**PROXY STATEMENT**

**2005 Annual Meeting of Shareholders**

This Proxy Statement is furnished to you in connection with the solicitation of proxies by the Board of Directors of Team Financial, Inc. for use at our 2005 annual meeting to be held on Tuesday, June 21, 2005. The annual meeting will be held at the Paola High School Auditorium, 401 North Angela, Paola, Kansas at 9:00 a.m. central time. This Proxy Statement and the enclosed proxy card were sent to shareholders on or about May 16, 2005.

The following matters will be acted on at our annual meeting:

1. Election of three Class III directors to serve a three year term;
2. Ratification of the appointment of KPMG LLP as our independent auditors for 2005; and
3. Any other business as may properly come before the meeting.

**GENERAL INFORMATION ABOUT VOTING**

*Who can vote?*

You can vote your shares of common stock if our records show that you owned the shares on April 25, 2005. A total of 4,039,095 shares of common stock can vote at the annual meeting. You have one vote for each share of your common stock. The enclosed proxy card shows the number of shares you can vote.

*How do I vote by proxy?*

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxy holders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxy holders will vote for you on that proposal. Unless you instruct otherwise, the proxy holders will vote FOR each of the three Class III director nominees and the ratification of the appointment of KPMG LLP as our independent auditors for 2005.

*What if other matters come up at the annual meeting?*

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares in their discretion.

*Can I change my vote after I return my proxy card?*

Yes. At any time before the vote on a proposal, you can change your vote either by giving the Company's secretary a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card. We will honor the proxy card with the latest date.

*Can I vote in person at the annual meeting rather than by completing the proxy card?*

Yes. Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person, even if you have previously completed and returned a proxy card.

*What do I do if my shares are held in street name ?*

If your shares are held by your broker, a bank or other nominee, you will probably receive this proxy statement from them with instructions for voting your shares. Please respond quickly so that they may represent you.

If your shares are held in the name of a broker, bank or other nominee, and you do not tell that person how to vote your shares (so-called broker non-votes ), that person can vote your shares as he or she sees fit only on matters that self regulatory organizations determine to be routine, and not on any other proposal. Broker non-votes will be counted as present to determine if a quorum exists but will not be counted as present and entitled to vote on any non-routine proposal.

*How are votes counted?*

We will hold the annual meeting if holders of at least one-third of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. The ratification of the appointment of independent auditors will require the affirmative vote of a majority of the shares represented at the meeting. With respect to the election of directors, you are entitled to cumulate your votes which means that you may cast all of your votes for any one nominee or distribute your votes among any three or more nominees. The number of votes you have the right to cast among the nominees is determined by multiplying the number of shares you own by three. If votes for a certain director nominee are withheld, those votes will be voted equally for the election of the other nominees.

If your shares are held in the name of a nominee, and you do not tell the nominee in a timely manner how to vote your shares (so-called broker non-votes ), the nominee can vote them as he or she sees fit only on matters that self regulatory organizations determine to be routine, and not on any other proposal. Non-contested elections for directors, as well as ratification of auditors, are usually considered routine matters. Broker non-votes will be counted as present to determine if a quorum exists but will not be counted as present and entitled to vote on any non-routine proposal.

*Who pays for this proxy solicitation?*

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this.

Executive officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. **PROPOSAL NO. 1****ELECTION OF CLASS III DIRECTORS**

Our Board of Directors is divided into three classes that serve three year terms. Each class's terms expire in different years as shown below.

Class	Expiration
Class I	2006
Class II	2007
Class III	2005

This means that you may cast all of your votes for any one nominee or distribute your votes amongst the three or more nominees in any amount you desire. If votes for a certain director nominees are withheld, those votes will be distributed to the remaining director nominees. If no instructions are given, the shares will be voted equally for the election of all nominees.

**Your Board of Directors recommends a vote FOR the election of Keith B. Edquist, Carolyn S. Jacobs, and Denis A. Kurtenbach.** Proxies solicited by your Board of Directors will be voted FOR them unless instructions are given to the contrary.

