CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS:

This current report includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding, among other things, our plans, strategies and prospects, both business and financial including, without limitation, the forward-looking statements set forth in the "Results of Operations" and "Liquidity and Capital Resources" sections under Part I, Item 2. "Management's Discussion and Analysis of Financial Condition and Results of Operations" in this current report. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions including, without limitation, the factors described under "Risk Factors" under Part II, Item 1A. Many of the forward-looking statements contained in this current report may be identified by the use of forward-looking words such as "believe," "expect," "anticipate," "should," "planned," "will," "may," "intend," "estimated," "aim," "on track," "target," "opportunity" and "potential" among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this current report are set forth in this current report and in other reports or documents that we file from time to time with the SEC, and include, but are not limited to:

- the availability, in general, of funds to meet interest payment obligations under our debt and to fund our operations and necessary capital expenditures, either through cash flows from operating activities, further borrowings or other sources and, in particular, our ability to be able to provide under the applicable debt instruments such funds (by dividend, investment or otherwise) to the applicable obligor of such debt;
- our ability to comply with all covenants in our indentures and credit facilities, any violation of which could trigger a default of our other obligations under cross-default provisions;
- our ability to pay or refinance debt prior to or when it becomes due and/or refinance that debt through new issuances, exchange offers or otherwise, including restructuring our balance sheet and leverage position;
- competition from other distributors, including incumbent telephone companies, direct broadcast satellite operators, wireless broadband providers and DSL providers;
- difficulties in introducing and operating our telephone services, such as our ability to adequately meet customer expectations for the reliability of voice services, and our ability to adequately meet demand for installations and customer service;
- our ability to sustain and grow revenues and cash flows from operating activities by offering video, high-speed Internet, telephone and other services, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition;
- our ability to obtain programming at reasonable prices or to adequately raise prices to offset the effects of higher programming costs;
 - general business conditions, economic uncertainty or slowdown; and
- the effects of governmental regulation, including but not limited to local franchise authorities, on our business.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this current report.
