Item 7. Exhibits.

Exhibit 99.1      Stewart & Stevenson Services, Inc. and Subsidiaries Segment Information

Item 9. Regulation FD Disclosure.

On June 6, 2003, Stewart & Stevenson Services, Inc. is filing the attached Exhibit 99.1 to provide additional information with respect to modifications made to its internal reporting segments, as described below:

The Utilities Equipment business has been removed from the Airline Products segment and identified separately in the newly created Engineered Products Division.

Certain business operations, which were exited in 2002 have been reclassified from the Other Business Activities segment to the Power Products segment. This business operation consisted primarily of sales of gas compression equipment.

The marketing services and transportation/logistics business units were reclassified from the Power Products segment to the Other Business Activities segment. These business units provide services to both internal customers and external unaffiliated customers.

Interest Income has been removed from the Other Business Activities segment operating profit/(loss) measurement.