## Board and Corporate Governance Matters

### Membership on the Board

Directors are elected for 3-year terms expiring in different years based on assigned member class. Any vacancies on the Board may be filled by the affirmative vote of a majority of the remaining directors. Any director elected to fill a vacancy shall hold office for the unexpired term of his/her predecessor. The directors' and nominees' class and terms are as follows:

Class	Expiration	Members
Class I	2006	R.G. (Gary) Kilkenny, Kenneth L. Smith, Lloyd A. Byerhof
Class II	2007	Michael L. Gibson, Montie K. Taylor and Robert J. Weatherbie
Class III	2005	Keith B. Edquist, Dennis A. Kurtenbach and Carolyn S. Jacobs

The Board has determined that Kenneth L. Smith, Lloyd A. Byerhof, Keith B. Edquist, Denis A. Kurtenbach and R.G. (Gary) Kilkenny are independent within the meaning of the rules and regulations of the Securities and Exchange Commission and NASDAQ National Market rule 4200.

### Committees of the Board

Our Board of Directors has two committees. The function and membership of each committee and the number of times it met in 2004 is discussed below.

#### *Audit Committee*

The members of the Audit Committee during 2004 included Lloyd A. Byerhof, Keith B. Edquist and R.G. (Gary) Kilkenny. The Audit Committee met six times during 2004. Lloyd A. Byerhof was appointed Chairman of the Audit Committee on September 28, 2004.

The primary function of the Audit Committee is to assist the Board in its oversight of the financial reporting process. The Audit Committee recommends independent auditors to the Board, reviews the scope and results of the auditor's services, approves auditor's fees and reviews the financial reporting and internal control functions. The Audit Committee performs duties set forth in its amended written charter, which was adopted by the Board of Directors March 29, 2004. A copy of the charter is attached to this Proxy Statement as Exhibit 1.

The Board has determined that each member of the Audit Committee is independent within the meaning of the rules and regulations of the Securities and Exchange Commission and NASDAQ rule 4200. The Board has identified Lloyd A. Byerhof as Audit Committee Financial Expert as defined in Item 401 (h) of Regulation S-K.

#### Executive Compensation Committee

The members of the Executive Compensation Committee are Denis A. Kurtenbach, Kenneth L. Smith, Keith B. Edquist, and R.G. (Gary) Kilkenny. All members are independent within the meaning of the rules and regulations of the Securities and Exchange Commission and NASDAQ rule 4200. The Executive Compensation Committee met four times during 2004. The primary function of the Committee is to review and approve compensation and benefit programs. Additionally, the Committee approves the compensation of the Chief Executive Officer, Chief Financial Officer, and Controller and administers the Stock Incentive Plan.

#### *Nominating Committee*

There is not a standing nominating committee. The Directors serve as the nominating committee. Due to the size of the Board and the frequency of the Board meetings, the nine members serving as the nominating committee is appropriate. The Board reserves the right to assign candidate searches to certain members of the Board, independent directors or non-independent directors, who will make recommendations to the Board. In the event a non-independent director identifies a qualified candidate, the independent directors must ratify the nomination. There is currently no policy in place regarding the consideration of any director candidates recommended by security holders. See Shareholder Proposals below for further information regarding shareholder proposals. The Board will nominate candidates based on whom they believe will be effective in serving the long-term interest of the company and its shareholders. Candidates are evaluated based on their background and the need for any required expertise on the Board or its committees at any particular time.

#### **Board Compensation**

The non-employee directors receive an annual fee of \$10,000 and \$300 per board meeting attended.

#### **Attendance at Board and Committee Meetings**

The Board of Directors had twelve regularly scheduled meetings during 2004, and three special meetings. Each director attended at least 90% of the meetings. Although we do not have a formal policy regarding director attendance at the shareholder meeting, directors are encouraged to attend. All nine directors serving in 2004 attended the June 15, 2004 annual shareholders meeting.

#### **Code of Ethics**

The Board of Directors adopted a Code of Ethics that applies to all employees including executive officers, directors and principal accounting officers. The Code of Ethics is available on our website at [www.teamfinancialinc.com](http://www.teamfinancialinc.com).

#### **Certain Relationships and Related Transactions**

Our officers, directors and principal shareholders and businesses they control may be customers of our subsidiary banks. Credit transactions with these parties are subject to review by loan committees of the banks and/or by the banks' Board of Directors. All outstanding loans and extensions of credit to these parties were made in the ordinary course of business on terms substantially similar to comparable transactions with unaffiliated persons. At December 31, 2004, the aggregate balance of loans and advances under extensions of credits made by the subsidiary banks to these affiliated parties was approximately \$1,092,000.

