimum quantity of products from the Registrant.

The Registrant s management considers that the Agreement affords the Registrant the opportunity to significantly increase sales. However, there can be no assurance that the Agreement will result either in increased sales or increased profitability.
