Advice to the government sector

## COMPANY REPUTATION

Annual ratings of audit and consulting companies, produced by leading rating agencies, support high standing of CJSC SV-Audit. Our company ranks No. 10 in terms of revenue volume among 100 major audit and consulting groups in Russia (according to the Expert magazine) according to the results of the 2008 rating.

Rating of Audit and Consulting Groups according to the Expert RA for 2008(2)

Type of services	Ranking
Overall rating, performance level	10
Surveyor services	1
Audit services	2
Services related to ISFR	14

High customer service standards both in quality of services and the style of business communication have been the key element of the Company culture since the date of its foundation. In our adherence to professional ethics principles we seek to take into consideration individual characteristics of our customers to the maximum.

Having developed the scheme for project decision making on the spot, at the same time we are attentive to individual requirements of each company. Due to this we implement projects to an accomplished standard and build reliable relations with our customers.

**COMPANY STAFF**

CJSC SV-Audit employs highly professional practitioners in finance, economics, taxation and appraisal who have previously worked in major audit companies and have experience of cooperation with known Russian enterprises.

All projects by CJSC SV-Audit specialists are subject to control by department of quality. Single opinion of the company on disputable issues in tax accounting, bookkeeping and other areas of legislation is developed in the process of discussion and is approved by the department of methodology.

Quality of the work is our key priority. CJSC SV-Audit undergoes annual voluntary certification of compliance of its services to quality standards performed by independent experts – Moscow Audit Chamber (in audit) and the Agency for certification of services at the Chamber for commerce and industry of the RF (in appraisal).

CJSC SV-Audit guarantees absolute independency and objectivity in projects completion, strict confidentiality of data and conclusions made in the process of work.