During 2004, we employed Sean Weatherbie as a network administrator. Sean Weatherbie is the son of our Chairman, Robert J. Weatherbie. Sean Weatherbie earned approximately \$60,000 and received standard employee benefits in 2004 and his employment is expected to continue in 2005.

**Audit Committee Report**

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*. The Audit Committee has considered whether other non-audit services provided by the independent auditors to us is comparable with maintaining the auditor's independence and has discussed this with the auditors.

Based on the reports and discussions described in this proxy statement, and procedures completed while performing the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to our board of directors that the 2004 audited financial statements be included in the Company's Annual Report on Form 10-K for the Year Ended December 31, 2004 filed with the Securities and Exchange Commission.

Our Board of Directors, upon recommendation of the Audit Committee, has determined to continue the services of KPMG LLP for the current fiscal year ending December 31, 2005. These services will include the examination of our financial statements for the fiscal year ending on such date and other appropriate accounting services.

Submitted by the Audit Committee: Dated March 30, 2005

### Compensation Committee Report on Executive Compensation

Our executive compensation policy is intended to be competitive with bank holding companies of comparable asset size. The policy is intended to offer an incentive for performance. The overall compensation program is designed to retain and reward on both a short and long-term basis. The Compensation Committee pays particular attention to the total compensation paid to the chief executive officers of other bank holding companies taking into consideration the relative size of the companies and the experience of their chief executive officers.

The principal elements of our executive compensation program for the fiscal year ended December 31, 2004, applicable to our Chief Executive Officer were as follows:

- The salary level is reviewed and determined annually. Consideration is given to the scope of responsibilities and to being comparable with similar positions with bank holding companies of comparable size. Factors included in the comparison are relative size of companies, both currently and over a period of time, and the experience and responsibility of the individuals. The Committee approves the salary level after consideration of both internal and external information as set forth above. In establishing the base salary, the Committee does not assign any weight to any particular factor.
- Cash bonus awards are considered annually. In awarding bonus payments, factors considered by the Compensation Committee include a review of our financial performance as determined by our net income growth, return on equity, and asset growth. There were no cash bonuses paid in 2004 and 2003. Cash bonuses paid in 2002 were based upon the performance factors for net income growth, return on equity, and asset growth being met. The Compensation Committee requires the Chief Executive Officer to use a percentage of the cash bonus, if any, to purchase our common stock in the open market, subject to any limitations under federal or state securities laws. The percentage varies from year to year.
- Stock Options are also awarded annually to the Chief Executive Officer and certain other key executives. They are awarded to provide the Chief Executive Officer and the key executives with long-term incentives for profitable growth and to closer align our Chief Executive Officer and key executives with the interest of our shareholders. Retention and long-term reward are both factors considered in granting stock options. With respect to the amount of options to be granted, consideration is given to the scope of responsibility and the degree of its effect on our performance as well as the degree of importance in providing incentive to the individual to stay with us over time. The Compensation Committee, in determining whether to grant options or in the granting of options, does not take into consideration the amounts of options previously granted or outstanding.
- Participation is also granted in our non-qualified salary continuation plan eligible for certain executive officers in our organization whereby the executive officer will receive monthly benefits for ten years commencing with the month after retirement. The annual benefit for the Chief Executive Officer is based upon 65% of the highest base salary for any three years in the ten year period immediately preceding retirement. Please see Salary Continuation Plan for further information on the terms of this plan.
- The deferred compensation plan is a non-qualified plan for executive officers whereby the executive officer may defer a stated percentage of salary up to 10% of compensation. We match 25% of the deferral amounts made by our Chief Executive Officer. We accrue interest on the deferral amounts based on a modified return on equity calculation, which includes the return on equity of TeamBank N.A., net of core deposit intangible asset amortization, subject to a 6% minimum and a 12% maximum rate. Please see Deferred Compensation Plan elsewhere in this proxy statement for further information on the plan.

- We provide split dollar life insurance benefits to certain executive officers to encourage the executive to continue his or her relationship with us. The policy remains in full force and in effect upon a change in control of our capital stock unless the insurance policy is replaced with a comparable policy to cover the benefit provided to the executive officer. Please see **Split Dollar Life Insurance Benefit** elsewhere in this proxy statement for further information on this benefit.

Other elements of compensation offered to the Chief Executive Officer and to all other eligible employees include participation in a 401(k) deferred contribution plan, our Employee Stock Ownership Plan, our insurance benefit package, and our organization-wide performance based bonus program.

