TEAM FINANCIAL, INC. GIVEN BACKING FROM TWO INDEPENDENT PROXY ADVISORY FIRMS.

Paola, Kansas, June 11, 2008 Institutional Shareholder Services (ISS), the world's leading provider of corporate governance and proxy voting services, has made a recommendation that shareholders vote for the slate of directors nominated by Team Financial, Inc., (the Company), (NASDAQ: TFIN) rather than those nominees presented by a dissident shareholder. Glass-Lewis & Co., another world-wide provider of independent research and recommendations to shareholders, has also made a similar recommendation.

ISS noted that the Company has been responsive in addressing capital needs, loan loss reserves, and has been proactive in establishing cost savings. We are extremely pleased with the recommendations of these two very respected, independent reports. These reports should assure our shareholders of the Board's ability to lead the Company and that the Company is proactively addressing restoring shareholder value, stated Robert Weatherbie, Chairman and Chief Executive Officer of the Company.

Both independent reports point to a lack of an actual plan for improvement from the dissident shareholder, and note that the claims of excessive executive pay are unwarranted, that in fact, the Company's compensation is in-line with that of its peers.

Both reports note hesitations to recommend two former directors on the dissident's slate whose presence on the Board did not add shareholder value the first time around. The Company's annual meeting of shareholders is set for Tuesday, June 17, 2008.
