ITEM 5. Other Matters

Attached is a press release discussing the recent settlement between the Indiana Gas Company, Inc. (IGC) (subsidiary company of Vectren Corporation), the Indiana Office of the Utility Consumer Counselor, and the Citizens Action Coalition of the appeals surrounding the Indiana Utility Regulatory Commission's January 4, 2001 order that disallowed \$3.8 million of gas cost recovery by IGC. As detailed in the press release, the settlement provides for immediate rate reductions to IGC customers and for additional contributions to low-income assistance programs to assist customers in paying heating bills. The agreement provides that the \$3.8 million disallowance, which was recognized as a charge to IGC's 2000 fiscal year results, will be satisfied by the contributions described in the press release. As a result of the disallowance and amounts previously recognized, it is expected that the additional expense recorded in 2001 will be less than \$2 million.
