Item 8.01. OTHER EVENTS

On August 8, 2013, Boston Scientific Corporation (the Company) announced the pricing of a public offering of \$1.05 billion in aggregate principal amount of its senior notes under its existing shelf registration statement. The public offering consists of \$600 million in aggregate principal amount of 2.650% notes due October 1, 2018 and \$450 million in aggregate principal amount of 4.125% notes due October 1, 2023. The Company expects the offering to close on August 13, 2013, subject to customary closing conditions. The Company intends to use the net proceeds from this offering, together with borrowings under its term loan facility, to redeem all or a portion of its (i) 5.450% notes due June 15, 2014, of which \$600 million aggregate principal amount was outstanding as of August 8, 2013, and (ii) 4.500% notes due January 15, 2015, of which \$850 million aggregate principal amount was outstanding as of August 8, 2013, and to pay related fees, expenses and premiums. Any such redemption will be made in accordance with the terms of the applicable indenture, including provision of the required notice of redemption. Any remaining net proceeds from the offering may be used for general corporate purposes.

A copy of the press release is filed with this report as Exhibit 99.1.

Cautionary Statement Regarding Forward-Looking Information

This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements may be identified by words like anticipate, expect, project, believe, plan, estimate, intend and similar words. These forward-looking statements are based on our beliefs, assumptions and estimates using information available to us at the time and are not intended to be guarantees of future events or performance. These forward-looking statements include, among other things, our proposed offering and intended use of proceeds. If our underlying assumptions turn out to be incorrect, or if certain risks or uncertainties materialize, actual results could vary materially from the expectations and projections expressed or implied by our forward-looking statements. These risks and uncertainties, in some cases, have affected and in the future could affect our ability to implement our business strategy and may cause actual results to differ materially from those contemplated by the statements expressed in this document. As a result, readers are cautioned not to place undue reliance on any of our forward-looking statements.

Risks and uncertainties that may cause such differences include, among other things: future economic, political, competitive, reimbursement and regulatory conditions; new product introductions and the market acceptance of those products; markets for our products; expected pricing environment; expected procedural volumes; clinical trial results; demographic trends; intellectual property rights; litigation; financial market conditions; the execution and effect of our restructuring program; the execution and effect of our business strategy, including our cost-savings and growth initiatives; and future business decisions made by us and our competitors. New risks and uncertainties may arise from time to time and are difficult to predict. All of these factors are difficult or impossible to predict accurately and many of them are beyond our control. For a further list and description of these and other important risks and uncertainties that may affect our future operations, see Part I, Item 1A - Risk Factors in our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, which we may update in Part II, Item 1A - Risk Factors in Quarterly Reports on Form 10-Q we have filed or will file hereafter. We disclaim any intention or obligation to publicly update or revise any forward-looking statement to reflect any change in our expectations or in events, conditions, or circumstances on which those expectations may be based, or that may affect the likelihood that actual results will differ from those contained in the forward-looking statements. This cautionary statement is applicable to all forward-looking statements contained in this document.
