PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 26, 2005

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Unity Bancorp, Inc. (the "Company") of proxies to be voted at the Company's 2005 Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 26, 2005, and at any meeting following postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 3:00 p.m. local time. The Annual Meeting will be held at the Grand Colonial Restaurant, Route 173 West, Clinton, New Jersey. Shareholders will be admitted beginning at 2:45 p.m. local time. (Directions: Route 78 West to Exit 12 to end of ramp, turn left onto Route 173 West and proceed to restaurant on right; or Route 78 East to Exit 11 to end of ramp, turn left on Route 614, continue on Route 173 and proceed to restaurant.)

The Company is first mailing this proxy statement and proxy card (including voting instructions) on or about April 15, 2005, to persons who were Unity Bancorp shareholders at the close of business on April 1, 2005, the record date for the Annual Meeting.

PROXIES AND VOTING PROCEDURES

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of Unity Bancorp's common stock, no par value per share (the "Common Stock"), that you held as of the close of business on the record date. Each share of Common Stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

On March 15, 2005, there were 5,790,733 shares of Common Stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the Annual Meeting.

Who Is the Record Holder?

You may own Common Stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares of Common Stock are registered directly in your name, the Company is sending these proxy materials directly to you. If the record holder of your shares of Common Stock is a nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Record Holders:

By Mail. If you choose to vote by mail, mark your proxy, date and sign it, and return it in the postage-paid envelope provided. Your vote by mail must be received by the close of voting at the Annual Meeting on May 26, 2005.

By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares of Common Stock in person.

Stock Held by Brokers, Banks and Nominees:

If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of Common Stock on April 1, 2005.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. The Company will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are present at the Annual Meeting, either in person or by proxy.

If a quorum is present, a plurality of votes cast at the Annual Meeting is required to elect Directors. Thus, a Director may be elected even if the Director receives less than a majority of the shares of Common Stock represented at the Annual Meeting. Proxies cannot be voted for a greater number of nominees than are named in this Proxy Statement.

How Are Votes Counted?

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted for the nominees for Director and as recommended by the Board of Directors on any other business to be conducted at the Annual Meeting. The Board is not aware of any other business to be conducted at the Annual Meeting.

Proxies marked as abstaining, and any proxies returned by brokers as non-votes on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting.

Who Will Pay the Expenses of Proxy Distribution?

The Company will pay the expenses of the preparation of the proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the Company by Directors, officers or employees of the Company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail or facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. (NASD), the Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock.

ELECTION OF DIRECTORS

In accordance with the Certificate of Incorporation and the Bylaws of the Company, the Board of Directors shall consist of not less than one, nor more than 15 Directors. The Board of Directors of the Company currently has nine (9) Directors on its Board. The Board of Directors is divided into three classes. One class is elected each year for a term of three years.

During 2004, three of our Directors retired from Board service. Messrs. Peter DeTommaso and Samuel Stothoff, founding Directors of Unity Bank, both retired as of December 31, 2004. In addition, Ms. Donna Butler, a Director since 2001, resigned from the Board effective December 31, 2004. We thank them for their service to the Company and the Bank.

Four Directors will be elected at this Annual Meeting to serve for a three-year term expiring at the Company's Annual Meeting in 2008. The Board has nominated Wayne Courtright, David D. Dallas, Robert H. Dallas and Peter E. Maricondo to fill these positions. Each of the nominees is a current member of the Company's Board of Directors. Mr. Wayne Courtright was recommended by Management, subsequently interviewed by the Board of Directors and finally approved by the Board of Directors and sworn in as a Board member on June 24, 2004. Mr. Peter Maricondo was recommended by a member of the Board of Directors, subsequently interviewed by the Board of Directors and finally approved by the Board of Directors on July 22, 2004.

The following tables set forth, as of the record date, the names of the nominees and the names of those directors whose terms continue beyond the Annual Meeting and their ages, a brief description of their recent business experience, including present occupations and employment, certain directorships held by each, the year in which each became a director of the Company and the year in which their terms (or in the case of the nominees, their proposed terms) as director of the Company expire.

