Item 1.01 Entry into a Material Definitive Agreement.

On September 28, 2007, Extra Space Storage LP (the Operating Partnership), the operating partnership subsidiary of Extra Space Storage Inc. (the Company), entered into an amendment (the Amendment) to (1) its previously announced contribution agreement, dated June 15, 2007 (the Contribution Agreement), with various limited partnerships affiliated with AAAAA Rent-A-Space (the Contributors) and (2) the promissory note (the Note) entered into among the Operating Partnership and the primary owners of the Contributors (the Borrowers) on June 25, 2007.

Pursuant to the Amendment, the Contribution Agreement was modified (1) to set the maximum number of shares of the Company s common stock that can be issued in redemption of Series A Participating Redeemable Preferred Units (the Series A Units) of the Operating Partnership at 116,000,000 (the Maximum Number of Shares), and (2) to provide that upon the issuance of the Maximum Number of Shares of the Company s common stock in respect of any Series A Units, the Company and the Operating Partnership will have no further obligations with respect to the redeemed or any other remaining Series A Units, and all Series A Units will be deemed to have been redeemed in full and no longer issued or outstanding. No changes were made in the formula for determining the actual number of shares of the Company s common stock that would otherwise be issued with respect to the redemption of a Series A Unit.

Pursuant to the Amendment, the Note was modified (1) to permit Borrowers to redeem up to 114,500 of the Series A Units without triggering the acceleration of Borrowers obligation to repay the Note in full, (2) to provide that any redemption of Series A Units, other than the redemption of up to 114,500 Series A Units by Borrowers, would be treated as a redemption of all of the Series A Units, and (3) to clarify the manner in which Borrowers obligations under the Note would be setoff against the Company s obligation to issue shares of the Company s common stock in redemption of Series A Units.

The Company caused the Operating Partnership to enter into the Amendment in order to accommodate Borrowers request to be able to redeem up to 114,500 Series A Units without causing an acceleration of the Note and to clarify certain of the provisions of the Contribution Agreement and the Note.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the complete text of the Amendment, which is filed as Exhibit 10.1 to this current report and incorporated herein by reference.

Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On September 28, 2007, the Company amended its charter to increase the authorized number of shares of common stock of the Company from 200,000,000 to 300,000,000 in order to make the charter consistent with the terms of the Amendment in light of the current shares of common stock of the Company outstanding.

The foregoing description of the Articles of Amendment does not purport to be complete and is qualified in its entirety by reference to the complete text of the Articles of Amendment, which is filed as Exhibit 3.1 to this current report and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) The following exhibits are filed herewith:
