PROXY STATEMENT

General

The enclosed proxy is solicited on behalf of the Board of Directors of AltiGen Communications, Inc. (AltiGen) for use at the Annual Meeting of Stockholders to be held on February 10, 2005 at 10:00 a.m., local time (the Annual Meeting), or at any and all adjournments or postponements thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at our principal executive offices located at 4555 Cushing Parkway, Fremont, California 94538. Our telephone number is (510) 252-9712.

These proxy solicitation materials were mailed on or about January 10, 2005 to all stockholders of record entitled to vote at the Annual Meeting.

Record Date and Voting Securities

Only stockholders of record on the close of business on December 30, 2004 are entitled to notice of and to vote at the Annual Meeting. As of December 30, 2004, 14,530,712 shares of our Common Stock were issued and outstanding. No shares of our Preferred Stock were outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use:

- by delivering to our secretary a written notice of revocation;
- by delivering to our secretary a duly executed proxy bearing a later date; or
- by attending the Annual Meeting and voting in person.

Your presence at the Annual Meeting in and of itself is not sufficient to revoke your proxy.

Voting and Discretionary Voting

Properly executed proxies received prior to the meeting, and subsequently not revoked, will be voted in accordance with the instruction on the proxy. Where no instructions are given, proxies will be voted FOR the director nominees, described herein, FOR the ratification of the auditors, and with respect to any other matter that may properly be brought before the Annual Meeting, in accordance with the judgment of the proxy holders.

You are entitled to one vote for each share of Common Stock held on all matters presented at the Annual Meeting. You do not have the right to cumulate votes in the election of directors. Voting instructions are included on the proxy or voting instruction card.

Solicitation

This solicitation of proxies is made by the Board of Directors of AltiGen, and all costs associated with soliciting proxies will be borne by AltiGen. In addition, we will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone, facsimile or telegram.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of Common Stock issued and outstanding and entitled to vote at the meeting as of the record date. All shares represented at the meeting, whether in person or by a proxy, will be counted for the purpose of establishing a quorum.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (including withheld votes), we believe that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of shares present and entitled to vote with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner, which we believe to be in accordance with Delaware law. Accordingly, abstentions will have the same effect as a vote against a proposal.

Under current Delaware case law, broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but are not counted for purposes of determining the total number of shares present and entitled to vote with respect to a particular proposal on which the broker expressly has no instructions to vote. Accordingly, we intend to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but will not otherwise affect the outcome of the voting on a proposal.

Stockholder Nominations and Proposals

Our bylaws provide that nominations for the election of directors and business proposed to be brought before any stockholder meeting may be made by the Board of Directors or proxy committee appointed by the Board of Directors or by any stockholder entitled to vote in the election of directors generally if such nomination or proposed business is properly brought before the meeting. Any stockholder may nominate one or more persons for election as directors at a meeting or propose business to be brought before a meeting, or both, only if such stockholder has given timely notice in proper written form of its intent to make such nomination or nominations or to propose such business. To be timely for an upcoming annual meeting, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than one hundred twenty (120) calendar days prior to the date our proxy statement for the previous year's annual meeting was first mailed to stockholders, plus one year; *provided, however*, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the stockholder to be timely must be so received a reasonable time before the solicitation is made.

Deadlines for Submission of Stockholder Proposals or Nominations

Stockholders are entitled to present proposals for consideration at forthcoming stockholder meetings provided that they comply with the proxy rules promulgated by the Securities and Exchange Commission (SEC) and our bylaws.

Stockholders wishing to present a proposal or nomination at our 2006 Annual Stockholder Meeting must submit such proposal to us by September 14, 2005 in order to be considered timely and whether or not such proposal or nomination is intended to be included in our proxy for the 2006 Annual Stockholder Meeting.

PROPOSAL ONE**ELECTION OF DIRECTORS****Nominees**

Pursuant to our bylaws, our Board of Directors is divided into three classes. The directors are elected to serve staggered three-year terms, such that the term of one class of directors expires each year. We currently have five directors divided among the three classes as follows:

Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the one (1) Class III nominee named below. In the event that such nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for a nominee who shall be designated by the remaining members of the Board of Directors. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of the nominee listed below and, in such event, the specific nominee to be voted for will be determined by the proxy holders. We are not aware of the nominee being unable or declining to serve as a director.