The persons named in the enclosed proxy card will vote such proxy for the election of each of the nominees named above unless you indicate that your vote should be withheld. If elected, each nominee will continue in office until his successor has been duly elected and qualified, or

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

until the earliest of his death, resignation, retirement or removal. Each of the nominees has indicated to the Company that he or she will serve if elected. The Company does not anticipate that any of the nominees will be unable to stand for election, but if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors has nominated and recommends a vote **FOR** the election of Messrs. Wayne Courtright, Dave Dallas, Robert Dallas and Peter Maricondo.

GOVERNANCE OF THE COMPANY

Meetings of the Board of Directors and Committee Meetings

During the fiscal year ended December 31, 2004, the Board of Directors of the Company held 12 meetings. During the fiscal year ended December 31, 2004, no director attended fewer than 75% of the aggregate of (i) the meetings of the Board of Directors, and (ii) meetings of the Committees of the Board of Directors on which such director served. The Board of Directors has determined that each of the following Directors of the Company is independent, for Audit Committee purposes, within the meaning of the NASDAQ's listing standards: Frank Ali, Mark S. Brody, Wayne Courtright, Peter E. Maricondo, Charles S. Loring and Allen Tucker, constituting a majority of the Board. The Company's policy is to require all Directors to attend annual meetings of shareholders absent extenuating circumstances. All of the Company's Directors attended the Company's 2004 Annual Meeting of Shareholders.

Audit Committee

The Company maintained an Audit Committee of the Board of Directors, which consisted of Messrs. Ali, Brody, Loring, Tucker and Ms. Butler, during the fiscal year ended December 31, 2004. Messrs. Courtright and Maricondo were appointed as additional members of the Audit Committee in November of 2004, and Messrs. Ali and Tucker and Ms. Butler resigned from the Audit Committee. The Audit Committee met 12 times in 2004. All Directors, who serve on the Audit Committee, are independent under the NASDAQ listing standards. The Board has determined that Messrs. Maricondo and Brody are both considered audit committee financial experts as defined in Item 401(h) of the Securities and Exchange Commission Regulation S-K and have the financial sophistication and experience required by NASDAQ listing standards.

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Board has adopted a written charter setting forth the functions of the Audit Committee. The functions of the Audit Committee are to: (i) monitor the integrity of the Company's financial reporting process and systems of internal controls; (ii) monitor the independence and performance of the Company's external audit and internal auditing functions; (iii) provide avenues of communication among the external and internal auditors and the Board of Directors; and (iv) review and monitor compliance with the Company's policies, procedures and practices. The Audit Committee reviews this charter annually in order to assure compliance with current SEC and NASDAQ rulemaking and to assure that the Audit Committee's functions and procedures are appropriately defined and implemented. Pursuant to this review, the Audit Committee Charter was amended and restated as of February 28, 2005, to conform to recently revised standards of conduct, independence and operation applicable to audit committees and their members. A copy of the Charter as so amended and restated is attached as Exhibit A to this Proxy Statement.

The Audit Committee also reviews and evaluates the recommendations of the independent certified public accountant, receives all reports of examination of the Company and the Bank by regulatory agencies, analyzes such regulatory reports, and informs the Board of the results of their analysis of the regulatory reports. In addition, the Audit Committee receives reports directly from the Company's internal auditors and recommends any action to be taken in connection therewith.

H/R Compensation Committee

The H/R Compensation Committee consisted of Directors Frank Ali, Mark S. Brody, Donna S. Butler, Robert H. Dallas and Peter D. DeTommaso during the fiscal year ended December 31, 2004. On March 18, 2004, Mr. Robert Dallas resigned from his position as Chairman of the H/R Compensation Committee, and Dr. Mark S. Brody was appointed to take his place. Effective December 31, 2004, Ms. Butler and Mr. DeTommaso were no longer members of the Board of Directors, and Mr. Wayne Courtright was appointed as a member of the H/R Compensation Committee. The H/R Compensation Committee met four (4) times in 2004.

