Item 8.01 Other Events.

On November 16, 2006, Vista Gold Corp. (Vista) issued a press release announcing that, at a special meeting (the Special Meeting) of Vista s shareholders, optionholders and warrantholders (collectively, Securityholders) held on that date, the Securityholders voted to approve the previously announced transaction which, if completed, will result in Vista transferring its existing Nevada properties into a recently incorporated company, Allied Nevada Gold Corp. (Allied Nevada), which will concurrently acquire the Nevada mineral assets of Carl and Janet Pescio. Under the proposed transaction, Vista s shareholders will exchange their existing common shares of Vista and will receive new common shares of Vista and common shares of Allied Nevada. Vista s optionholders will exchange their options for options to acquire new common shares of Vista and options to acquire common shares of Allied Nevada. Finally, Vista s warrantholders will have their warrants adjusted in accordance with the terms of the warrants.

At the Special Meeting, the transaction was approved by the required majorities: (a) 89.29% of the votes cast by all Securityholders; and (b) 93.42% of votes cast solely by Vista s shareholders. The votes of holders of options and warrants were included in the vote of the Securityholders and no separate class vote was conducted for those holders. Nonetheless, 100% of votes cast by Vista s optionholders voted in favor of the transaction and 51.13% of the votes cast by Vista s warrantholders voted against the transaction.

Completion of the transaction remains subject to a number of conditions, including approval of the Supreme Court of the Yukon Territory. An application for court approval is scheduled to be heard by the Supreme Court of the Yukon Territory on November 20, 2006 at 1:30 p.m. (local time in Whitehorse, Yukon Territory). Vista currently expects the transaction to close in December 2006.

The press release reporting the results of the above special meeting and including further information for Vista shareholders is furnished as Exhibit 99.1 and is attached hereto.

This filing and the press release included as an exhibit hereto contain forward-looking statements within the meaning of the Securities Act of 1933 and Securities Exchange Act of 1934. All statements, other than statements of historical facts, included in these materials that address activities, events or developments that Vista expects or anticipates will or may occur in the future, including such things as future business strategy, competitive strengths, goals, expansion and growth of Vista's or Allied Nevada's businesses, operations, plans and other such matters are forward-looking statements. When used in this filing and the press release, the words "estimate", "plan", "anticipate", "expect", "intend", "believe" and similar expressions are intended to identify forward-looking statements. Such factors include, among others, risks that Vista's or Allied Nevada's acquisition, exploration and property advancement efforts will not be successful; risks relating to fluctuations in the price of gold; the inherently hazardous nature of mining-related activities; uncertainties concerning reserve and resource estimates; potential effects on Vista's or Allied Nevada's operations of environmental regulations in the countries in which they operate; risks due to legal proceedings; uncertainty of being able to raise capital on favorable terms or at all; and risks that may affect Vista's ability to complete the proposed transaction including risks that Vista may be unable to obtain required court or third party approvals; as well as those factors discussed in Vista's latest Annual Report on Form 10-K, Quarterly Report on Form 10-Q and its other filings with the U.S. Securities and Exchange Commission. Although Vista has attempted to identify important factors that could cause actual results to differ materially from those described in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements.
