**Item 1.01 Entry into a Material Definitive Agreement**

On December 20, 2013, PacWest Bancorp, a Delaware corporation (the "PacWest"), entered into Amendment No. 1 (the "Amendment") to the Agreement and Plan of Merger (the "Merger Agreement"), dated as of July 22, 2013, by and between PacWest and CapitalSource Inc., a Delaware corporation (the "CapitalSource"). The Amendment provides for a termination fee of \$59 million payable by PacWest to CapitalSource in the event that the Merger Agreement is terminated in certain limited circumstances, and provides for a termination fee of \$91 million payable by CapitalSource to PacWest in the event that the Merger Agreement is terminated in certain other limited circumstances. The termination fees payable by each of PacWest and CapitalSource, respectively, are equal to the previously disclosed surrender prices under the CapitalSource Stock Option Agreement and the PacWest Stock Option Agreement (each as defined below), respectively. The Amendment was entered into pursuant to the terms of the Memorandum of Understanding (as defined below) entered into by PacWest, CapitalSource and the plaintiffs in the previously disclosed putative stockholder class action lawsuits (the "Plaintiffs"). The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement**

On December 20, 2013, as part of the Amendment and pursuant to the Memorandum of Understanding, PacWest and CapitalSource agreed to terminate (the "Stock Option Terminations"), without penalty to either party, (i) the PacWest Stock Option Agreement, dated as of July 22, 2013, between CapitalSource and PacWest (the "PacWest Stock Option Agreement") and (ii) the CapitalSource Stock Option Agreement, dated as of July 22, 2013, between PacWest and CapitalSource (the "CapitalSource Stock Option Agreement"), and together with the PacWest Stock Option Agreement, the "Stock Option Agreements"), pursuant to which each of PacWest and CapitalSource had granted to the other an option (the "Option") to purchase shares representing up to 19.9% of the granting party's total outstanding shares before giving effect to the exercise of the Option. Prior to the termination of the Stock Option Agreements, neither Option had become exercisable. The foregoing description of the Stock Option Agreements does not purport to be complete and is qualified in its entirety by reference to the Stock Option Agreements, which are described in PacWest's Current Report on Form 8-K filed on July 26, 2013, which description is incorporated herein by reference.

**Item 8.01 Other Events**

On December 20, 2013, PacWest and CapitalSource entered into a memorandum of understanding with the Plaintiffs (the "Memorandum of Understanding") regarding the settlement of certain litigation relating to the Merger Agreement. Pursuant to the Memorandum of Understanding, PacWest and CapitalSource have agreed to enter into the Amendment, including the Stock Option Terminations provided for therein, and to make certain supplemental disclosures to the definitive joint proxy statement (the "Proxy Statement") filed by PacWest and CapitalSource with the United States Securities and Exchange Commission (the "SEC") on December 6, 2013, and first mailed to PacWest's and CapitalSource's stockholders on or about December 11, 2013.

As previously disclosed in the Proxy Statement, since July 24, 2013, 11 putative stockholder class action lawsuits were filed against CapitalSource, PacWest and certain other defendants in connection with the Merger Agreement. Five of the 11 actions were filed in Superior Court of California, Los Angeles County: (1) *Engel v. CapitalSource Inc. et al.*, Case No. BC516267, filed on July 24, 2013; (2) *Miller v. Fremder et al.*, Case No. BC516590, filed on July 29, 2013; (3) *Basu v. CapitalSource Inc. et al.*, Case No. BC516775, filed on July 31, 2013; (4) *Holliday v. PacWest Bancorp et al.*, Case No. BC517209, filed on August 5, 2013; and (5) *Iron Workers Mid-South Pension Fund v. CapitalSource Inc. et al.*, Case No. BC517698, filed on August 8, 2013, referred to as the California actions. The other six actions were filed in the Court of Chancery of the State of Delaware: (1) *Fosket v. Byrnes et al.*, Case No. 8765, filed on August 1, 2013; (2) *Bennett v. CapitalSource Inc. et al.*, Case No. 8770, filed on August 2, 2013; (3) *Chalfant v. CapitalSource Inc. et al.*, Case No. 8777, filed on August 6,

2013; (4) *Oliveira v. CapitalSource Inc. et al.*, Case No. 8779, filed on August 7, 2013; (5) *Desai v. CapitalSource Inc. et al.*, Case No. 8804, filed on August 13, 2013; and (6) *Fattore v. CapitalSource Inc. et al.*, Case No. 8927, filed on September 19, 2013, referred to as the Delaware actions.

On August 15, 2013, the Delaware actions were consolidated into a single action, captioned *In re CapitalSource Inc. Stockholder Litigation*, Consol. C.A. No. 8765-CS, and assigned to Chancellor Leo E. Strine. On September 25, 2013, plaintiffs in the Delaware actions filed a Verified Consolidated Amended Class Action Complaint, referred to as the Delaware consolidated complaint. On September 17, 2013, the California actions were consolidated into a single action, captioned *In re CapitalSource Inc. Shareholder Litigation*, Lead Case No. BC516267, and assigned to Judge Elihu M. Berle. On October 2, 2013, plaintiffs in the California actions filed an Amended Consolidated Complaint, referred to as the California consolidated complaint.

The Delaware consolidated complaint and the California consolidated complaint each allege that the members of the CapitalSource board of directors breached their fiduciary duties to CapitalSource stockholders by approving the proposed merger for inadequate consideration; approving the transaction in order to obtain benefits not equally shared by other CapitalSource stockholders; entering into the merger agreement containing preclusive deal protection devices; failing to take steps to maximize the value to be paid to the CapitalSource stockholders; and failing to disclose material information regarding the proposed transaction. The Delaware consolidated complaint and the California consolidated complaint also each allege claims against PacWest and CapitalSource for aiding and abetting these alleged breaches of fiduciary duties. Plaintiffs in these actions seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting consummation of the merger, rescission, an accounting by defendants, damages and attorneys' fees and costs, and other and further relief.

PacWest and CapitalSource and the other defendants named in the Delaware consolidated complaint and the California consolidated complaint deny each of the allegations therein and believe that the Proxy Statement is accurate and complete in all material respects and that no further disclosure or other action is required under applicable laws. However, to avoid the risk that the lawsuits may delay or otherwise adversely affect the consummation of the merger and to minimize the expense and burden of defending such actions, PacWest and CapitalSource have agreed, pursuant to the terms of the Memorandum of Understanding with the Plaintiffs, to enter into the Amendment, including the Stock Option Terminations provided for therein, and to make certain supplemental disclosures related to the proposed merger, all of which are set forth below. The proposed settlement is subject to, among other things, approval of the Court of Chancery of the State of Delaware. Under the terms of the proposed settlement, following final Court approval, each of the Delaware actions and each of the California actions will be dismissed with prejudice. There can be no assurances, however, that the parties will ultimately enter into a stipulation of settlement or that Court approval of the settlement will be obtained. In such event, the proposed settlement as contemplated by the Memorandum of Understanding may be terminated.
