On May 15, 2017, the Board of Directors of Markel Corporation (the Company), upon the recommendation of the Board's Compensation Committee, approved a change to the form of award agreement used for performance-based restricted stock units (RSUs) for executive officers, including the Company's named executive officers. These awards are made under the Company's 2016 Stock Incentive Compensation Plan (the Plan). Subject to specific exceptions, unvested performance-based RSUs are forfeited upon a separation of service that occurs prior to the applicable vesting date. The Board approved an additional vesting exception, which provides that upon Early Retirement (as defined in the Plan) by an employee with 25 years of continual service unvested performance-based RSUs will become fully vested and shares will be issued on the otherwise applicable vesting date.

A copy of the new form of award agreement for performance-based RSUs is filed as Exhibit 10.1 to this report and is incorporated herein by reference in response to this item.