The H/R Compensation Committee of the Board of Directors currently consists of Chairman Mark S. Brody, Frank Ali and Wayne Courtright. As of the date hereof, all Directors who serve on the H/R Compensation Committee are independent for purposes of NASDAQ listing standards.

The H/R Compensation Committee is appointed by the Board of Directors to assist the Board in fulfilling its responsibilities with respect to human resources issues, policies relating to human resources and compensation of employees, including executive compensation. The H/R Compensation Committee does not have a formal charter, but performs functions that include monitoring human resources and compensation issues and practices both internally and in the marketplace, conducting surveys and studies as to these issues, keeping abreast of current developments in the relevant fields, developing compensation ranges/grades, human resources policies and employment manual updates. Based on the results of its activities, the H/R Compensation Committee makes recommendations to the Board as to matters of compensation and human resources. The H/R Compensation Committee is not authorized to make final decisions as to these matters; rather, the Board of Directors makes all final determinations regarding compensation and human resources matters, and takes into account, but is not required to follow, the recommendations of the H/R Compensation Committee. All decisions regarding compensation of executive officers of the Company are made by a majority of independent Directors in accordance with NASDAQ listing standards.

The Company does not maintain a separate Nominating Committee. The full Board of Directors, which is comprised of a majority of independent directors within the meaning of the NASDAQ listing standards, performs the functions and fulfills the role of a nominating committee. In accordance with NASDAQ listing standards, each nominee selected by the Board must be approved by a majority of the independent Directors. The Company does not believe that a nominating committee is needed in light of the foregoing approval requirement and the fact that the Board consists largely of independent Directors. Although the Board has not adopted a formal written charter relating to its nominating procedures, it has adopted a resolution regarding the nomination process. The Board of Directors carefully considers all director candidates recommended by the Company's stockholders, and the Board does not and will not evaluate such candidate recommendations any differently from the way it evaluates other candidates. In its evaluation of each proposed candidate, the Board considers many factors including, without limitation, the individual's experience, character, demonstrations of judgment and ability, and financial and other special expertise. The Board is also authorized to obtain the assistance of an independent third party to complete the process of finding, evaluating and selecting suitable candidates for director. Candidates must be at least 30 years old. Any shareholder, who wishes to recommend an individual as a nominee for election to the Board of Directors, should submit such recommendation in writing to the Corporate Secretary of the Company, together with information regarding the experience, education and general background of the individual and a statement as to why the shareholder believes such individual to be an appropriate candidate for Director of the Company. Such recommendation should be provided to the Company no later than the deadline for submission of shareholder proposals with respect to the annual meeting at which such candidate, if nominated by the Board, would be proposed for election.

Communications with the Board of Directors

The Company encourages shareholder communications with the Board of Directors, but does not have a formal process. All such communications should be directed to the Chief Executive Officer of the Company, who will circulate them to the other members of the Board. The Board does not screen shareholder communications.

Compensation of Directors

Directors of the Company do not receive cash compensation for their service on the Company's Board of Directors. However, Directors do receive cash compensation for their service on the Board of Directors of the Bank. Directors receive \$600 for attendance at each Bank Board of Directors meeting, and between \$200 and \$400 for attendance at each Bank Committee meeting. In addition, Directors are eligible to participate in the Company's stock bonus and stock option plans. During 2004, no members of the Company's Board of Directors received grants of Common Stock under the Company's stock bonus plans. During 2004, a total of 27,666 options to purchase shares of Common Stock were granted to non-employee Directors at an exercise price of \$11.95 per share.

Code of Ethics

The Company has adopted a Code of Ethics in accordance with SEC regulations, applicable to the Company's Chief Executive Officer, Chief Operating Officer, senior financial officers and the Board of Directors. This Code is incorporated herein by reference as Exhibit 14 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Auditors for Fiscal 2005

The Company's independent registered public accounting firm for the fiscal year ended December 31, 2004, was KPMG LLP. The Company's Audit Committee has appointed KPMG LLP to continue as independent registered public accounting firm for the Bank and the Company for the year ending December 31, 2005. Representatives of KPMG LLP are expected to be present at the Annual Meeting and shall have an opportunity to make a statement if they desire to do so and shall be available to respond to appropriate questions.

Fees Paid to the Company's Independent Registered Public Accounting Firm during Fiscal Years 2004 and 2003

Audit Fees

The Company was billed the aggregate amount of \$125,000 for fiscal year ended December 31, 2004, for professional services rendered by KPMG LLP for its audit of the Company's Financial Statements for 2004 and review of the financial statements included in the Company's Forms 10-Q during 2004. The Company was billed the aggregate amount of \$110,000 for fiscal year ended December 31, 2003, for professional services rendered by KPMG LLP for its audit of the Company's Financial Statements for 2003 and review of the financial statements included in the Company's Forms 10-Q during 2003.

Tax Fees

KPMG LLP billed the Company \$0.00 and \$7,600 in for the fiscal years ended 2004 and 2003, respectively, for tax compliance services.

All Other Fees

In addition to the fees set forth above under Audit Fees, the Company was billed \$4,500 for professional services related to Securities and Exchange Act filings of the Company in fiscal year 2004.

The Audit Committee has considered whether the provision of these services is compatible with maintaining the independence of KPMG LLP.

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee generally pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. The Audit Committee has approved an exception to this pre-approval policy, allowing management to engage the Company's independent auditor to provide permissible non-audit services, provided that the total cost of such services, in the aggregate, does not exceed \$10,000 in any year. Management will then report the engagement to the Audit Committee at its next meeting. All audit and permissible non-audit services provided by KPMG LLP to the Corporation for the fiscal years ended 2004 and 2003 were approved by the Audit Committee.

Report of the Audit Committee

The Audit Committee meets at least four times per year to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent registered public accounting firm and the Company's internal auditors, who have unrestricted access to the Audit Committee.

Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accounting firm audits the financial statements prepared by management, expresses an opinion as to whether those financial statements fairly represent the financial position, results of operations, and cash flows of the Company in conformity with generally accepted accounting principles and discusses with the Audit Committee any issues they believe should be raised with the Committee.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and KPMG LLP, the Company's independent registered public accounting firm. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received the written disclosures and letters from KPMG LLP that are required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and have discussed with representatives of KPMG LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the U.S. Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Board of Directors Interlocks and Insider Participation

During 2004, the entire Board of Directors of the Company and the Bank made all decisions with regard to executive compensation, taking into consideration the recommendations of the H/R Compensation Committee. The approval of a majority of the independent Directors is required with respect to all executive compensation. None of the members of the Board of Directors, except James A. Hughes, is an employee of the Company or the Bank.

Board of Directors Report on Executive Compensation

The Board of Directors is responsible for establishing the compensation levels and benefits for executive officers of the Company and the Bank. The Board of Directors has the following goals for compensation programs affecting the executive officers of the Company and the Bank:

to align the interests of executive officers with the long-term interests of shareholders through awards that can result in ownership of Common Stock;

to retain the executive officers, who the Board of Directors believes will increase the Company's level of performance and allow the Company to attract high-quality executive officers in the future by providing total compensation opportunities, which are consistent with competitive norms of the industry; and

to maintain fixed compensation at competitive amounts for the industry and the geographic area of the Company.

James A. Hughes is the Company's President and Chief Executive Officer and was also the President and Chief Executive Officer of the Bank during 2004. In determining Mr. Hughes' compensation for 2004, the Board of Directors took into account the continued profitability of the Company during the year. The Board of Directors also took into account Mr. Hughes' performance in repositioning the Company, maintaining the Company's net interest margin, decreasing the Company's cost of funds and increasing the Company's loans and deposits.

