**Item 1.01. Entry into a Material Definitive Agreement**

On November 29, 2011, TE Connectivity Ltd., a Swiss corporation (the Company), made an irrevocable and binding offer (the Offer) to purchase the outstanding share capital (the Proposed Transaction) of Deutsch Group SAS (Deutsch), a global leader in high-performance connectors for harsh environments, from Deutsch's current shareholders (the Sellers). After completion of the required consultation with Deutsch's French workers councils, the Offer was accepted on December 8, 2011. On December 14, 2011, the Company and the Sellers entered into a Sale and Purchase Agreement (the SPA).

Pursuant to the SPA, the Company has agreed to pay the Sellers consideration of 1.15 billion (or approximately \$1.53 billion using an exchange rate of \$1.33 per 1.00), which will not be subject to an adjustment based on Deutsch's performance prior to closing and will accrue interest at a per annum rate of 5.5% after February 28, 2012 if the Proposed Transaction has not closed prior to that date. The total value of the Proposed Transaction amounts to 1.55 billion (approximately \$2.06 billion using an exchange rate of \$1.33 per 1.00), which amount includes Deutsch's financial debt to be repaid at closing. The Company intends to finance the Proposed Transaction with a combination of cash and debt.

Completion of the Proposed Transaction is subject to customary regulatory conditions including foreign investments approval by the French Ministry of Economy and Finance, approval of the Committee on Foreign Investment in the United States and antitrust clearances. The transaction terms also include customary termination rights, including a customary termination fee payable to the Sellers if the transaction does not close. The transaction is expected to close in the third quarter of the Company's current fiscal year (April-June 2012).

A copy of the SPA will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the fiscal quarter ending December 30, 2011.

**SIGNATURES**
