Item 1.01 Entry into a Material Definitive Agreement.

On July 30, 2014, ACRC Lender LLC (ACRC Lender), a wholly owned subsidiary of Ares Commercial Real Estate Corporation (the Company), entered into a new \$75.0 million revolving credit facility (the CNB Facility) with City National Bank, a national banking association (CNB), as arranger and administrative agent, and lenders party thereto from time to time (Lenders). The CNB Facility will be used to finance qualifying investments and for other working capital and general corporate needs and is guaranteed by the Company. The CNB Facility is in addition to the Company's existing March 2014 \$50.0 million secured revolving facility with CNB (the March 2014 CNB Facility).

Advances under the CNB Facility will accrue interest at a per annum rate equal, at the Company's option, to (a) LIBOR for a one, two, three, six or, if available to all Lenders, 12-month interest period plus 1.50% or (b) the base rate plus 0.25%; provided that in no event will the interest rate be less than 1.50%. Unless at least 75% of the CNB Facility is used on average, unused commitments under the CNB Facility will accrue unused line fees at the rate of 0.125% per annum. The initial maturity date of the CNB Facility is July 31, 2015 and the CNB Facility is subject to one 12-month extension option, provided that certain conditions are met and applicable extension fees are paid.

The agreements governing the CNB Facility contain various representations and warranties, and impose certain covenants on ACRC Lender and the Company respecting, among other things, limitations on indebtedness, distributions and dividends and dispositions of assets as well as maintenance of certain ratios of debt to net worth, fixed charges and other financial conditions.

In connection with entering into the CNB Facility, on July 30, 2014, ACRC Lender entered into Amendment Number One to Credit Agreement and Consent with the lenders and CNB under the March 2014 CNB Facility (the Amendment). The Amendment provides for certain amendments to the March 2014 CNB Facility which, among other matters, permit the incurrence of additional indebtedness by ACRC Lender pursuant to the CNB Facility.

Ares Management LLC (Ares), a subsidiary of Ares Management, L.P. (NYSE: ARES) and an affiliate of the Company's external manager, agreed to provide credit support (the Ares Support) in connection with the CNB Facility and to purchase all loans and other obligations outstanding under the CNB Facility upon (i) an acceleration or certain events of default by ACRC Lender under the CNB Facility or (ii) in the event that, among other things, Ares' corporate credit rating is downgraded to below investment grade. On July 30, 2014, the Company and certain of its subsidiaries entered into a Credit Support Fee Agreement (the Credit Support Fee Agreement) with Ares under which the Company agreed to pay Ares a credit support fee in an amount equal to 1.50% per annum times the average amount of the loans outstanding under the CNB Facility and to reimburse Ares for its out-of-pocket costs and expenses in connection with the transaction. On July 30, 2014, the Company also entered into a Pledge Agreement (the Pledge Agreement) pursuant to which the Company pledged to Ares its ownership interests in its wholly owned direct subsidiary ACRC Holdings LLC, the holding entity for the Company's principal lending business.

The foregoing descriptions of the CNB Facility, Credit Support Fee Agreement, the Pledge Agreement and the Amendment are only summaries of certain material provisions of the agreements relating to the CNB Facility and the March 2014 CNB Facility and are qualified in their entirety by reference to copies of such agreements, which are filed herewith as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6.
