Item 1.01 Entry into a Material Definitive Agreement.

On May 17, 2011, Black Raven Energy, Inc. (the Company) entered into a Purchase and Sale Agreement with Adena Badger Creek, LLC relating to the acquisition by the Company of oil and gas properties in the Adena Field in Morgan County, Colorado. The acquisition consists of an 80% working interest in 18,760 gross acres, with a purchase price of \$15.75 million, subject to adjustments for production after the effective date and other matters. The Company has an agreement with a strategic partner to purchase 30% of the 80% working interest. Closing of the transaction is subject to customary closing conditions. The Company may terminate the agreement if it has not obtained financing for the acquisition on or before the scheduled closing date. The Company intends to close the acquisition in mid to late June. The Adena Field consists of an active waterflood in the J Sand, and existing primary oil production in the shallower D Sand. The Company estimates that the proved reserves, net to the 80% working interest, is 2.76 million barrels of oil equivalent. The Company intends to fund the acquisition through debt, with development activity funded by cash flow.