Employment and Change in Control Agreements

The Company and the Bank entered into an Employment Agreement with Mr. Hughes on March 23, 2004 (superseding and replacing a Retention Agreement with Mr. Hughes formerly in effect) with respect to his services as President of the Company and the Bank. Under this Employment Agreement, Mr. Hughes will receive an annual base salary of \$185,000, subject to annual review and, in the discretion of the Board of Directors, adjustment based on factors deemed appropriate by the Board. Mr. Hughes may also receive such additional cash bonuses as the Board of Directors may authorize in its discretion. Mr. Hughes is entitled to participate in such benefit programs as are made available to employees of the Company, and to participate in such stock option or stock bonus plans as the Board of Directors may, in its discretion, determine.

Mr. Hughes' employment may be terminated at any time for cause as defined in the Employment Agreement, or without cause. In the event that Mr. Hughes is terminated without cause or resigns for good cause (as defined under the Employment Agreement and discussed below), he is entitled to receive a severance amount equal to 18 months of his then current base salary. Such amount shall be paid, at the option of Mr. Hughes, over an 18-month period or in one lump sum payment (within 30 days of the termination of Mr. Hughes' employment). In the event Mr. Hughes elects to receive such amount over an 18-month period, Mr. Hughes will also continue to receive medical, life insurance and other benefits to which he had been entitled at the date of termination for such 18-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. Good Cause under the Employment Agreement includes a material reduction in Mr. Hughes' duties and responsibilities or any reduction in his base salary.

In addition, if Mr. Hughes' employment with the Company or any successor terminates within 18 months after a change in control of the Company, as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to the greater of (i) 36 times Mr. Hughes' monthly base salary (pro-rated based upon his annual base salary at the date of termination), or (ii) three times the amount of Mr. Hughes' annual base salary at the date of termination, plus three times the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid, at the option of Mr. Hughes, in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a Change in Control) or over a 36-month period. In the event Mr. Hughes elects to receive such amount over a 36-month period, the Company, or its successor, will be required to maintain Mr. Hughes' hospital, health, medical and life insurance coverage during such 36-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. All unvested stock options and stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, if Mr. Hughes' employment with the Company terminates within 18 months after the Company consummates a Significant Acquisition, as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to the greater of (a) 36 times Mr. Hughes' monthly base salary (pro-rated based upon his annual base salary at the date of termination), or (b) three times the amount of Mr. Hughes' annual base salary at the date of termination, plus three times the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid, at the option of Mr. Hughes, in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a Significant Acquisition) or over a 36-

month period. In the event Mr. Hughes elects to receive such amount over a 36-month period, the Company will be required to maintain Mr. Hughes' hospital, health, medical and life insurance benefits coverage during such 36-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. In the event Mr. Hughes becomes entitled to the foregoing amounts due to this termination within 18 months of a Significant Acquisition, all unvested stock options or stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon such termination.

Significant Acquisition under the Employment Agreement means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Mr. Hughes' Employment Agreement has a term of three years; however, for each day elapsed during the term, a day will be added at the end of the term so that the term will be extended on a rolling basis to be three years at any point in time, unless either party shall have provided written notice to the other of its desire to cease such extensions. In addition, the term of Mr. Hughes' Employment Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which (in any way) restricts the payment of any amounts or benefits which may become due under Mr. Hughes' Employment Agreement.

The Company also entered into Retention Agreements on March 23, 2004, with each of its executive vice presidents, Messrs. Bedner, Bono, Downes, Kauchak and Ms. Stashko (superseding and replacing, in the case of Messrs. Bono, Downes and Kauchak, change in control agreements formerly in effect) setting forth the rights of such persons upon termination of employment and upon a change in control of the Company. Each of these Retention Agreements provides that the executive may be terminated at any time for cause as defined in the applicable Retention Agreement or without cause. In the event that the executive is terminated without cause or resigns for good cause (as defined under the applicable Retention Agreement and discussed below), the executive is entitled to receive a severance amount equal to 9 months of the executive's then current base salary. Such amount shall be paid, at the executive's election in a lump sum payment (within 30 days of the termination of the executive) or over a 9-month period. In the event the executive elects to receive such amount over a 9-month period, the executive will continue to receive medical, life insurance and other benefits to which the executive had been entitled at the date of termination for such 9-month period, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. Good Cause under the Retention Agreements includes a material reduction in the executive's duties and responsibilities or any reduction in the executive's base salary.

