**Item 8.01. Other Events.**

On February 25, 2010, P&F Industries, Inc. (the Company) received a signed version of a letter (the Stabosz Letter) from Mr. Timothy Stabosz (an unsigned copy of which had been emailed to the Company on February 24, 2010), which Mr. Stabosz also filed with the Securities and Exchange Commission (the SEC) on February 25, 2010 as an exhibit to a Schedule 13D amendment, in which Mr. Stabosz sought to give the Company notice under Article III, Section 12 (Section 12) of the Company's By-Laws (as amended on October 8, 2009 and filed with the SEC as an exhibit to a Current Report on Form 8-K on October 14, 2009 (the October 2009 8-K)), that he intended to nominate himself as a candidate for election to the Board of Directors of the Company (the Board) at the next meeting of stockholders of the Company at which directors will be elected.

On February 25, 2010, the Company sent a letter (the Company Letter) to Mr. Stabosz at the direction of the Nominating Committee (the Nominating Committee) of the Board. The Company Letter noted, among other things, that the Stabosz Letter had requested the Company to advise Mr. Stabosz if the Company deemed the Letter deficient so that Mr. Stabosz could cure the deficiencies. The Company Letter identified two deficiencies, in each case based upon the failure of the Stabosz Letter to provide information that would be required by the proxy rules promulgated by the SEC in any proxy statement filed by Mr. Stabosz in connection with his solicitation of proxies for election to the Board and the requirement of Section 12 that any notice provided thereunder contain such information. The Company Letter was emailed to Mr. Stabosz on February 25, 2010 and was delivered to Mr. Stabosz's address (as identified in the Stabosz Letter) by courier on February 26, 2010.

On February 26, 2010, the deadline established by Section 12 for stockholders to submit timely compliant nomination notices (the Section 12 Deadline) with respect to the 2010 annual meeting of the Company's stockholders expired without the Company having received any response to the Company Letter from Mr. Stabosz.

At a meeting of the Board held on March 2, 2010, the Board deliberated regarding the status of the Stabosz Letter and the appropriate response to the facts that: Mr. Stabosz had not corrected the deficiencies identified in the Company Letter, which the Board viewed as material, by the expiration of the Section 12 Deadline; he had previously suggested to the Company that he be considered as a candidate for addition to the Board but had not submitted any nomination under Section 12; he had been advised by the Company that his suggestion was being evaluated by the Nominating Committee, consistent with the Board's policy adopted on October 8, 2009 and reported in the October 2009 8-K, as part of a broader ongoing process undertaken by the Nominating Committee (and reported by the Company in a Current Report on Form 8-K dated February 4, 2010 (the February 2010 8-K)) regarding the composition of the Board; and he had failed to nominate himself as a candidate under Section 12 prior to the expiration of the Section 12 Deadline. The Board determined that Mr. Stabosz should be advised that he had not nominated himself as a Board candidate by reason of the deficiencies in the Stabosz Letter and his failure to cure those deficiencies by the Section 12 Deadline.

At the same Board meeting of March 2, 2010, the Board decided that, as part of the Nominating Committee's process referred to in the preceding paragraphs (and not by reason of

the Stabosz Letter, which the Board rejected as a nomination under Section 12), the Company would continue to afford Mr. Stabosz the opportunity to meet with the member of the Nominating Committee with whom he has not met (Mr. Stabosz has previously met with the Chairman of the Nominating Committee together with the Chairman of the Board, President and Chief Executive Officer), in connection with his expressed interest in being added to the Board, but the Company has no commitment to him regarding the possibility of Mr. Stabosz being added to the Board. The outcome of the Nominating Committee's process (reported in the February 2010 8-K) of identifying potential Board candidates and evaluating them in the context of the Nominating Committee's determination regarding all issues relating the composition of the Board is not currently determinable.

By letter dated March 3, 2010 (emailed to Mr. Stabosz, with the original to be delivered to him by courier on March 4, 2010), the Company advised Mr. Stabosz of the Board determinations summarized above.
