Item 8.01. Other Events.

On January 27, 2009, Andover Medical, Inc. (the Company) was notified by attorneys for Lowell Fisher that he had resigned, effective immediately, as interim CEO of Medical Solutions Management, Inc. (MSMT). The reasons stated were Mr. Fisher 's wife 's recent death and his awareness of an ongoing federal investigation that involves MSMT.

In addition, on January 28, 2009, Shad Stastney resigned from the Board of Directors of MSMT, effective immediately.

As described in a Registration Statement on Form S-4 filed by MSMT with the SEC, but not declared effective, Andover intended to sell its operating subsidiaries to MSMT in exchange for MSMT stock in a combined entity with the operating subsidiaries of Certified Diabetic Services, Inc. (CDIP). The Company had no prior warning of an ongoing federal investigation involving MSMT.

The Company has not yet had discussions with CDIP, nor with its bankers, as to possibly restructuring the proposed transaction. In any event, because of the delays involved in the MSMT merger transaction and the significant costs involved, the Company requires interim financing during the near term. In view of current market conditions there can be no assurance the Company will be able to obtain such funds on acceptable terms, if at all.

Item 9.01. Financial Statements and Exhibits.

None.