Director Nomination

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the Nominating and Corporate Governance Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seeks to ensure that at least a majority of the directors are independent under the rules of the Nasdaq Stock Market, that members of the Company's audit committee meet the financial literacy and sophistication requirements under the rules of the Nasdaq Stock Market and at least one of them qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission. Nominees for director are selected on the basis of their depth and breadth of experience, integrity, ability to make independent analytical

inquiries,

4

understanding of the Company's business environment, and willingness to devote adequate time to Board duties.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees for director, provided such proposals meet the requirements described herein and in our Bylaws. Any such nominations should be submitted to the Nominating and Corporate Governance Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, "Stockholder Proposals for 2006 Annual Meeting above."

Process for Identifying and Evaluating Nominees. The Nominating and Corporate Governance Committee believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual stockholder meetings, the committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, senior management of the company and, if the committee deems appropriate, a third-party search firm. The committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate. Currently, we have not paid any fees to any third party to assist in identifying or evaluating director candidates.

The committee will use a similar process to evaluate nominees recommended by stockholders. However, to date, the Company has not received a stockholder proposal to nominate a director.

(2) Mr. Chouldjian's salaries for the 2002, the 2003 and the 2004 fiscal years are prorated to reflect his transition to a less than 40-hour work week beginning in January 1, 2002 to July 31, 2004.

Option Grants in Last Fiscal Year

The following table sets forth certain information with respect to stock options granted to the Named Executive Officers in fiscal year 2004. The figures representing percentages of total options granted are based on an aggregate of 808,000 options granted by AltiGen during the fiscal year ended September 30, 2004 to employees, including the Named Executive Officers.

Also shown below is the potential realizable value over the term of the option. In accordance with the rules of the SEC, we based the calculation of the potential realizable value on the term of the option at its time of grant, and have assumed that:

- the value of AltiGen's stock at the date of grant appreciates at the indicated annual rate compounded annually for the entire term of the option; and
- the option is exercised and sold on the last day of its term for the appreciated stock price.

These amounts are based on 5% and 10% assumed rates of appreciation and do not represent our estimate of future stock prices. Actual gains, if any, on stock option exercises will be dependent on the future performance of our Common Stock. The gains shown are net of the option exercise price but do not include deductions for taxes and other expenses payable upon the exercise of the option or for sale of underlying shares of Common Stock. Unless otherwise indicated, the options in this table were granted under the 1999 Stock Plan, have 10-year terms, and vest over a period of four years. Twenty-five percent (25%) of the shares subject to each option will vest on the first anniversary of the vesting start date, and 1/48th of the shares subject to each option will vest each month thereafter. All of the options have exercise prices equal to the fair market value of our Common Stock on the date of grant.

Name	Number of Securities Underlying Options Granted (#)	Percent of Total Options Granted to Employees In Fiscal Year 2004	Exercise Price Per Share (\$/share)	Expiration Date(1)	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation For Option Term (\$)

Aggregate Option Exercises in Last Fiscal Year

The following table summarizes the value of options held at September 30, 2004 by our Named Executive Officers. The value of unexercised in-the-money options at September 30, 2004 figures in the last two right-hand columns are based on the difference between \$2.51, which is the closing price of our Common Stock as quoted on the Nasdaq SmallCap Market as of the close of business on September 30, 2004, and each option's per-share exercise price, multiplied by the number of shares issued upon exercise of the option.

**REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS
ON EXECUTIVE COMPENSATION**

Notwithstanding anything to the contrary set forth in any of AltiGen's previous filings under the Securities Act of 1933, as amended or the Securities and Exchange Act of 1934, as amended that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee report on executive compensation shall not be incorporated by reference into any such filings, nor shall such report be incorporated by reference into any future filings.

Established in June 1999, the Compensation Committee is charged with the responsibility of reviewing all aspects of AltiGen's executive compensation programs and administering AltiGen's stock option plans. The Compensation met four times in the fiscal year ended September 30, 2004.

Compensation Philosophy

AltiGen's executive compensation policies are designed to attract and retain qualified executives who will contribute to its long-term success, to reward executives for achieving AltiGen's financial goals, and to align executive compensation and stockholder interests through equity-based plans. The Compensation Committee believes that strong financial performance, on a sustained basis, is the most certain avenue through which AltiGen can positively affect long-term stockholder return. Furthermore, the Compensation Committee believes that, in order to attract and retain the most qualified executives in the industry, AltiGen's compensation policies must be competitive with other companies of comparable size and in similar industries and must reinforce strategic performance objectives through the use of incentive compensation programs. In order to provide incentives to executive officers, a portion of their annual compensation is paid as a bonus. The amount of the bonus for each person is determined on the basis of several indicators of corporate performance as outlined below.

Compensation Plans

The following are the key components of AltiGen's executive officer compensation:

Base Compensation. The Compensation Committee establishes base salaries for executive officers based on its review of base salaries of executive officers in companies of comparable size and in similar industries.

