Section 3 – Securities and Trading Markets.

Item 3.02 Unregistered Sales of Equity Securities.

On August 9, 2010, and pursuant to our bylaws, our board of directors authorized the issuance of the following restricted share compensation awards:

Date of Sale	Class of Security Sold	Purchaser Category	Number of Shares	Purchase Price (1)
8/9/2010	Common Stock	Outside Directors	3,921,428	\$ 8,236 (2)
8/9/2010	Common Stock	Executive Officers	1,400,000	\$ 2,940 (3)
8/9/2010	Common Stock	Employees	155,000	\$ 326 (3)
8/9/2010	Common Stock	Consultant	2,300,000	\$ 4,830 (3)

(1) Calculated on the basis of the quoted public trading price of the security according to www.nasdaq.com at the market close on the date of sale.

(2) Paid for in each case through a combination of (i) services rendered by the corresponding purchaser, which services were valued consistent with past historical compensation practices of the Company, and (ii) the surrender and cancellation of certain unexpired common stock purchase options held by the corresponding purchaser as of the sale date, which options were determined to be equal in value as of such date to the difference between the total purchase price paid by the corresponding purchaser and the value of the portion of such purchase price paid for in the form of services rendered, and which options had been originally issued in consideration for services then previously rendered by the corresponding purchaser.

(3) Paid for in each case through the surrender and cancellation of certain unexpired common stock purchase options or warrants held by the corresponding purchaser, which options/warrants were determined to be of equal value as of the sale date and that had been originally issued in consideration for services then previously rendered by the corresponding purchaser.

For these unregistered sales, we relied on the private offering exemption of Section 4(2) of the Securities Act and/or the private offering safe harbor provision of Rule 506 of Regulation D promulgated thereunder based on the following factors: (i) the number of offerees or purchasers, as applicable, (ii) the absence of general solicitation, (iii) representations obtained from the acquirors relative to their accreditation and/or sophistication (or from offeree or purchaser representatives, as applicable) and/or their relationship to the company (directors and officers), (iv) the provision of appropriate disclosure, and (v) the placement of restrictive legends on the certificates reflecting the securities coupled with investment representations obtained from the acquirors.
