Vale concludes sale in Tres Valles

Rio de Janeiro, December 13, 2013 Vale S.A. (Vale) informs that it has completed the sale of Sociedad Contractual Minera Tres Valles (Tres Valles) for US\$ 25 million to Inversiones Porto San Giorgio S.A (ISG) a company controlled by the Chilean group Vecchiola S.A.

Tres Valles is a producer of copper cathode in the region of Coquimbo in Chile. The transaction includes Vale's 90% stake in Tres Valles total capital and certain mining rights held by Vale in the region of Coquimbo. Tres Valles has underground and open-pit mines and capacity to produce 18,500 metric tons per year of copper cathode.

This transaction is consistent with Vale's strategy of focusing on world-class assets, with scale compatible with its existing operations.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future and not on historical facts, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM), the French Autorité des Marchés Financiers (AMF), and The Stock Exchange of Hong Kong Limited, and in particular the factors discussed under **Forward-Looking Statements** and **Risk Factors** in Vale's annual report on Form 20-F.
