Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Loan and Security Agreement

On June 13, 2011, NuPathe Inc. (NuPathe) entered into a First Loan Modification Agreement (the Amendment) with MidCap Funding III, LLC (MidCap) and Silicon Valley Bank (SVB) and together with MidCap, the Lenders). The Amendment modifies the Loan and Security Agreement, dated as of May 13, 2010, by and among NuPathe and the Lenders (the Loan Agreement) to, among other things:

- Increase the amount of Term B Loans available to NuPathe under the Loan Agreement from \$6.0 million to \$10.0 million;
- Provide for \$3.0 million of Term C Loans to be available to NuPathe under the Loan Agreement until August 31, 2011, subject to certain milestones relating to NuPathe's product candidates;
- Require NuPathe to maintain at least \$3.0 million of unrestricted cash, which cash requirement shall expire after the occurrence of an equity event resulting in unrestricted cash proceeds to NuPathe of at least \$15.0 million; and
- Reduce the LIBOR rate margin for term loans made under the Loan Agreement from 8.75% to 8.50%.

Term B Loans

Concurrently with the execution of the Amendment, the Lenders made \$10.0 million of Term B Loans to NuPathe (representing the total amount of Term B Loans available to NuPathe under the Loan Agreement). Proceeds to NuPathe from the Term B Loans, after deducting origination and other Lender fees, was approximately \$9.9 million.

The Term B Loans bear interest at an annual rate of one month LIBOR plus 8.50%, subject to a 3% LIBOR floor. NuPathe is required to make monthly interest payments in respect of the Term B Loans and commencing on January 1, 2012, monthly straight-line amortization payments through maturity in August 2013. At the time of final payment of the Term B Loans, NuPathe will be required to pay a final payment fee of 2%, or \$200,000. If NuPathe elects to pay the Term B Loans prior to maturity, or the payment of the Term B Loans is accelerated following the occurrence of an event of default, the following prepayment fees shall apply:

- For a prepayment made on or before June 13, 2012, 4.0% of the outstanding principal amount of the Term B Loans being prepaid;

Edgar Filing: NUPATHE INC. - Form 8-K

- For a prepayment made from June 14, 2012 through June 13, 2013, 3.0% of the outstanding principal amount of the Term B Loans being prepaid; and
- For a prepayment made after June 13, 2013, 1.0% of the outstanding principal amount of the Term B Loans being prepaid.

In connection with the Term B Loans, NuPathe issued the Lenders warrants to purchase 59,748 shares of NuPathe common stock at an exercise price of \$7.95. The number of shares subject to the warrants will automatically increase by up to an additional 17,925 shares of common stock if the Term C Loan is funded in full. The warrants have a five year exercise period.

As previously reported, NuPathe's obligations under the Loan Agreement are secured by a lien on all of NuPathe's assets, excluding intellectual property, which is subject to a negative pledge. In addition, NuPathe's cash and investment accounts are subject to account control agreements with the Lenders that give them the right to assume control of the account in the event of a default under the Loan Agreement. The Loan Agreement contains operating covenants including, among others, covenants restricting NuPathe's ability to incur additional indebtedness, pay dividends or other distributions, effect a sale of any part of its business and merge with or acquire another company. The Loan Agreement also includes customary events of default including upon the occurrence of a payment default,

a covenant default, a material adverse change and insolvency. Upon the occurrence of an event of default, the interest on outstanding loans will be increased by 3% over the rate that would otherwise be applicable. In addition, the occurrence of an event of default could result in the acceleration of NuPathe's obligations under the Loan Agreement as well as grant the Lenders the right to exercise remedies with respect to the collateral.

The foregoing is a summary description of certain terms of the Amendment and the Loan Agreement and, by its nature, is incomplete. A copy of the Loan Agreement was previously filed by NuPathe as Exhibit No. 10.7 to its Registration Statement on Form S-1 (File No. 333-166825). NuPathe will file the Amendment as an exhibit to its Quarterly Report on Form 10-Q for the period ending June 30, 2011. All readers are encouraged to read the entire text of the Loan Agreement and, when it is filed, the Amendment.
