**Item 1.01. Entry into a Material Definitive Agreement**

In connection with the private placement of shares of our common stock (the Private Placement ), we previously entered into a Placement Agency Agreement with our placement agent (the Placement Agent ) dated October 17, 2006, as amended on November 8, 2006 and further amended on January 31, 2007 (the Placement Agency Agreement ).

The offering period for the Private Placement was to terminate on February 15, 2007 (the Offering Period ), however, on February 15, 2007, we entered into an Amendment to the Placement Agency Agreement with the Placement Agent to extend the Offering Period to March 15, 2007. The remainder of the Placement Agency Agreement remains unchanged.

**Item 2.02. Results of Operations and Financial Condition.**

On February 20, 2007, we disclosed in a press release our cash position as of February 16, 2007 and \$9.0 million in new contracts based on contracts executed between January 1, 2007 and February 16, 2007. The full text of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On February 15, 2007, we initiated plans to reduce our workforce in order to improve operating efficiencies across our business. These changes will allow us to better compete in the marketplace. Under such plans, our active U.S. CRO employee base is expected to decline by approximately 13%. The reduction of our workforce was completed on February 15, 2007.

As a result of these plans, we expect to incur restructuring charges in the quarter ended March 31, 2007 related to one-time employee related costs of approximately \$700,000. The \$700,000 cost will result in future cash expenditures as follows: we estimate that \$200,000 will be paid within the next month and that the remaining \$500,000 will result in payments to be made over the next 13 months. Through these reductions, we expect to generate savings in annualized operating expenses of approximately \$2,500,000.
