Item 1.01 Entry into a Material Definitive Agreement.

On September 3, 2014, Amphenol Corporation (the Company) entered into a commercial paper program (the Program) pursuant to which the Company may issue short-term unsecured commercial paper notes (the Notes) in one or more private placements exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). Amounts available under the Program may be borrowed, repaid and re-borrowed from time to time, with the maximum aggregate principal amount of the Notes outstanding under the Program not to exceed \$1.5 billion at any time. Amounts undrawn under the Company's existing \$1.5 billion revolving credit facility, which expires in July 2018, are available to repay the Notes, if necessary. The maturities of the Notes will vary, but may not exceed 397 days from the date of issue. The Notes will be sold under customary terms in the commercial paper market and may be issued at a discount from par, or, alternatively, may be sold at par and bear varying interest rates on a fixed or floating basis. The net proceeds of the issuances of the Notes are expected to be used for general corporate purposes. Citibank Global Markets Inc. and JP Morgan Securities LLC each will act as a dealer under the Program (collectively the Dealers) pursuant to the terms and conditions of their respective Dealer agreements (the Dealer Agreements). Citibank N.A. will act as issuing and paying agent under the Program. Each Dealer Agreement provides the terms under which the respective Dealer will either purchase from the Company or arrange for the sale by the Company of the Notes pursuant to an exemption from federal and state securities laws. Each Dealer Agreement contains customary representations, warranties, covenants, defaults and indemnification provisions and is substantially the same in all material respects. A form of Dealer Agreement is attached to this report as Exhibit 10.1 and is incorporated by reference herein. The foregoing descriptions of the Program and the Dealer Agreement are not complete and are qualified in their entirety by reference to the full and complete terms of the Program as set forth in the form of Dealer Agreement.

One or more of the Dealers and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Company and its affiliates, for which they received or will receive customary fees and expense reimbursements. Such fees and expense reimbursements may be funded with proceeds from the issuances of the Notes. In addition, the Dealers or their affiliates are lenders under the Company's revolving credit facility.

The Notes have not been and will not be registered under the Securities Act or state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws. The information contained in this Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any securities.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Form 8-K is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