Up to 75,000 shares of common stock can be issued under the plan through 2008 in annual increments of no more than 9,950 plus unissued shares from previous offerings whether offered or not. **Employment Agreements**

On January 1, 2005, we entered into a three-year employment agreement with Mr. Weatherbie under which he receives a base annual salary of \$250,000 for 2005, an annual bonus at the discretion of the

Board of Directors, life insurance, a car allowance and participation in all other benefits received by our employees. Under certain circumstances, such as his death or disability, we have also agreed to pay Mr. Weatherbie or his estate not less than \$500,000. We have obtained life insurance and disability insurance for these contingencies. In the event of termination of Mr. Weatherbie's employment without cause, he will be entitled to payments equal to his annual base salary for the longer of one year or the remaining term of the agreement discounted at 8% annually, along with reimbursement for out-of-pocket expenses incurred for professional and tax advice not to exceed 75% of his annual base salary, as well as job search expenses incurred not to exceed 50% of his annual base salary. He would also be entitled to continue participation in the medical, dental, life and disability insurance plans in effect at the time of termination. All stock options granted will accelerate and become exercisable and the title of the automobile furnished by the Company in use at the time of termination would transfer to Mr. Weatherbie.

We have also entered into an employment agreement with Mr. Gibson, effective January 1, 2005, the terms of which are substantially similar to the employment agreement with Mr. Weatherbie, except that Mr. Gibson's annual base salary for 2005 is \$164,750.

### **Employee Stock Ownership Plan**

The ESOP is a restatement and continuation of a plan previously maintained by a predecessor company, which commenced receiving contributions in 1981. In 1986, the ESOP was the vehicle used in establishing our company and financing the acquisition of the one-bank holding company that owned TeamBank, N.A. All of our wholly-owned subsidiaries with employees participate in the ESOP.

The ESOP is a retirement plan for eligible employees and is funded entirely with contributions made by us and dividends paid by us with respect to the common stock owned by the ESOP. The ESOP is designed to be invested primarily in our securities. The ESOP is a leveraged plan which permits it to borrow money to buy our securities, which are held in a suspense account until the loan is paid. As of April 25, 2005 the ESOP had no outstanding debt. Allocations are made annually and are based on the relative compensation of the participants. Allocations are also potentially subject to certain maximums. Retirement benefits under the ESOP depend on the amount of an employee's account balance at death, disability, separation from service or retirement, and there is no fixed amount.

Employees are eligible to participate in the ESOP on January 1 or July 1 following the date six months after the first day of employment. Employees also must achieve a minimum age in order to participate. To be eligible for allocations of the ESOP's contributions, employees must complete 1,000 hours of service during a year and must be employed on the last day of the plan year. The employment requirement does not apply if the participant dies or becomes disabled or attains age 65 in the plan year. Following three years of service, employees become vested in their ESOP accounts at 20% per year, with 100% vesting occurring after seven years. However, if a participant dies or is disabled while still employed, a participant becomes 100% vested immediately.

### **Salary Continuation Plan**

In July 2001, we adopted a non-qualified salary continuation plan for certain of our management employees and executive officers whereby the participant will receive monthly benefits for 10 years commencing with the month after retirement. The annual benefits for our top executive officers is 65% of the highest base salaries paid to the executive for any three years in the five to ten year period immediately preceding retirement or termination of employment. Benefits under the plan are subject to a vesting schedule which vests over the executive's remaining years to retirement with age 65 set as the expected retirement age. Amounts and timing of benefits are as follows:

- *Normal Retirement* If termination of employment is due to normal retirement age at 65, the executive is entitled to the full annual benefits paid in equal monthly installments.