Bonus. AltiGen's executive bonus plan provides for incentive compensation to some but not all of its executive officers and other key employees and will be determined by a percentage of AltiGen's revenue or accounts receivable collected. Individual performance is measured based on goals related to each person's function within the organization.

Long-Term Incentive Compensation. AltiGen's option plans provide for long-term incentive compensation for employees of AltiGen, including executive officers. These awards give employees an equity interest in AltiGen, thereby aligning the interests of executive officers and stockholders and providing incentives to maximize stockholder value.

Compensation of Chief Executive Officer

Base Salary: Mr. Hu's annual salary was \$150,000 for 2004.

Annual Incentive (Bonus): Mr. Hu's cash bonus for 2004 of \$89,069 was determined by the performance of AltiGen.

Long-Term Incentive Awards: In January 2004, Mr. Hu was granted stock options of 80,000 shares of our Common Stock at a price of \$3.82 per share, which was the fair market value of our Common Stock on the date of grant. Twenty-five percent (25%) of the shares subject to the option will vest on the first

anniversary of the vesting start date, and 1/48th of the shares subject to the option will vest each month after. The option becomes fully exercisable four years from the date of grant and will expire ten years after the date of grant. In determining the amount of stock to grant Mr. Hu, the Compensation Committee considered, without placing specific weight on any one factor, the performance of AltiGen and relative total stockholder return, the value of such awards granted to other chief executive officers in the Nasdaq Telecommunications Index and in similar industries, and the number of stock options and common stock units granted in prior years.

Tax Deductability of Executive Compensation

The Compensation Committee has considered the impact of Internal Revenue Code Section 162(m). Section 162(m) does not allow any publicly held corporation to deduct individual compensation exceeding \$1 million in a taxable year for certain employees of the company. There is an exception to this rule under Section 162(m)(4)(c) for certain performance-based compensation. The Compensation Committee believes that the total compensation paid by AltiGen will not affect the tax deductions available to it with respect to the compensation of any of its executive officers.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following is the report of the Audit Committee with respect to the AltiGen's audited financial statements for the fiscal year ended September 30, 2004. The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that AltiGen specifically incorporates such information by reference into such filing.

Established in June 1999, the Audit Committee makes recommendations to the Board of Directors regarding the selection of independent auditors, reviews and discusses with management the results and scope of audit and other services provided by the independent auditors and reviews the accounting principles and auditing practices and procedures to be used in AltiGen's financial statements. Each member of the Audit Committee is an independent director as defined in Rule 4200 of the National Association of Securities Dealers' listing standards, as may be modified or supplemented to date. Furthermore, we have determined that Richard Black constitutes our audit committee financial expert.

Audited Financial Statements

The Audit Committee has reviewed and discussed with management the audited financial statements prepared for the fiscal year ended September 30, 2004. In addition, the Audit Committee discussed the audited financials with Deloitte & Touche LLP, AltiGen's independent auditors for the last fiscal year, including such items required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards) requirements. The Audit Committee has also received a letter and other written disclosures from Deloitte & Touche LLP required by Independence Standards Board Standard No.1 (Independence Discussions with Audit Committees) and has discussed with Deloitte and Touche LLP, the independence of AltiGen's independent accountants.

Based on the review and discussions described above, as well as such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited financial statements for the last fiscal year be included in AltiGen's Annual Report on Form 10-K for the fiscal year ended September 30, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Contract with Philip McDermott

In June 1999, we entered into an employment agreement with Philip McDermott, our chief financial officer. Mr. McDermott holds options for 371,871 shares of our Common Stock as of December 30, 2004. The agreement provides that, in the event of a change of control of AltiGen immediately after which Mr. McDermott no longer holds the title and responsibilities of chief financial officer (or a position of similar title and responsibilities), all of his options immediately will vest and become exercisable.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires AltiGen's executive officers, directors and persons who own more than 10% of AltiGen's common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required to provide AltiGen with copies of all Section 16(a) forms that they file. Based solely on AltiGen's review of these forms and written representations from the executive officers and directors, AltiGen believes that all Section 16(a) filing requirements were met during fiscal year 2004, except that a late Form 3 was filed on behalf of Mike Mon Yen Tsai who was appointed to our Board of Directors in July 2004. The Form 3 was related to Mr. Tsai's appointment to our Board of Directors and an option to purchase 20,000 shares of our common stock granted at the same time. This form was filed upon discovery that such report was not timely filed.

If any other matters properly come before the Annual Meeting, or at any and all adjournments or postponements thereof, it is the intention of the persons named in the enclosed proxy to vote the shares they represent as the Board of Directors may recommend.