In addition, if the executive's employment with the Company or any successor terminates within 18 months after a change in control of the Company, as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to the greater of (i) 18 times the executive's monthly base salary (pro-rated based upon the executive's annual base salary at the date of termination), or (ii) the amount of the executive's annual base salary at the date of termination, plus the aggregate amount of any cash bonuses paid to the executive during the preceding fiscal year. Such amount shall be paid, at the executive's option, in one lump sum payment (within 30 days of the executive's termination subsequent to a change in control) or over an 18-month period. In the event the executive elects to receive such amount over an 18-month period, the Company or its successor will be required to maintain the executive's hospital, health, medical and life insurance coverage for such 18-month period. All unvested stock options and stock option grants previously granted to the executive shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, if the executive's employment with the Company terminates within 18 months after the Company consummates a Significant Acquisition, as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to the greater of (a) 18 times the executive's monthly base salary (pro-rated based upon its annual base salary at the date of termination), or (b) the amount of the executive's annual base salary at the date of termination, plus the aggregate amount of any cash bonus paid to the executive during the preceding fiscal year. Such amount shall be paid, at the option of the executive, in one lump sum payment (within 30 days of the termination of the executive subsequent to a Significant Acquisition) or over an 18-month period. In the event the executive elects to receive such amount over an 18-month period, the Company will be required to maintain the executive's hospital, health, medical and life insurance benefits coverage during such 18-month period, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. In the event the executive becomes entitled to the foregoing amounts due to termination within 18 months of a Significant Acquisition, all unvested stock options and stock awards previously granted to the executive shall accelerate and immediately vest upon such termination.

Significant Acquisition under the Retention Agreements means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Each Retention Agreement has a term of three years; however, in the event that the term of the Retention Agreement would terminate at any time after the Company has engaged in substantive negotiations regarding a transaction that would lead to a change in control, the Retention Agreement shall continue to remain in full force in effect until the earlier to occur of (i) the effectuation of the transaction leading to the change in control, or (ii) the termination of the negotiations for the proposed transaction, which would have resulted in the change in control. In addition, the term of each Retention Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the Bank or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which in any way restricts the payment of an award or benefits under the Retention Agreement.

Stock Benefit Plans for Employees

The Company has several stock option plans that allow the Board of Directors to grant stock options to the Company's officers, employees and directors. The exercise price of options is equal to the fair market value of the Common Stock on the date of grant. Options typically vest over a period of time determined by the Board and may not be exercised more than ten years after the date of grant.

401(k) Plan

The Bank has a 401(k) savings plan covering substantially all employees. Under this plan, an employee can contribute up to 20% of his or her salary on a tax deferred basis. The Bank may also make discretionary contributions to the plan.

Certain Transactions with Management

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e., corporations or organizations for which they serve as officers or directors, or in which they have beneficial ownership interest of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or represent other unfavorable features.

The Company leases its Clinton, New Jersey, headquarters from a partnership in which Messrs. David Dallas and Robert Dallas are partners. Under the lease for such facility, such partnership received aggregate rental payments of \$425,506 in 2004. The Company believes that such rent payments reflected market rent and that such lease reflects terms that are comparable to those that could have been obtained in a lease with an unaffiliated third party.

On January 1, 2004, the Company purchased the Scotch Plains, New Jersey, branch office, which it had previously leased from a partnership in which Messrs. David Dallas and Robert Dallas are partners, for \$750,000. The Company believes that the purchase of its Scotch Plains, New Jersey, office reflects a fair market price that is comparable to the price that would have been paid to an unaffiliated third party for the purchase of similar offices either in or in the vicinity of Scotch Plains, New Jersey. A majority of the Company's independent Directors approved the foregoing payments and arrangements.