- *Termination of Employment Prior to Normal Retirement* If employment is voluntarily or involuntarily terminated (other than by disability, death or change in control), the executive is entitled to the vested portion of the annual benefits which is to be paid in a lump sum to the executive. However, no benefits are payable if employment is terminated due to (i) the executive's gross negligence or gross neglect of his or her duties, (ii) conviction in a court regarding involving moral turpitude in connection with the executive's employment, (iii) fraud, disloyalty, dishonesty or willful violation of our policies committed in connection with the executive's employment and resulting in an adverse effect on us and personal benefit to the executive, or (iv) the executive committing suicide.
- *Disability* If employment is terminated due to disability, the executive is entitled to the vested portion of the annual benefits which is payable at the election of the executive in (i) a lump sum upon termination of employment due to the disability (ii) a lump sum at age 65, or (ii) equal monthly installments over 10 years beginning at age 65 with a credit for interest at the rate of 7.5% compounded monthly on the remaining balance of the benefit owed.
- *Death* If the executive dies while employed by us and prior to receiving any benefits under the plan, the executive will not be entitled to any benefits under the plan. If the executive dies while receiving monthly payments under the plan, benefits cease in the month following death.
- *Change of Control* If employment is terminated in connection with a change in control of our company, such as by acquisition, merger, change in ownership of 50% or more of our outstanding voting stock, or change in the majority of members of our board of directors pursuant to a contested transaction (such as a tender offer, exchange offer or contested election), the executive is entitled to fully vested annual benefits to be paid in a lump sum.

We may terminate the plan at any time provided we pay our executives in a lump sum the amount vested under the plan at such date of termination.

### Deferred Compensation Plan

In January 2002, we adopted a non-qualified deferred compensation plan for certain of our management employees and executive officers whereby the participant may defer between 2% to 10% of their base salary. Certain officers consisting of Messrs. Weatherbie and Gibson and Ms. Jacobs, are required to defer at least 5% under the plan. We make matching contributions of 25% of these officers' deferrals under the plan. We also pay interest, compounded monthly, on the deferral accounts at modified return on the equity of TeamBank N.A.; provided, however, that such interest rate is not less than 6% or greater than 12%. Payment and timing of benefits are as follows:

- *Normal Retirement* If termination of employment is due to normal retirement at age 65, the executive is entitled to the full amount in the deferral account paid in equal monthly installments over a ten year period. Interest at the annual rate of 7.5% is paid on the outstanding balance.
- *Termination of Employment Prior to Normal Retirement* If employment is voluntarily or involuntary terminated (other than by disability, death or change in control), the executive is entitled to the full amount in the deferral account which is to be paid in a lump sum to the executive. However, the executive will not be entitled to any matching amounts or interest credited by us if employment is terminated due to (i) the executive's gross negligence or gross neglect of his or her duties, (ii) conviction in a court regarding involving moral turpitude in connection with the executive's employment, (iii) fraud, disloyalty, dishonesty or willful violation of our policies committed in connection with the executive's employment and resulting in an adverse effect on us and personal benefit to the executive, or (iv) the executive committing suicide or making a material misstatement of fact in any application for life insurance purchased by us.
- *Disability* If employment is terminated due to disability, the executive is entitled to full amount in the deferral account which is payable at the election of the executive in (i) a lump sum upon termination of employment due to the disability (ii) a lump sum at age 65, or (ii) equal monthly installments over 10 years beginning at age 65 with a credit for interest at the rate of 7.5% compounded monthly on the remaining balance of the benefit owed.
- *Death* If the executive dies while employed by us and prior to receiving any benefits under the plan, the executive will not be entitled to any benefits under the plan. If the executive dies while receiving monthly payments under the plan, benefits cease in the month following death.
- *Change of Control* If employment is terminated in connection with a change in control of our company, such as by acquisition, merger, change in ownership of 50% or more of our outstanding voting stock, or change in the majority of members of our board of directors pursuant to a contested transaction (such as a tender offer, exchange offer or contested election), the executive is entitled to the full amount in the deferral account to be paid in a lump sum.

We may terminate the plan at any time provided we pay our executives in a lump sum the amount vested under the plan at such date of termination.

### Split Dollar Life Insurance Benefit

We provide split dollar life insurance benefits to certain management employees and executive officers. Under the agreements we pay the premiums on the life insurance policies. We are the owner of the life insurance policies. If the covered employee dies, we are entitled to the greater of (i) the cash surrender value of the policy as of the date of death plus reimbursement for all payments we have made to the employee under the Salary Continuation Plan and the Deferred Compensation Plan discussed above, or (ii) the aggregate premiums paid on the insurance policy less any outstanding indebtedness to the insurer. The covered employees' survivors or estate will receive an amount equal to the death proceeds minus the cash surrender value on the date of death.

**Non-Competition Agreements**

In connection with the benefit plans discussed above, we have required our named executive officers to sign non-competition agreements which provide that for a period of 12 months following voluntary or involuntary termination of employment, the executive will not (i) engage in competition with us by working with another person or organization that sells any product or service sold by us in a geographic area within a 30 mile radius of any of our locations and (ii) solicit, contact, or communicate with our customers or prospective customers for purposes of distributing, marketing or selling any product or service that we market.

**Other Employee Plans**

We have a 401(k) plan and an employee performance bonus plan that covers all of our employees, including officers. With respect to the 401(k) plan, we make a matching contribution of 50% of the employee's contribution up to a maximum contribution of 6% of the employee's salary. The bonus plan utilizes a continuous improvement model to determine the amount of award from us and each of our subsidiaries. The model measures improvements in asset growth, profitability, productivity and asset quality growth. Our employees must exceed the performance of the previous year to earn a bonus.

**Independent Auditors**

We have engaged the firm of KPMG LLP as independent auditors to audit and report to our shareholders on our financial statements for the years 1993 through 2004. During all years, which KPMG LLP has served as our independent auditors, there were no disagreements with KPMG LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of KPMG LLP, would have caused them to make a reference to the subject matter of the disagreement in connection with its reports. Representatives of KPMG LLP are expected to be present at the annual meeting and will have the opportunity make a statement if they desire to do so and will be available to respond to appropriate shareholder questions.

*Independent Auditor Fees*

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our annual financial statements for 2004 and 2003, and fees billed for other services rendered by KPMG LLP.

Tax Fees(3)	\$ 107,000	\$ 116,000
All Other Fees(4)		\$ 5,000

(1) Audit fees consisted of fees for services provided in connection with the audit of the annual financial statements and review of the quarterly financial statements and services that are normally provided in connection with statutory and regulatory filings.

(2) Audit related fees consisted of audits of financial statements of certain employee benefit plans, agreed upon procedures related to public funds on deposit and accounting consultation.

(3) Tax fees consisted of tax compliance and tax consultation.

(4) All other fees represent billings for professional services provided in connection with regulatory cash reserve reduction strategy.

*Preapproval of Services*

The Audit Committee is required under Sarbanes Oxley Act 2002 and related Securities Exchange Commission and NASDAQ rules to approve all auditing services and non-audit services provided by the independent auditors prior to the commencement of the services. Since these rules became effective, all services in audit fees, audit related fees, tax fees and all other fees were approved by the Audit Committee.

**PROPOSAL NO. 2**

AUDIT COMMITTEE  
CHARTER  
AS OF MARCH 29, 2004**

As part of the commitment of Team Financial, Inc. (the Company) and its Board of Directors to good governance practices, the Audit Committee regularly reviews its charter and recommends to the Board changes to the charter. The Board adopted changes to the charter on March 29, 2004, in part to take into account the adoption of the Sarbanes-Oxley Act of 2002.

**Committee Mission**

The Committee acts on behalf of the Board of Directors in the best interests of the Company and its shareholders to assist the Board of Directors in fulfilling its responsibility for oversight of: the quality and integrity of the accounting, auditing, and reporting practices of the Company; the Company's compliance with legal and regulatory requirements; the independent auditor's qualifications and independence; the performance of the Company's internal audit functions; and such other duties as directed by the Board.

**Committee Role**

The Committee's role includes a particular focus on the qualitative aspects of financial reporting to shareholders, and on the Company's processes to manage business and financial risk, and for compliance with significant applicable legal, ethical and regulatory requirements. The Committee is solely and directly responsible for the appointment, compensation, evaluation and oversight of the public accounting firm engaged to prepare or issue an audit report on the financial statements of the Company. The Committee will from time to time as it deems necessary, but at least once per year, evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and whether the types of non-audit services provided are compatible with maintaining the auditor's independence. The Committee shall preapprove all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission (SEC) rules.

The responsibilities checklist will be updated annually to reflect changes in regulatory requirements, authoritative guidance, and evolving oversight practices. As the compendium of Committee responsibilities, the most recently updated responsibilities checklist will be considered to be an addendum to this charter.

The Committee relies on the expertise and knowledge of management, the internal auditors, and the public accounting firm in carrying out its oversight responsibilities. Management of the Company is responsible for the preparation, presentation, and integrity of the Company's financial statements and

for determining the Company's financial statements are complete, accurate, and in accordance with general accepted accounting principles. The public accounting firm is responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this charter do not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report.

#### **Authority**

The Committee is authorized, without further action by the Board of Directors, to engage such independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. Such independent advisors may be the regular advisors to the Company.
